Among all the reunions and reminiscing at Homecoming, the Alumni Association will honor the four state championship football teams: 1933, 1970, 1971, and 2010. Joe Grabowski, former teacher and coach of the 1970 and 1971 champs, will serve as Grand Marshal for the parade. Mary Gagnon retires after 33 years

Mary Gagnon, Sacred Heart's religious education director, retired June 30 after nearly 33 years of service to the parish and Academy. The most rewarding part of the role over the years, Mary said, was working with children and families and being part of their faith journey. "Introducing children to Jesus and seeing their excitement is awesome," Mary said. "I will always remember some of the families where I worked with kids and then was around long enough to work with *their* kids."

Mary was instrumental in sacramental preparation, religious retreats, and the creation of the children's Mass. She says she can't possibly pinpoint a favorite memory or experience in all those years, because there were so many. "Camping trips, youth retreats, March for Life trips, Vacation Bible School—my years at Sacred Heart have all been great," she said. The parish celebrated with receptions in her honor after weekend Masses.

Sacred Heart Parish recently accepted a gift from members of the family of **Frank Courter '35**. When Frank died in Lansing, the local Knights of Columbus Fourth Degree presented a chalice to his family in honor of his years of service to the Knights. The Courter family gifted it to Sacred Heart for these reasons:

- Frank graduated from Sacred Heart Academy in 1935, as did his wife, **Betty (Naumes) Courter**.
- Frank first joined the Knights of Columbus Sacred Heart Chapter (**Jerry Campbell '35** was his sponsor). As the story goes, the K of C was the only place to drink on Friday nights, so all the 18-year-olds signed up. The Knights said they never had to have membership drives; the young catholic boys came to them!
- The Courters were married at Sacred Heart Church (the one on Illinois Street).
- Frank and Betty helped start the SHA Alumni Association, gathering contact information for their class and the classes before and after theirs.
- Frank and Betty always felt connected to Sacred Heart and the Mt. Pleasant community because of all the Naumes family members who remain in Mt. Pleasant.

The day the chalice was presented, May 10, 2022, was the one year anniversary of Frank's death. He lived to be 103 years old. The engraved chalice will remain at Sacred Heart Church for use at Masses. When raised, Frank's name is lifted in prayer and his memory lives on at Sacred Heart. Pictured at the May 10, 2022, chalice presentation are, from left, Jan Courter, Beth Gordon, Dick Courter, Father Loren Kalinowski, and Sue Courter.

Spring school events celebrated

Spring was filled with many exciting events I was thrilled to experience for the first time! I was blessed with the opportunity to engage with students in our spring retreats, as well as attend many year-end events such as our Fine Arts Night, Sixth Grade Promotion, Middle-School Orientation, the Senior and Parish Graduation Masses, and High School Graduation. Each event provided the opportunity to strengthen connections and share tears of joy. To say the least, 2021-22 was a very rewarding school year.

Fine Arts Night

Throughout the pandemic, we (like many) were forced to cancel events that prior to COVID would have gone on without question. These were difficult decisions, made in the best interest of the health of our students and their families. From school dances and assemblies to concerts and our traditional graduation ceremony, our world was turned upside down. So you can imagine how exciting it was to be able to resume our Fine Arts Nights this spring. Mrs. Nikki Taylor (Music/Band/Choir teacher) and Mrs. Sarah Chaffee (Art teacher), coordinated two fantastic evenings of entertainment. The first was for elementary students through 5th grade and the second was for 6th through 12th graders. Students had the opportunity to display their impressive art projects and perform amazing music for their teachers and families.

What's more exciting is that as we plan for the next academic year, we are able to resume scheduling all of the milestone and momentous events, including our Christmas concert and assemblies! While we all know God has a master plan and every-

thing happens for a reason, our post-pandemic life has brought about a new appreciation for things which may have been taken for granted in the past. God is good!

Sixth Grade Promotion

To celebrate the milestone of moving from the elementary school to the secondary building, sixth grade students are honored at a promotion ceremony following the weekly all-school Mass. After reciting poetry they wrote, the students were each gifted with a bible by Father Loren Kalinowski, Pastor, and Julie George, Assistant Principal—Elementary.

Once again, I was impressed with the talent of our students as they expressed their personalities through their poetry, which included humor, fond memories, and aspirations of what they believe the future holds for them.

Pictured clockwise below: Mrs. Taylor directing the middle and high school choir on May 22, 2022; the Class of 2028 at their Sixth Grade Promotion Ceremony in the church; and Mrs. Chaffee with second grade student, Elijah Dubridge at the Art Show on April 21, 2022.

