

SHA Senior National Merit Semifinalist

Congratulations to SHA senior, Rebecca Collins-Pfeiffer, who was recently named as a National Merit semifinalist. Students who score in the top one percent of US high school students on the preliminary SAT (PSAT) test taken by juniors receive the honor. In addition to scoring requirements, the semifinalists must submit a detailed application which includes an essay, their academic record, participation in school and community activities, demonstrated leadership abilities and have a comparable score on the SAT test. These academically talented high school seniors have an opportunity to continue in the competition for some 7,500 National Merit Scholarships worth about \$31 million that will be offered next spring. Rebecca is the daughter of Dr. John Pfeiffer and Dr. Tracy Collins.
