Dear Connie,

In such difficult times for our country and the world, you have added a big dose of Faith, Hope, and love to our lives this week! We (and our children) are so honored to receive the totally unexpected honor of "Alumni of the year" and accept it with pride (and for the many generations of Theisens who loved SHS so much) Thank you and Shelli (Linden-Sims) for your part in this. We are grateful and blessed.

Please accept this check in honor of Roy's dad, Walter Theisen, and all the many Theisens who have benefitted from, and loved "the Academy" so much. My dad (Walt) played football and baseball for Sacred Heart with great pride; he loved the Dominican Sisters (several were relatives) and wore his letter sweater for years!

While we were students, Bill's dad, Al Buschle was President of the Athletic Association. We inherit their love of the school... and Bill's sister Jeannie's family has also added to the Buschle legacy!

Let's "Hear the Irish cheer together"
Rak, rak Sacred Heart
We shall never forget her
Dear old Sacred Heart"

Proudly, Bill and Roy
