## HOMECOMING 2009

### Friday, October 2

MARK YOUR CALENDARS AND PLAN TO JOIN US!

The afternoon parade, evening game and Annual Alumni and Friends Reception will all be that day. The classes of 1949, 1954, 1959 and 1974 are all planning reunions that weekend and have tables reserved at the Reception.

### HALL OF FAME

The Alumni Association Honors Committee is also attempting to collect and record past sports information to help with selections to the Hall of Fame. The Committee scanned past records and interviewed several past athletes to come up with names of graduates who may have been overlooked because of missing data. A letter was produced and distributed to several potential candidates and the response has been very good with over 25% of the forms returned so far. Significant information has been collected for committee consideration and we thank those who have responded and hope others will continue to aid in the effort.

## SCHOOL NEWSPAPERS

The Association is attempting to locate and preserve past school newspapers. The [SHA.net](http://SHA.net) Web page has a list that represents school newspapers collected as of November 2008. Although the four years from 1955 through 1958 were professionally printed by John P. Murphy '24 at Petroleum Publishers, most are mimeographed copies and some are the purple print that is badly faded and nearly unreadable. The list indicates that some editions are missing and there are possibly other years that newspapers were produced but the Association is unaware of. If anyone has information to supplement what is listed, has copies of school papers other than listed or has the expertise and would like to help produce the digital records, please email the Association at [alumni@sha.net](mailto:alumni@sha.net). The list can be located by going to [www.sha.net](http://www.sha.net) and selecting "Sacred Heart Academy". Under "Alumni & Friends" pick "Alumni" and then "past school newspapers". Some papers have been posted and are highlighted in blue and can be seen by clicking on the year.
