

Humphreys and McGahey Selected as Lions Club Student Citizens of the Month

SHA eighth graders, Ainslee Humphreys and William McGahey were selected as the Mt. Pleasant Lions Club Eighth Grade Student Citizens of the Month. Students who exemplify the Lion's motto "We Serve" by being involved in school, community, religious or civic affairs are honored each month during the Lion's Club dinner meeting.

At Sacred Heart, Ainslee enjoys Science Olympiad, Builders Club, band and sings in the choir at our weekly school Mass. Outside of school, she participates in dance, 4-H and being a ball girl for CMU women's basketball team. She volunteers where needed including the William and Jan Strickler Nonprofit Center, The Laurels, Mountain Town Rehab and Gill-Roys.

William is the president of our Builders Club and plays basketball here at SHA. He also plays soccer for Extreme Soccer Club. He is enrolled in the online Notre Dame Ignite Connection Program for high-achieving students. Will has volunteered with the TOPSoccer program for the past 10 years where he helps youth with disabilities to learn and play soccer. As a member of the Builder's Club, he helped raise money for the Eliminate Project which provides tetanus shots to women and their unborn children, thus saving their lives.

Ainslee and William were recently honored by the Lions Club at a dinner meeting at the Comfort Inn Convention Center. Congratulations, Ainslee and William, and parents, Peter and Dawn McGahey and Kevin and Mary Lee Humphreys.
