FOR
EVERYTHING
THERE IS A
SEASON

For everything there is a season,
and a time for every purpose under heaven:
a time to be born, and a time to die;
a time to plant, and a time to reap;
a time to kill, a time to heal;
a time to break down, and a time to build up;
a time to weep, a time to laugh;
a time to mourn, and a time to dance;
a time to cast away stones, and a time to gather stones together;
a time to embrace, and a time to refrain from embracing;
a time to seek, and a time to lose;
a time to keep, and a time to cast away;
a time to rend, and a time to sew;
a time to keep silence, and a time to speak;
a time to love, and a time to hate;
a time for war, and a time for peace.

FALL

FALL EVENTS

Smiling Seniors

The fall season was composed of many special events. One of them was freshmen initiation. Being welcomed into our school is a lasting experience for some freshmen.

Initiation kept everyone laughing. Between bobbing for onions and showing off their muscles, the freshmen entertained us all.

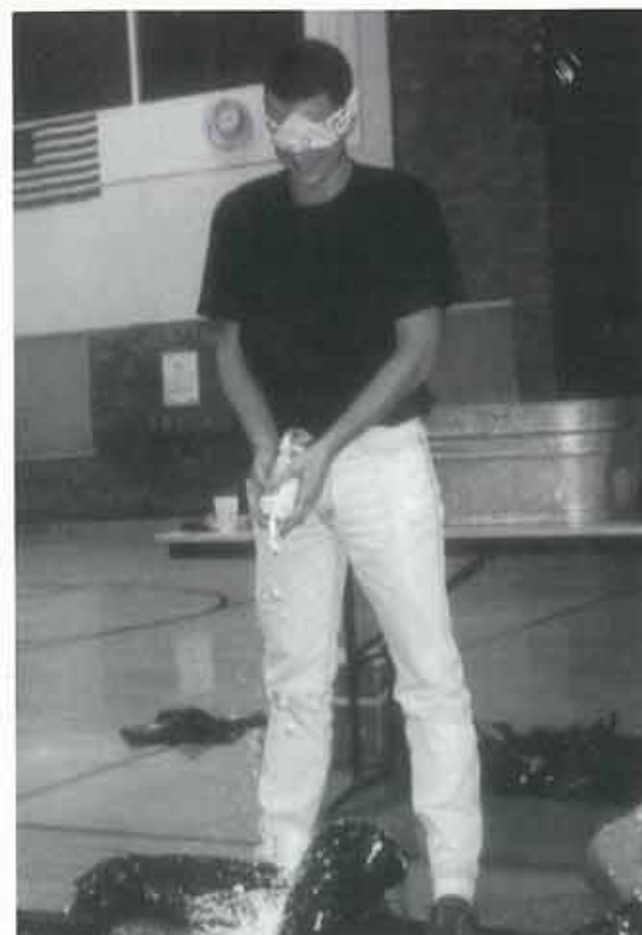

Along with initiation came other special events. Homecoming, the parade, floats, choosing the court, the game and the big pep assembly. The week before homecoming every class was busy working on their float. The court was picked and already preparing. The day of the parade was perfect, the court looked wonderful and so did the floats. The parade was a success and everyone's spirits were high.

The night before homecoming was the big game, and the pep assembly. At the pep assembly every class put on a skit about a commercial. In the homecoming game our football men gave a great effort and everyone had a lot of fun.

