## CHECK US OUT!

After the Centennial celebration of 1989, Sacred Heart Academy began its second century of educational excellence.

The 100th birthday caught the attention of the media, town and SHA alumni. But with a new seven through twelve grade structure, an exciting sports program, increased academic production by students and a vibrant professional staff, people just couldn't help but CHECK US OUT!

## ACTIVITIES

All school and no activities make for a dull student body, but no one could claim boredom if they wanted to be involved in the numerous activities happening at the Academy.

Contests, musicals, banquets, sales campaigns, dinners and fish fries were some of the many special events that took place outside the classroom.

Having such a wide variety of choices made students take a long look at their schedules and CHECK IT OUT! when it came to activities.

## POETRY FISH FRIES

The Career Development Week Poetry Contest uncovered many talented poets at Sacred Heart. All of the Mt. Pleasant area winners hailed from Sacred Heart: first place winner was senior Mary Beth Pope, second place winner freshman Teresa Hackett, third place winner freshman Laurie Hovey. Receiving honorable mention were seniors Jill Thelen and David Long. Pope's poem, "The View From The Top" went on to win first place in State Competition and third place nationally.

"Fish fries have great food and are always enjoyable even when you're working because you're doing it with friends."—Chad wright

The fish fries pulled in money for many groups. They were well attended and kept workers busy, constantly filling the pans of food. These fundraisers required work and cooperation to run smoothly. Workers felt these were huge successes. According to Anne Murphy "Fish fries are great fund raisers. It's a lot of work, but it will always pay off."

The Prom was held May 12 in Centennial Hall. "A Touch of Class" was the evenings theme. The event was well attended and deemed a great success by all who were present. Elegant dress and dancing were the order of the evening. SADD sponsored a breakfast following the end of the dance in the cafeteria.

Confirmation was a very special and fulfilling event for many of the juniors and seniors at Sacred Heart along with many students from Mt. Pleasant High School. The day consisted of a regular Mass presided over by Bishop Untener, along with the confirmation ceremony, followed by refreshments.

Everyone received a welcome by the parish as newly added adult members of the church.

## JR. SR. BANQUET

The Junior/Senior Banquet was filled with laughs, and excitement, and was a huge success. The food and service was excellent. The highlight of the evening was when the Juniors put on the skits, in imitation of the Seniors personalities and everyday life. Soon after the skits, the Seniors got their chance to express their feelings towards the Juniors during the presentation of the wills. Overall the evening was a huge success.

## J.A. CENTENNIAL

"It was so much fun. We all worked together and accomplished our goals."—Wendy McConnell

The Junior Achievement program came up with a seed company, "Up, Up and Away". They sold seeds at Wal-Mart, sold door to door, and outside the church. They also sold stock in the company, working hard to come up with a large profit. They had to package seeds, weigh seeds and make posters. Mrs. Nancy Fitzpatrick and Mr. Dave Eichberg were advisers. "The nine of us grew together as one to form a company. With our hand work and tough decisions we were able to realize what the real business world is like."—Patty Pacholka

The centennial of Mt. Pleasant was a major event this year. There were quite a few activities, based around it, in which Sacred Heart students were involved. Stacy Laurence, a junior, was one of them. She was involved in giving a speech during the town meeting about what people who lived here for most of their lives thought about the community now.

## MUSICAL

On Wednesday, May 9, 1990, Sacred Heart put on its first major musical production, "Finian's Rainbow." "Finian's Rainbow" is about a man named Finian McGeoneran who moved from his homeland, Ireland, to seek good fortune in America, with him, he brings his daughter Sharon McGeoneran.

In the sequence of events, a leprecaun named Og, accuses Finian of stealing his pot of gold. In actuality Finian did steal the Gold, but he only wanted to bury it in Fort Knox so he could become rich.

Towards the end, many characters make the mistake of making wishes and it leads to trouble.

The leading actors and actresses were: Kristena Frick as Finian McGeoneran; Caolyn Brocavich as Sharon McGeoneran; Jerry Seybert as Woody Mahony; Leslie Theisen as Og; Kent Sorenson as Sentor Rawkins. Many of the students participated in the musical. The performance was well received. Overall, the Musical was a huge success.

## PEOPLE

Sacred Heart Academy has a wide diversity of people that make it an interesting and exciting place. Thirteen year old junior high students just starting to experience changing classes, sports and dances intermix with eighteen year olds set on career paths.

A blend of religious, lay, female and male staff members make for a wide diversity of backgrounds and teaching techniques that broaden Academy students horizons beyond our hallways.

# SENIORS

The Senior class of 1990 was a very unique class. Each as individuals had many differences, but the students learned how to resolve their problems.

The Class of 1990 was a very academic one; over half of the class was on the honor roll for three years. Many of the students competed and excelled in government and English oriented events.

In the sports program, the Seniors showed spunk and pizzaz at games and the players did their best during competition. Mick Natzel received special honor—All State for his basketball ability. Also honored for basketball were Linda Eppe and Nikki Potter.

Over all; 1990 was special and precious to all the seniors, for it was their last year.

At graduation time, a time of departure, each individual thought back on their past four years and remembered this time.

