

Rotary Student of the Year

Congratulations to Jenna Morrison, who was selected as the Mt. Pleasant Rotary Student Citizen of the Year for the 2024-2025 academic year. This award comes with a \$1,000 scholarship! Students who exemplify Rotary's motto of "Service above Self" by being involved in school, community, religious or civic affairs are honored each month during the Rotary luncheon. One "student of the year" is selected from the exceptional pool of seniors who have been recognized throughout the current school year. Jenna is the daughter of James & Kim Morrison and is a parishioner of Sacred Heart Parish. Jenna is kind, humble, and driven. She has an incredible work ethic which has allowed her to succeed in many leadership roles.

Jenna holds a 4.1 GPA and has been actively involved in many school activities throughout her high school career, including the varsity cross country and softball teams. As an academic leader, Jenna has completed several AP classes and is currently pursuing a certificate for Certified Nursing Assistant (CNA) in Health Careers at GI-TEC. She is also the president of the senior class and National Honor Society, as well as a member of Quiz Bowl, Model UN, Science Olympiad, Language Arts Club and the Business Professionals of America. Jenna further supports the Sacred Heart Academy elementary latchkey program as an employee.

In addition to Jenna's school involvement, she actively contributes to our community, earning over 300 volunteer service hours throughout the last five years. Jenna serves as the Michigan District of Key Club International Governor through the Kiwanis Club and is actively involved with the Sacred Heart Parish youth ministry. She earned her service hours by helping with parish and youth ministry events such as the annual picnic, holiday decorating, vacation bible school, can drives, and many other events. Jenna also earned many hours by helping with school events such as open house, family fun nights, and numerous other activities. She is a true example of living out her faith through selfless giving.

Above, Jenna Morrison is pictured with her parents, James & Kim Morrison, at the May 19, 2025, Rotary Awards Luncheon.

Upon graduation, Jenna will continue her education at the University of Michigan, where she plans to pursue an undergraduate degree in human biology/science before completing graduate school to realize her ultimate career goal as a physician assistant.