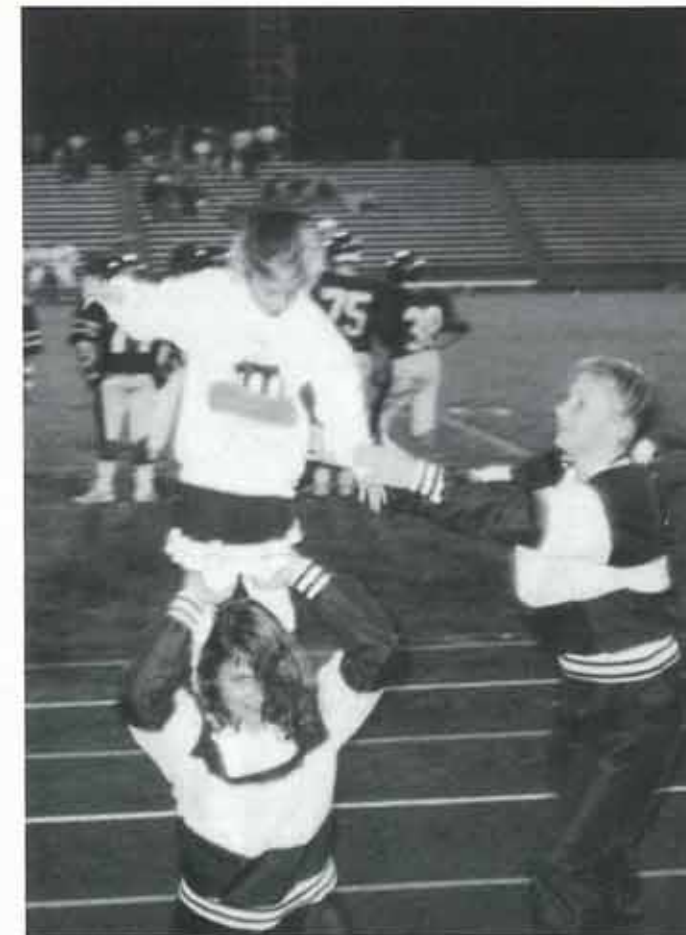

Next it was off to the dance. It was held at Riverwood and hosted by CFX. Everyone looked great all dressed up, and had a good time laughing, dancing and eating. All the events surrounding homecoming 1990 were a big success.

Homecoming is a pretty time of year.

HOMECOMING

Homecoming 1990 was a big success and created a lot of special memories for everyone. No one will forget the fun times they had picking the court, picking their dates and going to the dance. Everyone involved with homecoming had a tremendous time.

The homecoming court looked great and everyone knew they had chosen them well. The main event of homecoming was of course the dance, which was held at Riverwood. It was DJ'd by Show CFX, who did an excellent job playing both slow and fast songs to please everyone. Of course everyone was all dressed up for the big event and showed up looking great.

The S.H.A. homecoming could undoubtedly be called a success by all who attended.

FALL SPORTS

Mighty Irish

"This year our goal was to play all nine games," said Coach John McCann.

This year the Sacred Heart football team had an irregular year winning one out of nine games played.

The reason for this may be that at the beginning of the season only 13 players were recruited to play for the Irish.

Although the new coach thought Dansville was the hardest, Junior Eddie McQuaid thought differently, he thought Byron was the hardest.

This year there were not many new players only two freshmen played.

