

Rotary Student of the Month

Congratulations to Angel Brown, the Mt. Pleasant Rotary Student Citizen of the Month. Angel is the daughter of Damon and the late Keisha Brown and holds a 3.83 GPA.

Angel has been a member of the Key Club since her sophomore year, where she has supported our school and community through many events, such as Coat Drives and Christmas Outreach. As a junior, she was inducted into the National Honor Society and served as class president, when she led her class to a homecoming week victory. Angel is also heavily involved with the Keisha Y. Brown Angel Wings Fund, which is an organization that raises monetary support for families impacted by cancer. In serving the organization, Angel has assisted with several fundraising events, such as the CMU Cornhole Tournament, Miles for Miracles, and delivering Thanksgiving dinners and Christmas gifts to families. Additional community service events include volunteering at the Sacred Heart VBS and summer volleyball & basketball camps for youngsters.

Angel is also very talented, athletically. She played varsity volleyball and basketball all four years of high school. In volleyball, Angel was named first team all-conference and all-region her junior and senior years. Also, in her junior year, Angel earned second team all-state and in her senior year, she earned first team all-state, when she was also the team captain. This past fall, Angel led the SHA volleyball team to their first State Championship!

In basketball, Angel was the team captain during her senior year, when she also was named to the second team all-conference. During the four years she played basketball for SHA, the team earned district titles every year.

Upon graduation, Angel will attend Guilford College in NC, where she received a scholarship. She will major in sports management with a double minor in business and sport marketing, before pursuing a master's degree in the athletic field. Congratulations, Angel! Your hard work has paid off!
