- As many of you know our Homecoming opponent, Ashley, had to cancel for Friday due to COVID protocols with their football team. We have spent the past several days searching for a suitable replacement. However, we were not able to find one.
- Here is the updated plan: There will be a Red and White intersquad scrimmage. The football team will be divided in half and play 5 on 5. The game will have two 20 minute halves. There will also be a 20 minute halftime to honor our Hall of Fame inductees and for recognition of the Homecoming Court.
- We will not charge admission to the scrimmage, but there will be a 50/50 drawing and the concession stand will be open.
- All other Homecoming festivities will go on as planned.
