

Rotary Student of the Month

Congratulations to Ainslee Humphreys, the Mt. Pleasant Rotary Student Citizen of the Month for April, 2023. Ainslee is the daughter of Mary Lee and Kevin Humphreys and holds a 3.94 GPA.

Ainslee with her parents, Kevin & Mary Lee Humphreys, at the Rotary Club luncheon April 17.

Ainslee is a good friend to her classmates and has been involved in many extra-curricular activities throughout her high school career at Sacred Heart Academy. During all four years of high school, she has been a member of the Key club, Varsity Cheerleading team, Academy Choir, the Varsity Quiz Bowl team, where she was captain during 11th & 12th grade, and the Science Olympiad team, where she was captain during 12th grade. Ainslee was also a member of the Film Club and National Honor Society during her 11th & 12th grade years. During her senior year, she was the public relations manager of the NHS. Ainslee was also a member of the Model UN team during her senior year.

Ainslee has given back to our community in many ways. She is very involved at Sacred Heart Parish, where she volunteers at Mass through the Music Ministry, as a Eucharistic Minister, Altar Server, and a Mass Buddy to the younger elementary students. Ainslee is also very involved in the Parish Youth Group, where she participates in a variety of community service events and youth retreats.

During her freshman and senior years, she was responsible for running the Elementary Quiz Bowl program (no program sophomore & junior years, due to covid.) Ainslee has also been the president of the the 4-H Community Service Club and helped with the Elementary Cheer Clinic and VBS all four years of high school. As a member of the SHA Key Club, Ainslee helped with the coat drives. She also volunteered as a team leader in 10th, 11th, & 12th grade at the MSU Exploration Days.

Ainslee will graduate in May and plans to attend Central Michigan University in the fall, where she will double-major in psychology and sociology: social and criminal justice. Congratulations, Ainslee!
