

# FAITH IN THE FUTURE

A campaign for Sacred Heart Academy  
2024

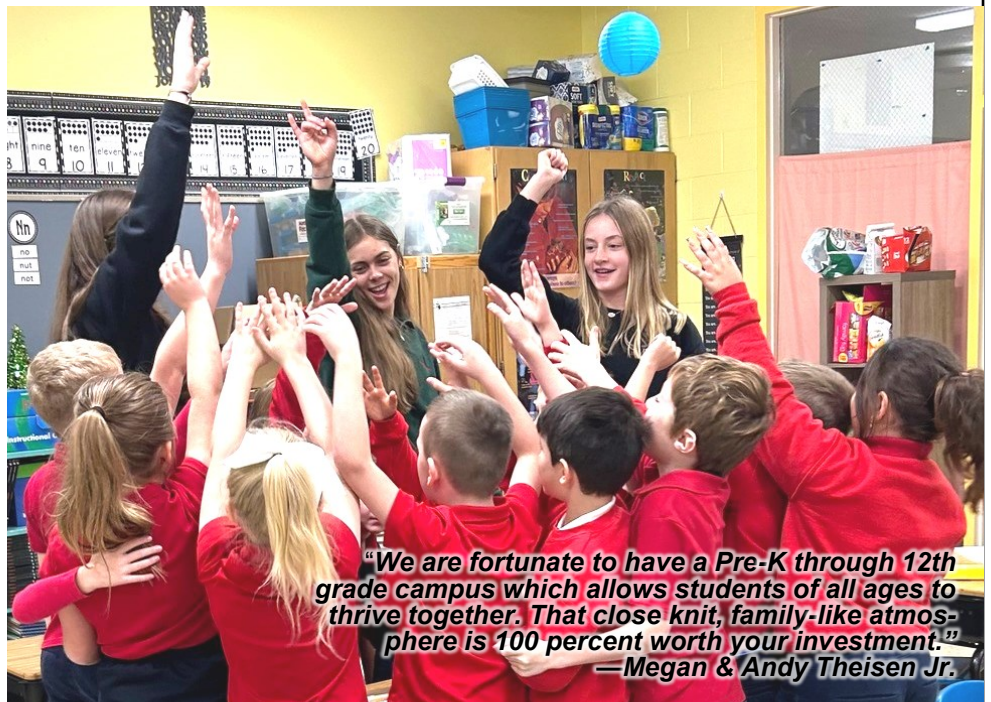

Our **FAITH IN THE FUTURE** campaign is underway—the first capital campaign for Sacred Heart Academy on this large a scale since the gymnasium back in 2000. In the quiet phase, lead donors invested nearly \$1 million, giving us momentum, and now we are inviting our entire community—Academy alumni, parents, parishioners, and friends—to join in this important effort. Soon all should receive a personal invitation in the mail with detailed information. We ask that you prayerfully consider a gift. We need to make necessary improvements to our school to support our enrollment and boost the endowment for teachers' salaries.

Some projects were completed over the summer. All bathrooms in both the elementary and secondary buildings were completely remodeled and updated using handsfree technology. We were also able to replace the bleachers in the alumni gym and repaint that area.

If you do not receive a mailing or would like additional information about the campaign or giving options, please contact **Lindsay Ley** at 989-772-1385 or [LLey@sha.net](mailto:LLey@sha.net).

If you believe in, or have benefitted from a Catholic school education, please help. Make a significant investment to position Sacred Heart Academy for longevity and success. Show us your **FAITH IN THE FUTURE**.

**Lindsay Ley,**  
Sacred Heart Development Director

*"We are fortunate to have a Pre-K through 12th grade campus which allows students of all ages to thrive together. That close knit, family-like atmosphere is 100 percent worth your investment."*  
—Megan & Andy Theisen Jr.

**Campaign goal:  
\$1.5 million**

*Campaign Prayer*  
*Dear Lord,*

**You have blessed us with  
passionate teachers,  
caring support staff members,  
and a dedicated leadership team  
who guide our students  
each school day.**

**We are strengthened by our  
school mission and the  
Catholic education  
mission of Sacred Heart Church  
and its parishioners.**

**Please help us renew our  
FAITH in the FUTURE of  
Catholic education  
as we raise money for  
building improvements to best  
serve our students in your name.**

*Amen.*

**Campaign Chairpersons**

Our volunteers are working hard to win this campaign—no one harder than our chairpersons, Megan and Andy Theisen Jr. The Theisens are leading the **FAITH IN THE FUTURE** campaign because they truly believe in the outcome. "This campaign has tangible improvements for the future viability of our facilities which will help continue to deliver a high quality Catholic education while improving the student experience," they said.
