

SHA senior, Evan Jarman, was selected as Rotary Student Citizen of the Month for April. Students who exemplify Rotary's motto of "Service above Self" by being involved in school, community, religious or civic affairs are honored each month during the Rotary luncheon.

Evan is a member of National Honor Society and is president of his class. While in high school, he has participated in Science Olympiad, played basketball and was a member of the Health Occupations Students of America (HOSA) organization. He is currently enrolled in 12 credits at CMU and will have earned nearly 60 college credits by the time he graduates from SHA.

Evan has accrued over 400 community service hours while in high school, many of which he earned by volunteering with the Isabella County Restoration House

planning committee. He has also helped with Sacred Heart's vacation bible school and tutored several students. Over spring break, he completed a study abroad through MMCC where he traveled to the Dominican Republic and taught children English and helped in their communities.

Upon graduation, he plans to study Biomedical Engineering at the University of Michigan then attend medical school. Congratulations, Evan, and parents, Pat and Karen Jarman!
