

Hey Fans!

With the SHA football 🏈 game this Saturday at 1pm, we kick off our "Play For Life" (aka Dig For Life) campaign! We 🤝 teamed up with the Cheer 🎉 and Football 🏈 teams to make an even bigger impact on our community, because the more the merrier, right? 😊

Each October, the volleyball players choose a member or organization in our community to give back to. This year, we are supporting one of our own JV players, Jordan Hosking, and her family. Jordan's mother, Marcy, recently found out her cancer has returned. We will help the Hosking family fight and BEAT this cancer once again!! 🙏

Because of Covid, our Play For Life event will be a little different this year. How can you help our SHA family?

1. Wear something pink to the football game on Oct 10 and to the volleyball game Oct 27! [See highlights from Oct. 10 football game here.](#)
2. Purchase a "Play for Life, Play for Marcy" t-shirt or sweatshirt (or purchase multiple!)- all proceeds go toward our final donation.

4. Share! Share! Share! Copy and paste this post to your social media! Help spread the word!
5. And as always, prayers for the Hosking family, because as part of the SHA community, we are all family. 🍀

To Marcy, Jordan and Brennan: Through God's strength, we stand with you throughout your journey. We love you and know that you WILL prevail!
