

Isabella Li Kostrzewa, a senior at SHA who was a finalist on Lifetime's Project Runway: Junior has spent the past five months painting a mural she designed on the third floor (senior hallway) of the high school building. The mural was inspired by famous contemporary artists Keith Haring and Takshi Murakami and it takes up a majority of the wall outside the STEM lab. The artist hopes that it will inspire joy and happiness in passing by students as they look at the fun colors and design. It also features a verse from the Book of Esther "perhaps this is the moment for which you have been created" and a colorpop portrait of Pope Francis. Izzy would like to thank Mrs. Hemmingson, SHA art teacher for her support and allowing her endless options for creativity. Congratulations and thank you, Izzy, for creating such an incredible mural that will be enjoyed by students and staff at SHA for years to come.