FROM THE PRINCIPAL

Mary Kay Yonker, Principal

A milestone year for our family

2022 is a milestone year in our family. Maggie (SHA '18) graduated from Central Michigan University in early May and Emma, the youngest of the Yonker trio, graduated from Sacred Heart Academy May 27. That morning, I told my husband, Steve, that we had accomplished a large parenting goal that day: the goal to have all three of our daughters receive a K-12 Catholic education. At times, it wasn't easy.

Maggie's first Catholic school was St. Michael Catholic School in Brunswick, Michigan, located between Fremont and Muskegon. A 77 passenger school bus stopped at the three Catholic churches in Newaygo County and picked up 15 students to transport them to school, so they could have a Catholic education. Parents dropped their children off at one of the churches each morning and picked them up each afternoon. That school was approximately 30 miles from our house in White Cloud. At the end of Maggie's first grade year and right before Molly started kindergarten, St. Michael's closed (right after its 50-year celebration). We were devastated and didn't know how we were going to keep our girls in Catholic schools.

That summer (2007) we discovered St. Mary Catholic School in Big Rapids, 40 miles from our house and 50 miles from our places of employment, with no bus that stopped at local Catholic churches. Over the next five years we would carpool with friends, hire students from Ferris State University to drive our girls

home, use latchkey services when they had sports, and put a lot of miles on our vehicles. St. Mary's was a K-8 school, so we would need to make another decision for high school. Maggie did her research and thought we should move in time for her to begin 7th grade at

Why choose a Catholic school? There are other schools with small class sizes and rigorous academics. Other schools have award-winning extracurricular and athletic programs. Sacred Heart Academy is committed to the mission of Jesus Christ. Each student receives Catholic

religious instruction every day. The world today has many challenges, and at Sacred Heart Academy, students are taught to rely on God in times of need, joys, and sadness. Even if students stray from their faith for a while, they have a foundation which can't be taken away from them. Students are taught that they are made in the image and likeness of God, that they are loved by God, and that He always wants what is best for them. What could be better than that? Each of our girls left Sacred Heart Academy

ready for the next phase of their life, and we are so grateful to each person who taught them, coached them, guided them, and was a role model for them.

At graduation each year, I remind students that a Catholic education is both a privilege and a sacrifice, and I ask them to thank those who helped them on the journey to graduation. Was it a sacrifice to provide a K-12 Catholic education for our girls? Yes, it was. Was it worth it? Absolutely, and we'd do it all over again! This fall, I begin a new phase at Sacred Heart Academy, coming to school without one of my girls enrolled. While it will be different, they are off doing great things, and I can't wait to see what's next!

Sacred Heart Academy, since that is a transition year for all students. (She did not realize that getting two new jobs, selling and buying a house, and basically uprooting our life would take more than a day or two.) God is good. Steve and I both got jobs, and we only had to live apart for one month! Selling the house was a much bigger challenge, but the girls' education and coming to Sacred Heart was at the top of our priority list.

On August 27, 2012, Maggie, Molly, and Emma started at Sacred Heart Academy in 7th, 5th, and 3rd grades. This decision would change their lives forever (and ours, too). It wasn't until January 2015 that I joined them at Sacred Heart, accepting the role of Principal.

1953—**Betty (Grisdale) Haggart** died April 20, 2022, at Pioneer Golden Estates in Clare, Michigan. Betty's life was committed to her family: being a wife, mother, grandmother, and aunt was most important to her, including running the family business, Ackerman Plumbing & Heating in Clare, with her husband for 59 years. Eight of her siblings attended Sacred Heart Academy: **Kathleen Cochran '35, Margaret Wood '37, Jane Williams '38, Donna Milliman '47, Mary '49, Tom '51, and Jake '56.** Dan Haggart, SHA's Athletic Director, is Betty's son.

1962—**Jack Voisin** passed away July 28, 2022, at MyMichigan Medical Center in Midland, Michigan. Following his return, he joined the Isabella County Sheriff's Department, working as a corrections officer for nearly 33 years until his retirement. Jim was described as a devoted husband, father, and Catholic who believed things work better when people argue less and listen more.

1967—**Kathryn "Kathy" (Meister) Lancaster** passed away peacefully July 10, 2022, in Key Colony Beach, Florida, with her family by her side. Kathy was a cheerleader at SHA and in life. She was a lifelong educator, an avid equestrian, and an advocate for children. Kathy authored several books and articles about adoption and about horses.
