June 8, 1923 Isabella County Enterprise reported that "football was not represented on the gridiron last fall but will receive full attention in autumn." But at least two games were reported for 1922 and "McCracken is back as coach" in 1923.  
 11/23/23 Isabella Enterprise notes "must play locals" as BC St James claims a spot in the Catholic State Championship game but were told they must first play Sacred Heart as SHA was undefeated in six contests. BCT and SN reported same noting the championship game went on without St James as they wouldn't schedule SHA. Never clarified if SHA was 6-0 or if there were some ties.