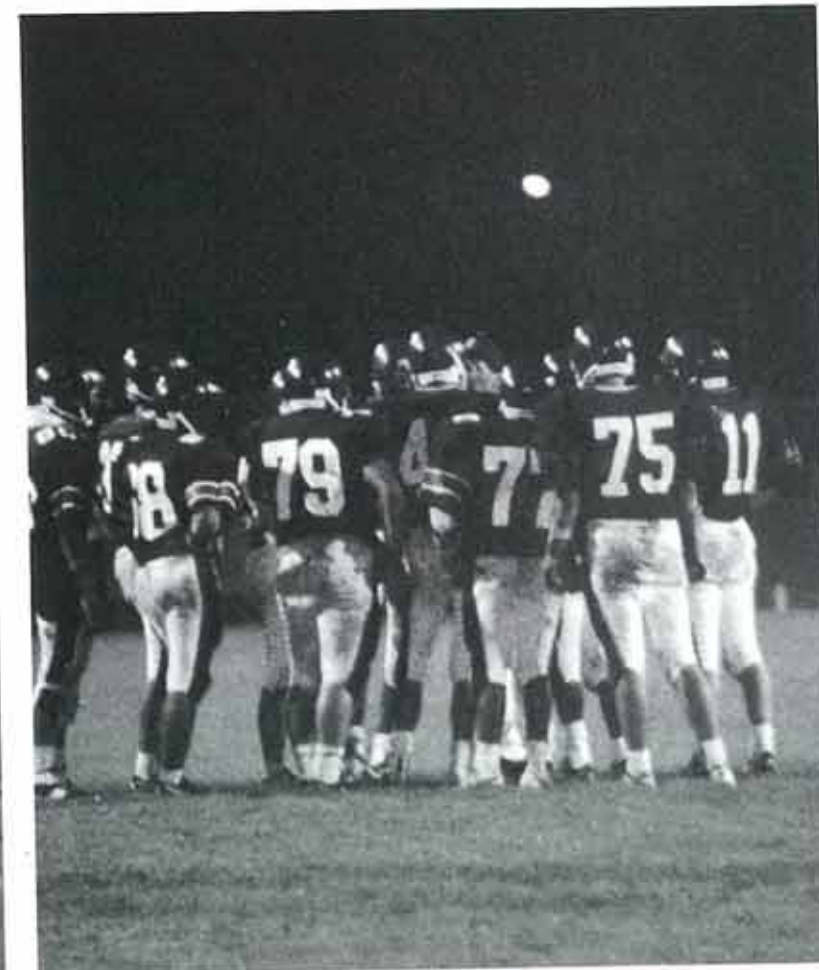

Coach McCann also said "that the new players helped greatly & played really well."

Rob Ervin got an Honorable Mention, All Conference Offense, and Tim Audretch, 1st Team All Conference Defense, and an Honorable Mention All-State.

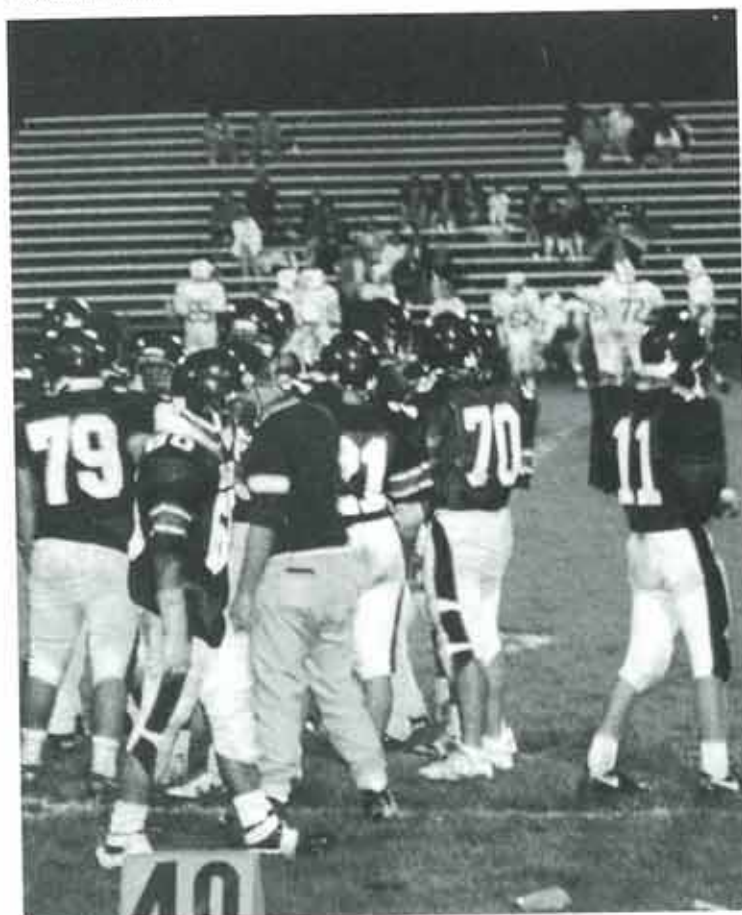

Although their record didn't show it they are still first place with us.

Up to Par

One must have a lot of patience and concentration while playing golf. SHA's 1990 golf team showed both of these qualities during the 90-91 season. Seniors Todd Hackett, Paul Gostola, and Ryan Baumgarth led the team throughout the season. The team was proud to place first at regionals, held at SHA.

"It was a very up and down season" commented Todd Hackett, senior. The team's goal was to win the state finals, they did not accomplish this goal, but were satisfied with the season's record. Ryan Baumgarth, senior, made all area first team. Ryan enjoys golf because he will be able to play it all his life. The players gained much experience from playing golf during the 90-91 season. "I have gained the ability to concentrate on playing the course instead of the other team," stated Todd Hackett, senior. Paul Gostola, senior, enjoyed the challenge of a different course each match. Coach Charlie Lux thought the season was, "very encouraging, the guys were disappointed that they could not have won finals, but they held together as a group." The golf team had a great season. Good job guys!!

