

## SHA Custodial Team Recognized by Students

Recently, Mr. Wheaton's social studies classes pooled their funds and purchased gift cards for our custodial staff. The students honored and thanked the custodians for doing an exemplary job in keeping our school buildings clean. With their dedication, our students have been able to learn in a face-to-face environment all year. Thank you, custodial staff!

Pictured above is our custodial team L to R: Ryan Moore, Grace King, Brittany Pluszczynski, Connie Rease and Andy Theisen Sr. Not pictured are Bobbie McCown and Abby Theisen.

The students handed out mugs of goodies and gift cards.
