

Emma Reid Elected Lieutenant Governor for MI District Board of Key Club

SHA students, Emma Reid, Lindsey Reid, and Michele Reinke went to Kalamazoo for the Key Club Service Leadership Conference, accompanied by teacher advisor, Mr. Phil Durocher, and Kiwanis Advisor, Mr. Jon Shackelford. Key Club is a high school branch of the Kiwanis whose purpose is community service. At the conference, the students attended workshops to become better leaders and citizens, and took part in the election process of the new district board of Key Club. Emma Reid, who was the 2017 president of Key Club at SHA, ran in the elections for Lieutenant Governor. She won, and is now on the Michigan District Board of Key Club where her job will be to oversee all fifteen Key Clubs in Division 3. Congratulations, Emma, and thank you girls for representing SHA in this important service capacity.
