

Welcome to the Heart

Freshman Initiation

This year the seniors really out did themselves when it came to freshman initiation. Senior Bridget Conde put the icing on the cake with Marie Sweeney's sign. It was a bikini, and by far the most creative sign. The best part of initiation was the last day. Each freshman wore a designer outfit created by none other than their own senior. There was a wide variety of outfits, ranging from princesses to daisies. Dan Osman modeled an original cat suit created by his senior Cesre Kimbrel.

The freshman who had the most fun and probably the most embarrassment was Jill Bowers, who had the entire school sing Happy Birthday to her.

When initiation was over, the freshmen were relieved, yet kind of disappointed to see their week end. Some of them commented on what they

thought of initiation. Here's what they said:

"It was fun, if you know how to take a joke," exclaimed Autumn Schafer.

"It was a lot of fun because everyone was involved and since everyone looked funny you fit right in," remarked Carrie Theisen.

Jill Bowers added, "I've never laughed so hard at myself or my friends in my life!"

Many of the freshman made themselves scarce, trying to escape the wrath of the seniors. Most of the freshman were fortunate enough to be found in time to participate in all of the fun.

All in all the freshman and seniors, and the rest of the school, had a lot of fun and hopefully no one will be permantly scarred.

Freshmen James Seifker and Jenny Schafer participate in the annual orange passing contest.

An Election Year to Remember...

In the 1992 Presidential Mock Election, our school had some pretty exciting results, as well as a very excited student body. On Tuesday, November 3, the polls opened up for all students in grades 7-12 at Sacred Heart Academy. These students after attending the debate, had the chance to vote for the candidate of their choice. And the results were overwhelming. Mr. Durocher, who organized the event, made sure that the election was as close to the real thing as possible. There was Secret Service and patriotic music, played by MC Gireesh Sonnad. The gym was covered with balloons, flags, and signs. We also had the live entertainment of Makhonza Goduka and Jeff Tyler.

Moderator Jeremy Ervin kicked off the

ceremonies by introducing Vice President Dan Quayle (Jeff Browne). As the speech began so did the name calling as he told the 'liberal media' where to go and started attacking the Clinton supporters. As he moved on to his next target, Ross Perot, an assault was led on him by sophomore Eric Potter who barely missed Quayle's head with a potatoe. Potter was removed and the rally resumed. Things were fairly calm until 8th grader Colin Hughes led another assault on Quayle. After this outbreak was taken care of the debate was calm and the candidates were finally given a little respect from the crowd. After the last speech was given and the last person cheered, the rally came to a close and the students then voted.

"Overall the Mock Election Rally was a huge

success and was both entertaining and informational. There was a tremendous amount of audience involvement," says Mr. Durocher, who was very pleased with the rally. Senior Rene Pankhurst agrees, "It helped to get a better understanding of the real election."

Junior Matt Mingle (Bill Clinton) gives a friendly wave as he and senior Mary Fyke (Hillary Clinton) are welcomed by supporters from S.H.A.

"The election made me more aware of what goes on during the campaign."
-Brigid Hughes

Looking a bit confused on why he is there, senior Scott Recker (VP candidate Admiral Stockdale) expresses his views for the Presidential election.

Secret Service man Jeremy MacDonald takes control of a disruptive situation caused by Perot supporter Nick Grinzinger.

Protesting against former president George Bush, freshman Julie Wood very vocally shows her support for Bill Clinton.

8th grader Colin Hughes reluctantly leaves the election after being spotted trying to harm Vice president candidate Dan Quayle (Jeff Browne) by Secret Service men Chris Brocovich and Jeremy MacDonald.

Junior Joe LaPalme and senior Jeff Browne (George Bush and Dan Quayle) try to win this years election by chanting "Four More Years" with their supporters.

Senior Jeff Brown gets some last minute corrections on his speech by high school teacher Phil Durocher.

Winner of Sacred Heart's Mock Election, sophomore Chad Lobsinger (Ross Perot) smiles as the crowd chants "Ross for Boss!"

Relationships with God, self, and others was the theme at this year's Junior-Senior retreat held at the beautiful grounds of Spring Hill Camp in Evert. During these two days of contemplation, Academy students were able to break down many of the barriers that separated them. An over-all feeling of inner-peace and closeness among all resulted, and the students hoped to carry these attitudes back to school with them when retreat ended. Senior Suzi Petosky thought that the re-

treat was a really good experience. "I got to talk to all types of people that I didn't normally talk to," Suzi said, "The activities made me feel comfortable with everyone and questions we discussed in our small groups made me really think about myself." Since this was a new experience for the juniors, many of them did not know what to expect. "I didn't expect it to be that fun," Jill Jackson shared, "I thought it would be really religious." The retreat included

panel and small group discussions, many ice-breaking activities, and an informal mass and reconciliation service. Students also spent some quiet time reflecting on their lives and were allowed plenty of free time to swim, hike, or do whatever they liked at the excellent Spring Hill facilities. Senior Carrie Rachow summed up many of the opinions of the participants in her words, "We had a lot of fun and learned from the experiences of those around us."

Relationships

Mr. Rick Roberts is the new principal of Sacred Heart Academy. He took over for Father Don Henkes and Father Tom McNamara.

Mr. Sanford is the new teacher for the Junior High science classes.

Miss Lefler is the new teacher for the Junior High English classes.

Our wonderful Father Tom. A new delight to our school.

Father Don Henkes takes a dip at the annual Parish Festival.

Changes for the Best . . . or the Worst

Ms. Forsman, the new Art and Journalism teacher.

