### Clothing Suggestion

Select colors that compliment the background.  
Solid colors in medium-dark tones photograph well. Avoid large patterns, all white or light pastel which draw attention away from the most important part of the portrait... YOU!

**AVOID GREEN OF ANY SHADE!**

## 4. Pick Your Background

To view school specific backgrounds, visit [www.dicksstudio.com](http://www.dicksstudio.com) and click ORDER. Then select your school's pre-order sale.

### Professional Retouching

Personalize your 2x3 wallets with your name and year for only \$4!
