Dear SHA Foundation,
I would like to thank you for all of the support that you have given to my school. It means so much to me that I am able to attend this Catholic school, but I wouldn't be able to without your generosity. Your commitment to Sacred Heart is greatly appreciated by each and every student.
Thanks again,
Laura Sommer

Individual experiments

Daily activities at Sacred Heart Academy are a bit different this year, but academic standards are not compromised. SHA continues to be the best Pre-K through 12th grade educational choice in central Michigan because the school features:

- Small class sizes
- Morals and values (modeled and taught)
- Hands-on learning
- Dedicated teachers

The SHA Foundation is proud to support student success and teachers' salaries.

The SHA Foundation, an endowment fund to support the mission of Sacred Heart Academy, was organized in 1976 to meet the operational needs of the Academy, specifically teachers' salaries.
