

## Lions Club's Eighth Grade Student Citizens of the Month

Each quarter, the Mt. Pleasant Lions Club recognizes middle school students from each of the area schools as "outstanding students who model the Lions' motto 'We Serve'" in their Eighth Grade Student Citizen of the Month program.

In February 2025, three outstanding Sacred Heart Academy were included in this recently resurrected program. Congratulations to Maxim Boykin-Lynch, (December 2024, Jack McConnell, (January 2025) and Samuel St. Andre (February 2025) on their achievement.

Teachers work together to nominate students for this award. Maxim Boykin-Lynch, son of Jeffery Boykin and Cara Lynch, was the December award recipient. It was noted that "Maxim has grown a lot over the past year. He is helpful and wants to grow in his learning."

*Jack McConnell*

In January, Jack McConnell, son of Shane and Anna McConnell, was nominated because "Jack is a hard worker, respectful, altar serves at weekend masses and helps with anything asked of him."

February's award recipient was Samuel St. Andre, son of Jeremy and Rhiannon St. Andre. His nomination read, "Sam is always on task and completing work. I have watched him be an awesome team player, even helping a player on the opposing team up when they had been knocked down!"

Congratulations to these fine young men who have earned a reputation for noteworthy ethics and behavior.
