Kinder-Prep Summary

PURPOSE

The Sacred Heart Academy Kinder-Prep (KP) program is five full days per week from 7:40 a.m. – 2:40 p.m. Students must be five by July 31st following the school year in which they are enrolling (for birthdates after May 31 an assessment is required.) KP is designed to prepare students for success in kindergarten the following school year. Some may even be eligible for kindergarten (five by September 1) but would benefit from the “gift of time” to mature socially, emotionally, academically, and/or physically before they begin kindergarten.

Using best practices for early childhood education, our teachers will strive to help each child

- ...experience the joy and wonder of God’s creation and love.
- ...become familiar with a school routine.
- ...develop a love for learning and a positive attitude concerning school.
- ...begin to think independently.
- ...learn to work cooperatively with others (adults and children).
- ...develop positive self-worth.
- ...increase large and small motor skills.
- ...enhance language skills.
- ...learn and have an understanding of letters and numbers.
- ...appreciate different types of literature.
- ...understand some fundamental concepts of science.
- ...experience and appreciate cultural art forms such as music, drama, dance, and art.
