

SHA Science Olympiad Teams Qualify for State Finals at MSU

SHA Middle School and High School 2017 Science Olympiad Teams

Congratulations to SHA's Science Olympiad teams who competed at the regional finals held at Alma College last weekend. The high school team took first place, while the middle school team took third place. Both teams qualified for state finals, which will be held at MSU on April 29, 2017.

First place finishers for the high school team were: Henry Armah and Wendy Erickson (Anatomy and Physiology); Rahul Sahay and Henry Armah (Astronomy); and Rowan Fitzpatrick and Rahul Sahay (Wind Power).

First place finishers for the middle school team were: Ervin Cudjoe and Lesley Armah (Anatomy and Physiology); Sara Peltier and Allison Rawson (Bottle Rocket); Lesley Armah and Ethan Lockwood (Disease Detectives); and Matthew Kinney and Ben Wilson (Road Scholar). The teams are coached by Mr. Jamie Slate.
