

Rotary Student of the Month

Congratulations to Kallie Smith, the Mt. Pleasant Rotary Student Citizen of the Month, for January 2025. Kallie is the daughter of Matt & Lisa Smith, who are parishioners of St. Michael the Archangel Parish in Remus. She currently holds a 4.00 GPA.

Kallie is humble, kind, dependable, faithful, and truly leads by example. She has had many opportunities to develop her leadership skills through real life lessons learned through the many organizations in which she participates. Kallie is the secretary of the National Honor Society and is also a member of the Key Club, Model UN, Pro-Life Group, and is active in the Sacred Heart Academy Choir, where she utilizes her God-given talent to cantor at weekly Mass on a regular basis. As an athlete, Kallie plays varsity basketball and varsity softball.

Kallie's involvement doesn't stop at school. She is actively involved in our community, consistently giving back through several organizations. For example, Kallie regularly serves as a lector and altar server at her home parish of St. Michael the Archangel in Remus and has accumulated over 100 community service hours through helping with volunteer opportunities such as the Lenten Fish Fry dinners, parish picnics, sports camps for youth, pancake breakfasts, carnivals, elementary classroom help, the annual youth group haunted house, concessions, benefit dinners, and the softball field clean-up. She has also earned community service hours at the 4-H food stand, an organization where Kallie is president for her local group that serves the community and world around us.

Kallie with her parents, Matt & Lisa Smith, at the Rotary Club luncheon on January 20, 2025.

Kallie will graduate in May 2025, and this fall she will pursue a degree in elementary education at Alma college, where she has committed to play softball. Congratulations, Kallie! The sky is the limit!
