

# SACRED HEART BASKETBALL HISTORY

Of course the beginning of the Sacred Heart Academy Basketball program is difficult to trace. The March 10, 1921 edition of the Mt Pleasant Times indicates that 1921 was the third year of the Central Normal Basketball. In the March 17, 1921 edition it was reported that Sacred Heart participated. On December 21, 1921 the paper noted that Sacred Heart had joined the Saginaw Valley Catholic League and that Superintendent Ganiard had offered the Mt Pleasant High School gymnasium for practices. The game reported as the first in the SVCL was a December 30, 1921 loss to Merrill Sacred Heart. Although a lot of history may be lost, here is what has been confirmed by newspaper accounts and score-books over the years.
