

Sharing our Catholic faith

I feel blessed to be working here at the Church where I am able to see so many demonstrations of faith. Monday through Friday I witness many people stopping by the Church throughout the day to spend time with Our Blessed Lord, present in the tabernacle. I am uplifted when I see the faithful streaming into Church for the weekend liturgies where we receive the Body of Christ. Like me, I know you too feel deeply blessed that we have our rich Catholic faith to support us in both good as well as difficult times.

Like you, I often wonder how much richer the lives of others would be if they accepted and practiced our Catholic faith. Our OCIA program is one in which people can learn about the wonderful faith that we joyfully practice. The program takes place here at the parish on Monday nights at 7:00 p.m. from September until the Easter Vigil. We need your help in inviting people in our community to participate in the OCIA process.

Please ask the Holy Spirit to guide you into conversations with co-workers, neighbors or family members where you will be able to invite them into a discussion of the faith that you cherish. Have anyone who is interested in our Catholic faith contact the parish at 989-772-1385.

May God richly bless you and those you love.

Deacon Jim