Running for a Victory

"Work" is how Julie Koenig, junior, described this year's cross country season. Although there were not enough runners to compose a team, the results from invitational were outstanding.

The sparse but competitive cross country runners this year consisted of Jeremy Ervin, Freshman; Jerry Seybert, Hedlun Walton, and Julie Koenig, Juniors; and Carolyn Brocavich, Jason Fokens, Brian Gaede, Edan Hosking, and Matt Schmid, Seniors.

The cross country coach was the well-known Dan Simons who described this season of coaching as, "Fun." As this being Simons first year coaching cross country he admitted that it was all pretty difficult just because of his inexperience of coaching the sport. "Experience working with young adults" is what Simons feels he has gained while coaching this season because he stated that he hopes to coach for the rest of his life.

Considering all the obstacles the coach and the runners had to overcome, the cross country season of 1990 turned out memorable and the season results were outstanding.

VARSITY

"To help out my team anyway possible," was Jenny Zeiens, senior, accomplished goal for the 1990 varsity girls basketball season. The Irish team consisted of six seniors, one junior, and one freshman.

The teams final was 13 wins and 8 losses. Some varsity players felt they could have performed better on the court as senior Andrea Campbell said, "I felt confident, I thought we had potential to win every game."

On the average the team was satisfied with their record. "Having a small team we had to be careful not to get into foul trouble," commented Michelle Gray, senior. In the SHA conference were many competitive teams, one of which was Ashley. SHA has not dominated Ashley since 1982. This years varsity girls struggled through and came out on top to make that a very proud victory for the girls.

Kelly Hansen, the coach of this years team describes this years season as, "Exciting." Two of Hansens goals for the season were to have fun and to be one of the top three teams. These were both accomplished goals since the team ended up third. The varsity girls had great accomplishments and enjoyed their winning 1990 season.

JUNIOR VARSITY

"Successful" is how Laurie Hovey, sophomore, describes this season and successful it was, with an outcome of 18 wins, 2 losses. The team has gained much from this season as Jamie Powell, sophomore, explains, "I've gained a lot of good attitude and a sense of pride in our team."

Before the season began it was obvious that the team had improved as Kate Mobey, sophomore, comments, "I expected us to do better then we did before, but I didn't expect us to go from 3-17 (last years record) to 18-2 this year."

Coach Mike Gray deserves much gratitude for the success of the team. His accomplished goal for the season was to win at least half of the games. "I expected the girls to play hard—it's not really whether you win or lose it's how you play the game." Mr. Gray was very well liked among the girls as Cesre Kimbrel, sophomore, admits, "I did feel confident because we really had not only a great team, but also a great coach." The 1990 JV season turned out very successful and rewarding.

Showing No Shame

Freshmen football cheerleader Julie Heintz says if she could describe the cheerleading season in one word that word would be "awesome." The season was a lot of fun and very exciting for the SHA cheerleaders. Their last statement was that they felt fortunate to have the opportunity to travel and cheer for our SHA football team. This small but proud squad was extremely supportive of the varsity football team throughout the long 1990 season.

Life in the Middle

Junior High at Sacred Heart Academy is a great experience. There are a lot of changes to be made. As one 7th grader, Scott Pieratt said, "Having all different teachers instead of just one is much more interesting." Akhona Goduka, 8th grader said, "Junior high is different from what I expected. Harder in some ways, easier in others."

The junior high has many extra curricular activities. There is a student council that plans dances, lock-ins, and other special events. They have a rocket football team, cheerleaders, basketball teams and track.

The 7th and 8th graders generally get along with one another. Scott Pieratt said, "We get along, we're pretty close." Here at SHA we're pretty proud of our junior high.

WINTER SPORTS

Varsity

"This years Varsity Volleyball Season was the best the volleyball team has had in four years." Coach Marie Hyde said. "The team improved a great deal, from the last few years. They played their best, tried their hardest they could to win and I did the very best I could to be a good coach and supporter. Thats all I asked of the team as well as myself. I feel our volleyball team is one of the best and I am very proud of our Fighting Irish Volleyball Team," she added.

Good Luck in the future team.

