

Congratulations to SHA senior, Maca Peralta, who was named a Scholar for the National Hispanic Recognition Program. Maca received this honor for a successful performance on the PSAT/NMSQT last October. She scored in the top 2.5% among Hispanic and Latino test takers in our region. She was invited to complete the application process, and because of the credentials she submitted, Maca earned the highest distinction of Scholar. Maca will be in the running for various merit-based scholarships resulting from this distinction.
