

Model UN had a tremendous season and captured another league Championship! In securing this Championship, Sacred Heart dominated the scoring in each of the three meets and won by a significant margin. In competition where LOW score wins, Sacred Heart recorded 12 points, while other league schools recorded scores of 56, 58, 61, 67 and 80! So, as you can see, our young men and women won by a wide margin!

At the meets, the six league schools each represent five countries from around the world. They work to study a global issue, write a resolution, and read that resolution to the assembled delegations in hopes of getting it passed. Sacred Heart teams finished 1st, 2nd, 4th, 5th and 7th out of the thirty country delegations competing.

Members of the Model UN team are as follows: 1st place representing Qatar: Lesley Armah, Michael Zaroni and Tjark Krumwiede; 2nd place representing Mozambique: Ben Wilson, Spencer Moore, Roman Addison, Mark Moore and Daniel Kostrzewa; 4th place representing Denmark: Wyatt Owen, Angela Petras-Gourlay and Hunter Goffnett; 5th place representing Iceland: Michele Reinke, Sammy McConnon, Matthew Kinney and Rosie Maloney; 7th place representing Argentina Maca Peralta, Catie Noggle and Samantha Reid.

In addition to country delegation honors, Sacred Heart captured individuals honors as well. All-Conference recognition was given to Lesley Armah, Ben Wilson, and Michele Reinke. Honorable Mention recognition was awarded to Maca Peralta.

Great job to the seniors in the leadership they provided and good luck to the team next season!
