

Irish Basketball Camp

For years, the Irish Basketball Camp has been an excellent opportunity for young boys and girls, grades 1st - 8th, to be exposed to the game of basketball, improve their skills and build self confidence in a fun environment.

The campers are mentored by the Sacred Heart Coaching staff as well as members of the boys and girls basketball Varsity teams. In addition to the daily skill development, the camp staff also stresses the importance of teamwork, respect & sportsmanship.

Camp structure allows experienced players to further develop their skills while kids just getting started can become familiar with the fundamentals of the game in a positive and fun environment.

Camp Goals:

- Teach basketball in a fun environment
- Develop offensive & defensive skills
- Individual/Group instruction based on position and skill level
- Games & contests for players to apply new skills

Mail Payment to:

Sacred Heart Academy
