

Kinney Recognized by American Chemical Society

Congratulations to SHA sophomore, Matthew Kinney, who was recently honored by the Midland Section of the American Chemical Society at their annual recognition banquet. Matthew was selected to represent SHA because he shows enthusiasm and outstanding proficiency in Science and is a leader in class. He excels in his Chemistry class and helps those who need assistance. Due to his academic competence and his exceptional work ethic, Matthew has the potential to reach great heights in his chosen career. He and 22 other high school students from throughout the MidMichigan area were honored during a dinner banquet held at the Great Hall Banquet and Convention Center at Valley Plaza Resort in Midland. Congratulations, Matthew, and parents, David Kinney and Nancy Herman-Kinney.