JUNIOR VARSITY

"This years J.V. Volleyball season was fun, but not very successful. We played well but sometimes we fell apart on just one play that had a considerable effect on the game," said Rachel Sheppard. Coach Mary Peruski said, "For such a young team we did great. I think that we would have been more prosperous if some of our players wouldn't have gotten hurt." All and all the team played their hardest, worked at it, and had fun.

Varsity

This years Varsity Basketball players brought a wave of talent and enthusiasm to Sacred Heart Academy. Along with the will to win, according to Rob Ervin, the team learned that hard work equals success now and in the future.

A new comer to Varsity Basketball this year, Brian Rush, stated that what he liked most about basketball was "the pressure to perform each and every game like it was his last.

The 1990-91 Varsity Basketball season was full of determination and dedication. This is what lead the Fighting Irish to their regular season record of 17-3.

Junior Varsity

The 1990-91 Junior Varsity season was a great learning experience for the beginning players. This hard working team had the potential but was slowed down by the amount of injuries. Their over all record was 6-14.

Freshman Jeremy Ervin said "the team lacked some confidence but still produced support to the other players." Jeremy's one goal, to have fun, was easy for him to accomplish. Potential and fun were the two words the guys described their season in. Potential because they knew they had it, they just had to work hard and fun because it was fun to work hard together.

This group of guys are looking forward to more success in years to come at Sacred Heart Academy.

Allow NO Distractions

The Basketball team was lucky to have such energetic and positive cheerleaders this year. The cheerleaders got everyone in the spirit. Lori Jackson described the season as "Mission Accomplished". Their mission was to win first place at regionals, and they did just that! Their next mission was to go to state and get into the top three. They did that! They came in third at state and were well supported by their enthusiastic fans. They had a tough season but worked hard and accomplished all of their goals. "It was hard work and lots of fun!" Exclaimed Laura Hovey. The team consisted of hardworking girls always ready to do their best!

Junior Varsity Cheerleaders

"FUN!" is how Suzi Petosky and Nancy Erickson would describe their season. The Junior Varsity Basketball cheerleaders were few this year. The squad had only 3 members on it, but with a lot of hard work they had a successful season. "We were a small squad, but with a good coach and strong goals we pulled through to make a successful squad a reality," said Suzi Petosky. It was a hard working team that was always ready to give their most. Some of their goals were to improve and hopefully make it to Varsity next year. They were confident each game and felt they would do good. With a good coach and a lot of time and effort anything is possible.

Band & Choir

BAND

This years band class was very talented for the small number of members it had.

Gireesh Sonnad said, "even though the class was so small we put on a great concert, the people did not get bored and they enjoyed the music." "I agree" said Julie Heintz, "it is a small class but the talent in the class is immense."

The first class performance was a very big success and the people in the audience enjoyed it.

LATIN

There were 33 students in the Latin classes during 1990-91 under the instruction of Sr. Thaddeus. This year was very busy for her students.

With the Fall and Spring Convention added to the years agenda many students in Latin I and II were given the opportunity to attend these conventions.

When sophomore Stephany Straight was asked the question "Is Latin an easy language to learn?" her answer was "If you study every night you catch on, if you don't you will be lost."

With Latin as a base for most English words some students use their knowledge of Latin in science and everyday talking.

Our goal for SADD is "to make students more aware that there is a problem and that there is a solution. Get away from the feeling that you have to drink to have a good time", said Mrs. Crocker, SADD advisor. There were more people in SADD than any other year in a long time. The SADD organization has done many things to support their group such as: sponsored a dance for the Junior High, selling carnations for the various holidays, balloons and money cards during Homecoming, Awareness Week before Prom and many more things to help students realize that there is a solvable problem. Carolyn Brocovich thinks that SADD has helped students because "most of the members are freshmen and sophomores, this helps them to be aware of what happens early in their High School years." This year the SADD members believe that they've accomplished the task of letting others know that there is a SADD chapter.

Yearbook

The Yearbook class this year consisted of 7 students. It was tough to sometimes meet their deadlines, but they always did! Mrs. Pettyplace described the goal of the class as "to come together as a group and to create something nice you can be proud of." She was confident that the yearbook would be a success. She said "It's a pretty good class. A lot of different personalities. Everyone worked hard together. I got lucky with this class." David Siefker described the class as "pretty easy after you hand in your deadline, then you have to work on your next." His goal for the class was to come out with a yearbook everyone could enjoy.

