

Rotary Student of the Month

Congratulations to Micah Taylor, who was selected as the Mt. Pleasant Rotary Student Citizen of the Month for March 2026. Students who exemplify Rotary's motto of "Service above Self" by being involved in school, community, religious or civic affairs are honored each month during the Rotary luncheon. Micah is the son of Josh & Nikki Taylor, who are parishioners of Sacred Heart Parish. Micah is very talented, intelligent, and faith filled.

Micah maintains a 3.84 GPA while enrolled in AP courses and honors band. In addition to playing the flute and piccolo, Micah is a gifted vocalist. Sacred Heart Academy is privileged to listen to Micah cantor and sing in the choir each week at Mass. Micah's extracurricular involvement through high school includes track and field, cross country, golf, and E-sports.

As a result of Micah's commitment to giving back to our community, he has earned nearly 200 service hours through volunteering at vacation bible school, raking leaves with the Sacred Heart Youth Group, serving at Sacred Heart Parish, at both school and weekend Masses, as an altar server, Eucharistic Minister, cantor, and choir member. While Micah isn't performing at school concerts, he can be found backstage helping with the curtain, set-up, or tear down for the elementary and secondary concerts. Over the last four years, Micah has spent a month of each summer at Camp Sancta Maria.

There, he spent three years as a senior camper and last year as a junior counselor. He credits the camp for being rooted firmly in faith and says it "has tremendously shaped" him into the person he is today.

After graduation, Micah will attend Central Michigan University to study communications before pursuing law school to become a divorce attorney. Micah is driven and shares his reasoning for choosing this niche is to ensure that everyone is held accountable throughout the divorce process and both parties can survive post-divorce. Congratulations, Micah! Your future is very bright!