It was scary, joyful, and even sad to see their life long friends who they have known for twelve years go on their separate path.

We wished best of luck to the Class of 1990, wishing that all your dreams and ambitions would come true.

# JUNIORS

"We're just a bunch of unique people trying our hardest to be the best."

The junior class motto should have been, "To never to miss a basketball game, volleyball game, cheerleading competition, or school sporting event." They have so much class and school spirit, they put the rest of the student body to shame. This year, the Junior girls, during both the basketball and volleyball seasons, made decorations for the gym for the big games, showing how proud they were of their friends. Whenever there was a sporting event, whether it was out of town or right here in the Irish gym, there were always juniors in the stands, letting the team know they had their support. They even went to Saginaw Vally State University to see the cheerleaders compete in state competition.

Being major sports supporters is not the Junior's only claim to fame. They are very supportive of each other academically, also. They are a very tightly knit group. They will stick together, no matter what. There are no "in" groups, no "out" crowd, just good friends and good fun. They don't shun some of the other classes, either. Everyone is part of the close crowd we call the class of '91.

## JUNIOR HIGH

Junior High officially moved into the high school building this year. Three home rooms were located in the original high school structure. Junior High students went to Mass with the high school and also attended some formerly high school only assemblies and activities.

Classes were taught by Sr. Jo, Mr. Dobruk, Mrs. Stuart, Ms. Hull and Mr. VanHala. Each student took math, social studies, religion, science, language arts, English, art, vocal music and computers. They also participated in dances and were involved in sports and cheerleading.

An active student council sponsored a Rock In-Lock In along with other activities. The highlight of the year was the eighth grade trip to Cedar Point.

## CLUBS/ACADEMICS

Academics are the corner stone of Sacred Heart Academy. Our long-standing tradition of academic excellence and preparing graduates for the rigors of college or work was not altered in our 101st year.

Clubs complimented classroom subjects and broadened the academic experience for many students.

University, business, and Armed Forces recruiters know that we turn out top graduates and come to the Academy to CHECK IT OUT!

## BUSINESS

The Business Department at Sacred Heart offers classes in Economics, Accounting, computers, typing and office practices.

Mrs. Fitzpatrick taught all of the subjects with help from Mrs. Stuart. Typing and computers are required courses toward graduation. These requirements made those rooms popular places during students study halls and before and after school.

BPA is a twenty-five member organization whose members compete in business competitions against other students at the local, state and national level. Following qualifying competitions held in Mt. Pleasant, members went to Detroit for state competition. The financial speculists team of Suzie Fountain, Pat Larrance and Anne Murphy placed fifth in the state. Money for the trip was raised by the club and their sponsor, Mrs. Fitzpatrick.

# ENGLISH-LANGUAGES

The English and Language Departments at the Academy offered many varied courses to expand student's knowledge. Latin and Spanish was taught at two levels by Mrs. Alverado and Sr. Thaddeus, both of which taught English along with Mrs. Curry. Writing skills were stressed at all levels, helping students learn to better communicate their ideas and concepts.

Father Don, Miss Hyde and Miss Gagnon taught Religion classes for the high school. Religion taught students about many facets of life, as well as death. Debates and discussions were often the rule as students expressed their opinions.

JCL, Spanish Club and Spanish National Honor Society were groups designed for students to enhance their experiences in Latin and Spanish. A number of activities ranged from field trips to special ceremonies honoring top students.

Mr. Durocher taught the majority of the classes along with Mrs. Curry and Mrs. Alvarado. Healthy debate about the democratic process and our country's role in history made for interesting classes. A highlight was a visit from Senator John Engler.

Three groups formed representing the Democratic Party, the Republican Party and Independent Thinkers. These groups met regularly to discuss their views and many students got involved in joining the political process at a grass roots level.

# CHOIR DRAMA BAND

The concert choir held many performances; their first major performance was the Christmas concert "A Night of Wonder".

Some members performed solos, such as "O Little Town of Bethlehem" sung by senior, Tena Frick, and "O Holy Night" by senior, Leslie Theisen.

The choir made off with a first place in this year's talent show, singing "Yellow Submarine", originally recorded by the Beatles. Tena Frick and Leslie Theisen placed second and third. They were sponsored by the Performing Arts.

The Drama Department consisting of only six members, decided to perform a serious play, "Highchairs", instead of a comedy.

"Highchairs" was about a girl who is faced with the dilemma of caring for her elderly parents who were physically and mentally handicapped.

Their other major play was "Finian's Rainbow", a musical.

## SCIENCE, MATH, P.E.

The Science Department taught a variety of subjects including Physics, Chemistry, Biology, and Anatomy. Ms. Konwinski and Mrs. Block taught these subjects to high school students. A variety of experiments, animals and dissections helped illustrate lessons.

Mr. Cooper taught Algebra I and Algebra II along with Pre-Calculus in the Math Department. Ms. Konwinski taught Geometry. Two years of math are required for graduation from SHA. Students "figured" out ways to pass these classes along with their other scheduled subjects.