Student Council

The Student Council at SHA was a hard working and very involved group. The council was made up of the President and two representatives from each grade level. The council met frequently to discuss topics involving the school. They planned dances, hall decorating, flower sales, and much more.

Altogether the group was very close and contributed a lot to SHA. Student Council Officers were Trisha Pieratt, Stacy Larrance, and Betsy Balogh.

NHS

Being a member of National Honors Society at Sacred Heart Academy was a special privilege.

SHA NHS celebrated its 28th anniversary, having begun on Jan. 15, 1963. The students chosen for NHS not only

had to demonstrate good leadership, character, and service. A candle lighting ceremony is a long tradition with the National Honor Society.

Every member is proud to belong to the SHA NHS. NHS officers are Carolyn Brocovich, Jason Fokens, Ann Hovey, Patty Pacholka, and Trisha Pieratt.

The Business Professionals of America at SHA were very competitive. They frequently had fund raisers where everyone eagerly participated to raise money for the local and state competitions. They all worked very hard on projects such as speeches, typing, interviewing, etc. This year many of our BPA members went to state competition. BPA officers are Carolyn Brocovich, Edan Hosking, Lori Jackson, Denise Vogel, and Heather Faulkner.

Voices of Democracy

13 Year Students

Voices of Democracy—The Vanguard of Freedom. Everyone in the school wrote about this topic. The speeches were judged and few were selected. But the winners came out in each of us.

13 Year Students—13 Year Students have been together since kindergarten. They've watched each other grow and have seen many changes take place at Sacred Heart. "Hear" what they had to say about their many years together.

"Finally"

"We're just like family. We've been together for 13 years. We know everything about each other."

"These are the people I will miss the most because these are the people who have seen me grow up and who I have seen grow up."

"Because I've been with these people the longest, I'll miss them the most."

"13 years is a long time to spend with someone, but these have been 6 of the best people to spend it with."

"Some people say you will forget the people you go to school with, but I don't know how I could forget people I've spent the last 13 years of my life with."

"You think you would get sick being and seeing the same faces for so long, well you're right, but I will miss these people."

Tutors & Aides

Aids

Aids were very important. Their basic duty was to help out teachers, or Mrs. Most. It was always nice to have a little extra help. They were appreciated greatly because of their ability to do quality work for the school.

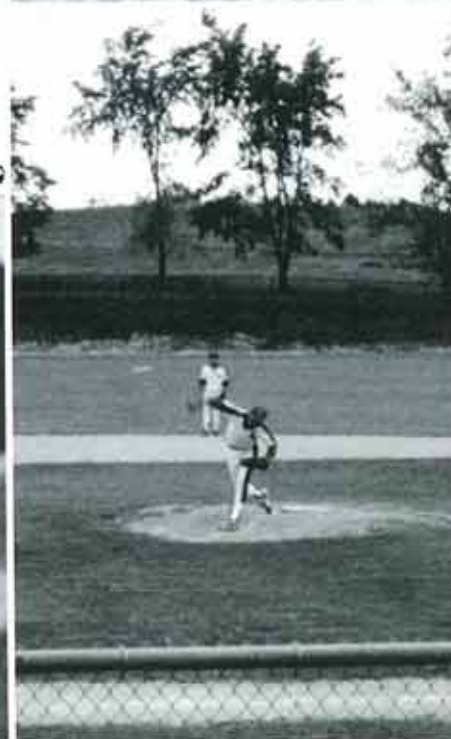

Tutors

Tutors are a big help to people in need. Heather Faulkner, Brian Gaede, and Rachel Sheppard are those special people who gave their time to others. They are great role models. Everybody respects them, not only because of their talent in helping others, but because of the dedication and respect they give others.

SPRING

SPRING SPORTS

"Runners to Your Mark"

A long and fulfilling season was a good remembrance of the 1991 track season. "Individually everyone had a personal best" said David Siefker, freshman. "The season was very successful, I just wish we would have had more students go out for the team" he added.

Mr. Bruce Punches gave it his best as he coached his first year here at Sacred Heart. The team showed steady progress and are looking for bigger and better things next year. Good Luck to the returning track members.

