HOMECOMING...

Homecoming 2012 is set for Friday September 21, 2012 and the theme the student council has selected is "Academy Awards" so there might be a lot of tuxedos and red carpets. The Classes of 1962, 1972 and 1982 are planning to be there for their reunions and you can be too! The parade will be in the afternoon at 4 PM, the game versus Montabella at 700 PM at Community Memorial Stadium and the Alumni and Friends Reception in the evening at the Parish Hall (Definitely NOT Black Tie attire!...although navy blue skirts, baleros and knee socks are welcome). Mark your calendars and come join us!

GRAND MARSHALS...

1967 State Champions: (front row) Pat Funnell, Scott Voisin, Jim Jackson, Ed McQuaid, Brian Murphy, Mike Kostrezwa and Joe Luesse; (back row) Steve Voisin, Mick Natzel, Mike Funnell, Mark Simons, Bill McDonald, Mike Hackett, Bob Johnson and coach Bob Utterback. Team was 25-0.

It's hard to believe but it's been 45 years since coach Bob Utterback's 1966-67 team captured the state basketball championship, highlighting the Utterback Era, the most successful coaching stint in school history. Only five losses were on the record of the four seasons from 1964-65 through 1967-68. The teams gathered 82 victories, four district titles, two regional crowns and the state title, one of only two the school has earned in basketball. Thirty-one former players who earned letters (according to yearbooks and stat sheets) in coach Utterback's program have been invited to participate in Homecoming ceremonies on September 21, 2012 as Grand Marshals.

HALL OF FAME...

Two members of the class of 1982 and one from 1992 will increase the total of former stars enshrined to 88. Ceremonies will take place at halftime of the Homecoming game on September 21, 2012.

John McCann '82 was the leading rusher and scorer and Most Valuable Offensive Player on the 1981 football team that finished the season 7-2. John also led the basketball team in steals and assists and was second leading scorer and earned three baseball letters. John and his wife **Kelli Pulver McCann '84**, have three sons and a daughter. John works for Coyne Oil in Mt Pleasant.

Brian Wohlscheid '82 earned nine letters in baseball, basketball, track and cross country. He earned all state honors in baseball (where he was MVP, leading hitter and pitched two no hitters) and cross country (where he twice qualified for the state meet). Brian also led the basketball team in scoring his senior season. Brian is sales manager for Brenner Oil and he and his wife Sherri have one daughter entering third grade at Sacred Heart this fall.

Lori Jackson Washabaugh '92 earned ten letters in basketball, softball and cheer-leading. She was MVP of the softball and basketball teams her senior seasons and helped the cheer team to two regional championships and a second place finish in the state. Lori is a busy housewife (husband Ben), mother of four and a fourth grade teacher at Adams Elementary school in Midland.

ADDRESSES...

One negative regarding the larger newsletter was that the returned postage charge was \$2.72 per piece for wrong addresses! Please help us to maintain the mailing lists by emailing us or sending us change of addresses so we don't have to pay that fee. It is also helpful for recent graduates attending college to continue to use the parent's address until you settle in to a somewhat permanent home. Our mailing list is only used for our newsletters and class reunions except for the one annual appeal that we support from the Sacred Heart Academy Foundation. Our list will not be shared in any other way. Visit www.sha.net to view the current "Lost Alumni" list and help us update our records.
