What

Your
Legacy
Be?

Donors who remember Sacred Heart with a legacy gift make it possible for future generations of our Catholic faith to benefit from the value of parish services, including our Pre-K through 12th grade school.

The Most Sacred Heart of Jesus Parish in Mt. Pleasant provides a place where people can weave faith into everyday life and experience God in many ways. Our doors are open to

people from all back-grounds regardless of where they are on

their spiritual journey. Sacred Heart is more than just a Sunday church. Our parishioners form enduring friendships with fellow members, have many opportunities for Christian service and worship, and strengthen their relationship with God through the sharing of gifts and life experiences.

Donations allow Sacred Heart to strengthen our services, which include operation of the church, our Pre-K through 12 Catholic school (the only one remaining in the Saginaw Diocese), and outreach efforts for the needy. Contributions can be designated for capital improvements, parish operations or special projects.

For more than a century, Sacred Heart Academy has delivered an education rooted in the very best Catholic tradition. This extraordinary combination of faith, community, and tradition provides an unparalleled foundation for the future. The Academy engages students in grades Pre-K through 12 in a culturally diverse educational experience of the highest quality. The well-rounded curriculum offers rigorous academics, service learning, competitive athletics, award-winning arts, and a comprehensive extracurricular program within a nurturing Christ-centered learning environment.

SHA students are inspired to achieve their full potential, open their minds to new possibilities, and are prepared to excel in college and in life. Contributions can benefit facility and technology improvements; classroom, cultural and athletic experiences for students; tuition assistance; or other areas of immediate need.

The Sacred Heart Academy Foundation, Inc., is a non-profit organization created in 1976 to support Sacred Heart Academy. The Foundation is an endowment. Contributions build the principle and the interest earned is given to the Academy to help with annual operational expenses including teachers' salaries.

Alumni, grateful parents, staff members and others committed to the future of Catholic education can give knowing the contribution will continue to benefit students for generations to come. Your investment increases the endow-

The sole purpose of the Foundation is to support the Academy in its mission to educate students with a strong foundation in the Catholic faith. By giving to the Foundation, you help secure the future of SHA and its Catholic school mission.
