

Knights of Columbus Council 1297 Make Generous Donation to Sacred Heart

Thank you to the Knights of Columbus Council 1297 for their generous contribution to the SHA Wish List, which included donations to both the 6th grade and the 3rd grade classes. The sixth grade class was able to enjoy a field trip to Midland to the canopy walk at Whiting Forest. The third graders will take a trip to Michigan's capitol in Lansing and Potter Park in the Spring. The Knights' gift also benefitted leadership program scholarships for high school students, and the start-up of the robotics program at SHA. Above is a photo taken with Mrs. Lemke and Mrs. Wyman's classes. Thank you, Knights of Columbus!
