

Wyatt Owen Selected as Rotary's Student Citizen of the Month for April

Congratulations to Sacred Heart Academy senior, Wyatt Owen, who has been chosen as "Mt. Pleasant Rotary Club Citizen of the Month" for April. Students who exemplify the Rotary motto of "Service above Self" by being involved in school, community, religious or civic affairs are normally honored each month during the Mt. Pleasant Rotary luncheon; however, due to COVID-19, the students were honored through a Zoom meeting. Wyatt is the son of Sue Ellen Deni-Owen and Scott Owen.

Wyatt has been a leader at SHA while serving as captain of the baseball team and co-captain of the football team where he was honored as an all-conference and all-region player. He was also captain of the Quiz Bowl Team that won a State Championship and was a four-time conference championship team. Wyatt was honored as an all-conference player and was chosen as most outstanding Quiz Bowl player. He also participated in our Model United Nations team, which won the MSAC conference twice.

Wyatt is respectful and kind. His friendly quiet manner makes him a great role model for our younger students. He can be counted on to do the right thing. His community service outreach activities include serving as a leader at Sacred Heart Parish Vacation Bible School and volunteering as a judge at the Chippewa River District Library Lego Competition. He has also been a regular volunteer at the Athletic Association fish fries.

Wyatt has earned 12 college credits while being dually enrolled at SHA and Mid Michigan College. With a GPA of 3.82 he has been accepted into the James Madison College at Michigan State University and will study Political Theory and Constitutional Democracy. He plans on making a name for himself in politics and eventually running for the US Congress. With his strong academics and effective leadership style we know Wyatt will be successful at MSU and beyond. Congratulations to Wyatt and his parents on
