

## SHA Receives Monsanto “Grow Communities” Donation

Sacred Heart Academy has received a \$2,500 contribution from Monsanto thanks to SHA Parent **Brian Boge**. Brian is a local farmer who was selected as the recipient of an “America’s Farmers Grow Communities” donation. He designated the money to the tuition assistance fund at SHA. The purpose of the Grow Communities program is to partner with farmers to make a positive impact in farm communities across the country by supporting local non-profit organizations. Since the program began in 2010, more than \$26 million has been directed to organizations across rural America. We are proud of Mr. Boge and his efforts, and happy to receive money for our tuition assistance fund. **Pictured on their family farm with the Monsanto “Grow Communities” award poster are, from left, Brian and Deb Boge, along with SHA Students Alison Boge (1<sup>st</sup> grade) and Jason Boge (4<sup>th</sup> grade).**
