

*Benefitting
Catholic Education
in Our Community*

February 11, 2017

Welcome alumni, friends and supporters of Sacred Heart Academy! This year we are thrilled to present *"Fire & Ice"* for SHAgala's 23rd annual celebration. Tonight we celebrate the students, alumni and faculty of Sacred Heart Academy, members and friends of Sacred Heart Parish, 127 years of Irish pride, and the foundation of Catholic education: faith development, academic excellence and dedication of service.

As graduates of Sacred Heart Academy, we realize the importance of a Christ-centered education. Since 1889, Sacred Heart Academy has offered the BEST in education. The students of Sacred Heart Academy are blessed daily with dedicated staff members who instill God's messages and help to develop the exceptionality of each child. With energy and passion, these educators are called upon to prepare our students for higher education and success in the 21st century. Catholic education is a gift that is joyous, life-altering, affirming and uplifting. It is a gift which endures a lifetime and is passed on from generation to generation.

The extraordinary success of SHAgala is a reflection of the ever-increasing dedication and enthusiasm of many volunteers. We would like to sincerely thank the parents, teachers, alumni, students and friends of Sacred Heart Academy for the countless hours of support and financial resources they tirelessly donate for the benefit of our students. Because of the generous support of many individuals and businesses in our community, Sacred Heart Academy continues to be a pillar of faith, unity and tradition. We extend a heartfelt thank you for your unwavering commitment to Catholic education and to the students of Sacred Heart Academy.

On behalf of the entire SHAgala committee, thank you for sharing a phenomenal evening with us! Please enjoy a wonderful meal, entertainment and time spent with family and friends. May God continue to bless you and the students of our Academy. We are humbled and honored that you are able to join us in celebrating and supporting Catholic education.