"Hit the Ball"

The Varsity Softball Team for the year 1991 had more spirit than they did people. Twelve players originally made up the team. Seniors Trisha Pieratt, Patty Pacholka, Betsy Balogh, Andrea Campbell, Heather Faulkner, Michelle Gray, Kama Sroufe, Melanie Siuda, and Jenny Zeien, the two juniors were Lori Jackson and JoAnn Surma and sophomore Teresa Hackett. Midway through the season Jennifer Wood, Stephany Straight, Leann Schafer and Jill Jackson were brought up to finish the season with the varsity team.

The season had a lot of ups and downs but it was a fun season. The varsity coach was Jim Eppe. The Varsity team this year had much talent with a good attitude. The record was rewarding. The team gave a lot of effort and ended with a winning record.

J.V. SOFTBALL

The J.V. Softball record ended 9-8. "I was pretty impressed with our team this year. Although this years record was not fantastic, it beats last years and we had great improvement on the whole," commented Stephany Straight. "It was a fun year, there was never pressure to win, it was just fun!" said Rachel Sheppard.

The season was cut short due to the fact that there was not a J.V. Baseball team this year due to a shortage of players. The coach of the J.V. Softball team was Cathy Burlington. Cathy was pleased with the team record and said that she really enjoyed coaching J.V. Softball.

The J.V. Softball team this year had a fun time and came out with a winning record and for that we are proud.

"Play Ball"

"Talented", is how Matt Schmid described Sacred Hearts 1991 Varsity Baseball team. The team put forth a lot of effort and worked together well, they had good teamwork and it showed. "It was a very enjoyable season, and I appreciated the way everybody gave their most," stated Todd Hackett. There were many high points for the team, such as winning the Battle Creek tournament and traveling to Florida for spring training. They also won the SHA tournament, which added to their winning record.

The team had some very talented players which showed during the games. "Senior Todd Hackett paced the offensive through the regular season with a .410 batting average, 32 runs, and 28 RBI's. Brian Gaede (.356), Paul Gostola (.346), and Tom O'Malley (.333) were other top hitters while Gaede (5-1), Chris Albrecht (4-3), Brian Rush (3-1), and Jeff Pankhurst (2-1) were leading pitchers," said coach Earl Hartman. The team was assisted by Chuck Murphy and bat boy Kip Hartman.

FINAL

PROM "91"

From this year was hosted by Show CFX. Everybody enjoyed the music, the banquet room looked great, and the food was good.

After the prom the parents rented Chippewa Lanes for bowling, video games and pool. While bowling they gave away free certificates. Such as car washes, tapes, free gas, and the big prize, two tickets to Cedar Point. But the highlight of the night was "the massive food fights between the tables," said Jamie Powell, sophomore.

The night was enjoyed greatly. The 1991 Jr/Sr Prom will be remembered by many.

JR/SR BANQUET

The Junior/Senior banquet was a big success. The banquet is a long lasting tradition at SHA. The juniors kept everyone laughing as they did skits, acting out each of the seniors. Every junior was assigned to portray a senior and his or her special personality. The seniors got revenge on the juniors by willing each of them certain things. Everything was done in good fun. Even the sophomores were invited, but only to watch, serve the juniors and seniors, and clean up.

To close the seniors did the mock elections. This is where the seniors vote on each other for the best and worst things about each other. The banquet was full of laughs and memories.

HONORS

The Honors night was a very proud night. The seniors were seen for the first time in their cap and gowns. Everyone was moved as they walked down the church aisle.

The night began with the Senior Awards. First the valedictorian was named. This was Trisha Pieratt and then Ann Hovey was named salutatorian. The rest of the seniors and other special awards were then given out.

Then each class 7th through 12th had their turn receiving awards. The members of each class were named for their achievements.

The night was a great success. Everyone was proud of their awards and the seniors were starting to feel the effects of the "Outside World."

Michelle gets a warm hug.

The Future is Ours

The Class of 1991 graduated on May 24, at 7:30 pm from Sacred Heart Academy. Bishop Kenneth Untener was the guest speaker along with Valedictorian Trisha Pieratt and Salutatorian Ann Hovey who also gave special messages to their fellow classmates.

Twenty-eight students received their long awaited diplomas from Sr. Rita Wenzlick, principal and Mr. Kris Kirby, assist. principal. Well done class your hard work over the past 4 years has finally payed off, with a diploma.

Congratulations on behalf of the Yearbook Class.
