

STEM Lab Coordinator

Sacred Heart Academy, Mt. Pleasant, Michigan

Sacred Heart Academy

Sacred Heart Academy, located in Mt. Pleasant, Michigan, is seeking a STEM Lab Coordinator for the 2022-2023 school year. Applicants must have a science background and the ability to work with students and staff in grades k-12. A State of Michigan teaching certificate valid for the 2022-2023 school year is preferred. Catechetical certification and participation in the VIRTUS program will be required of anyone who is hired. Preference will be given to practicing Catholics. The ideal applicant will be someone who has a genuine passion for science, working in a Catholic school, setting up labs for students and teachers of all grade levels, an ability to model science lessons for students and staff, and to communicate effectively with all stakeholders. Teamwork is a must. Sacred Heart Academy is a KP-12 grade school of approximately 460 students. Applicants should submit a résumé, through the U.S. Mail, or electronically. This posting closes when filled. Submit materials to: Mary Kay Yonker, Principal, Sacred Heart Academy 316 East Michigan Street, Mt. Pleasant, MI, 48858, myonker@sha.net.