Health and Physical Education were required for Freshmen. Ms. Hyde taught Physical Education and lead the ninth graders in a variety of physical activities. Ms. Konwinski taught Health. This class taught proper nutrition along with respect for our physical well being.

THE SCIENCE DEPARTMENT provided many hands on experiences for Academy students. Here a rabbit is dissected during Anatomy class.

# SADD, YEARBOOK

This yearbook staff this year consisted of only six people, but it was overflowing with talent. The yearbook staff was headed up by the grade school principal, Kris Kirby. He taught the young students much of what it takes to make up a high school yearbook. Andrea Hosking summed it all up in three words, "It's a blast!"

The SADD (Students Against Drunk Driving) club here at Sacred Heart is very active. Co-presidents Jenny Lambert and Kent Sorenson have held many fund raisers this year. Fish Frys, Sold carnations for Valentines Day, hosted a dance for the junior high, and held a prom breakfast. All of the members of SADD work hard, thinking up ways to keep their fellow students safe.

Many elementary students as well as Junior and Senior High students benefited from their help. Office aides performed many duties for Sr. Rita, Sr. Helen and Mrs. Most. Filing, typing, running errands and sorting mail were just some of the many tasks they helped with. Their presence made for a smoother running office.

## SPORTS

Over one half of the students in our school participate in the sports program at Sacred Heart Academy.

Many long hours of preparation, bus rides and games made students balance studies and competition along with a social life. Entrance into a sports league after eighteen years of independence gave teams and players additional goals to aim for. Our teams success made the long bus rides worth the hassle.

Attendance was large at Academy sporting events. Because of our winning tradition, people wanted to come and CHECK IT OUT!

"The team performance level exceeded talent level!" said coach Mike Dobruk. "The highlight of the season was when we beat Flint Holy Rosary."

The Irish opened with a 14-6 win over Vestaburg, but with a 28-6 loss to Ashley followed by a 30-8 loss to Byron, it felt good to get a 24-14 win against Genesee. "Golf was great this year, everyone improved drastically." Todd Hackett

The cross country team may have had two members, but they were tough competitors. The team ran against Mt. Pleasant High School, and other opponents in their meets.

The next meet was a big one for Hedlun and Julie, it was "The Clare Grades Invitational." Hedlun improved his time by 2 minutes, and Julie improved her time by one minute. At this meet, they ran against members of the same grade level. Hedlun placed 12th overall. This meet helped them to improve their running ability.

Julie gained All State status at the class D meet at Frankenmuth. She covered the course in a time of 23:01 for a 9th place finish, an improvement of 2 minutes from last years state meet.

The golf team had an excellent season with a dual meet record of 10-3.

Under the direction of veteran coach Charles Lux the team placed second in the state meet.

The team consisted of Seniors Scott Jackson and Casey House; Juniors Todd Hackett, Ryan Baumgarth and Paul Gostola; and Sophomore Brian Rush.

"There was a lot of competition this year, especially at the State Finals," said Ryan Baumgarth. With a strong finish the team nipped St. Francis by one stroke to bring home the runnerup trophy for the fourth time in school history, capping a season that saw the Irish ranked in the top ten teams throughout the year.

# VOLLEYBALL

"Being on the volleyball team was lots of fun. We were a Gr-r-r-eat team. We worked really hard but also had a lot of fun."

—Tando Goduka

The junior varsity volleyball team had a record of 10-5, showing enthusiasm and dedication. Their coaches were Mrs. Carol Hackett and Mrs. Jana Tousignant. They mixed work with fun and it brought them a very successful season. The team had three freshmen, five sophomores and four juniors.

This years Varsity Volleyball team consisted of Juniors and Seniors. They had an astonishing amount of talent and great potential, though their record didn't show it. Junior Jenny Zeien said, "It just goes to show winning isn't everything. Just look at our record."

The varsity girls learned a great deal about both the game and themselves. With coaches Jana Tousignant and Carol Hackett, the team played 15 regular season games, 8 of those games in Sacred Hearts conference, and played in 2 tournaments; the Saint Louis tournament and the league tournament.

Despite their poor record they did well in the tournaments. They also had a fun, if not winning season.

"It was experience beyond everything and everything I ever thought of," was the way sophomore Chad Wright described the 1990 track season.

Working hard led to a decrease in all team members' times. Wright and senior Karl Carson threw shot and discus, while sophomore JoAnn Surma, junior Krista Heise and freshman Lori Hovey threw for the girls. Long jumpers were juniors Edan Hosking, Betsy Balogh and Melanie Suida. The guys' 440 relay and 880 relay teams consisted of Hosking, sophomore Jerry Seybert, and seniors Chris Paholak and Bill Meier. The girls two mile relay team was seniors Anne Murphy and Mary Beth Pope, and sophomore Julie Koenig and junior Carolyn Brocovich.

Individual winners were: Seybert—400m dash, Paholak—200m dash, Koenig and Brocovich—open 2 mile, Balogh—200m dash.

Seybert credited the coaches, Mrs. Jodi Block and Mr. Kevin Walters, with the team's success. He said, "Track was great this year and we were very competitive. We owe a lot to Mrs. Block and Kevin Walters."
