

Sacred Heart Parish Prayer Grotto

One project in this \$1.5M campaign

This campaign will enhance our beloved buildings, have a positive and immediate impact on students currently attending the Academy, and position the school for long-term success.

As part of this campaign, an outside prayer grotto will be constructed on the church grounds which can be used by students, parishioners, and the community. This outdoor prayer space provides another place to welcome those to pray, encouraging them to evangelize to others who are not part of our parish and school community.

"When I come across a grotto in any of my travels, I am filled with the joy of my faith. It is my hope when our prayer grotto is constructed and available, others will share the same joy."

-Mary Kay Yonker, SHA Principal

Additional Campaign projects

In addition to the prayer grotto, this campaign will bring many needed updates and improvements to our buildings, as well as updated safety and security precautions. We also have the goal of providing a boost to the SHA Foundation to continue to enhance teachers' salaries, to continue to maintain relevance in the ever-competitive teacher salary market.

Experience the SHA difference!