Sacred Heart Academy has made many changes in different aspects of the school. There have been many new arrivals, such as teachers.

Mrs. Forsman is one of our new additions. She teaches journalism, year-book, high school and elementary art.

Ms. Delemeester is another addition to the high school. She teaches performing arts, band, and music for the elementary.

Last, but certainly not least is Mrs. Pratt. She teaches Spanish I, II and 7th grade Spanish.

The junior high also has two new additions. Ms. Lefler and Mr. Sanford teach 7th and 8th grade language arts,

English, Science, and Study Skills.

One big conflict of this '92-'93 year was the problem of finding a principal. Fr. Don and Fr. Tom were our principals for the first half of the school year while the search for the new principal was on. After much consideration, Mr. Richard Roberts was chosen for the job. Mr. Roberts, who attended Sacred Heart in grade school left his position of math teacher and athletic director at Central Montcalm to rescue us from our dilemma and become principal of Sacred Heart.

Some other changes are our new block classes and new classes offered. Some of

these are zoology, botany and physiology.

Our last change is our class schedule. Some people do not like this new schedule because there are so many classes that it can get very tiring. Others like the fact that we can get college credit for our classes. But over all, students seem to have the most problem with lunch. They find it hard to get lunch and eat and be back on time. There had been much controversy on this and hopefully the problem will be resolved, but in the mean time we will continue if these changes are really for the best or the worst.

Two new additions to our school, Miss Lefler and Miss Delemeester. The new Spanish teacher for 1993 is Mrs. Pratt.

Homecoming '92

A Time To Remember

One of the largest, most busy and exciting events of the school year is Homecoming. Centering around the Homecoming football game, parade, and dance, the students got fired up for these activities during Spirit Week. Constructing floats, dressing up in wacky outfits such as pajamas, hats, and sunglasses, and performing skits according to the theme of "Animated Movies," at the pep assembly were just a few of the ways the student body showed their Irish pride. The football team came through for their loyal fans with a huge victory over Ashley 45-0. The seniors came out big for the Irish as Chris Brocovich had three touchdowns, Jeff Browne also added three, and Tim Audretsch had one. The annual Homecoming parade followed the foot-

ball game on a sunny Saturday morning. Participants included the fire department, the girl scouts, and several local candidates for political office. The students' floats followed the Animated Movies theme. The Juniors won the float competition with their "Jungle Book" float, followed by the Sophomores, "Fantasia," and "The Jetsons" created by the Freshmen. The court float designed by the Seniors featured a 25 foot balloon canopy in the shape of a heart in the Seniors' class colors, navy and emerald green. "It was beautiful and very well constructed," said Senior court member, Rachel Sheppard.

Homecoming weekend was topped off by a dinner-dance at Riverwood Golf Club. Most of the student body

attended the dance and dressed in formal gowns and tuxedos. The menu consisted of roast beef, baked chicken, ham with rum raisin sauce, salad, potatoes and gravy, green beans, and ice cream topped with hot fudge or strawberries for dessert. The dance was DJ'd by Ron Browne.

As a freshman experiencing Homecoming for the first time, Julie Wood shared her thoughts on the event, "My favorite part was being at the game. It was pretty exciting because we won."

Homecoming was especially a memorable experience for Jeff Tyler, "I felt extremely honored that the school chose me to be their representative for king," he explains with smiling eyes that match most of the looks of all the Irish during this joyful week.

Sophomores Amy Gray and Mike Seestedt dance the night away at Riverwood.

Princess Arielle Borkovich enjoys a piece of candy before the Homecoming parade starts.

Juniors Jill Jackson and Jeremy Ervin and sophomore Mandy Schafer look around at all their exquisitely dressed schoolmates at the Homecoming dance.

Seniors Carrie Rachow and Teresa Hackett and junior Brynnae Green peek over their newspapers to catch a glimpse of the Freshmen skit at the homecoming pep assembly.

Junior Tight End Bryan Walling appears to be worn out as he strolls into the locker room after the Irish merced the Ashley Bears 45-0 in a stunning homecoming victory.

"Blast Away SHA," reads the Freshmen Rocket float, which represented the Jetson's.

Homecoming King and Queen Jeff Tyler and Brigid Hughes raise their hands to show that they're done drinking their root beer for one of the homecoming pep assembly contests.

The Irish hearts of Senior court members Rachel Sheppard, Teresa Hackett, and Brigid Hughes are happy as they share a hug during the football game after Brigid was crowned.

When Irish Hearts are Happy...

Mickey Mouse stands guard on the Church parking lot as the subject of the sophomore float, "Fantasia."

Academy Basketball coaches Dan Simons and Dan Thering wave at the spectators as they ride by as part of the Homecoming Parade.

The Freshmen share a few laughs while eating dinner at their first Homecoming dance.

Bridget Conde and Jill Jackson pose as Bert and Ernie to entertain the small children watching the Homecoming Parade on Saturday morning.

Gireesh Sonnad and Greg Siers show their surprise as they find out that their junior float has won the float competition.

...All the World Seems Bright.

Sophomore class Student Council Representatives Katie Murphy and Amy Gray and Secretary Jolee Wright smile brightly as participants in the parade.

The freshmen, sophomore, and junior court members flash their beautiful smiles as they pass by on their float.

Smiling Students ...

Seniors: This Is The Time To Remember

Four years ago the smiling seniors of 1993 entered Sacred Heart Academy as freshmen and were attending high school dances for the first time. They then advanced to their sophomore year and got a taste of "real" social life through the use of a drivers license. Junior year brought them a serious turn in life as they pondered their future plans and aspirations. Then as seniors, life took a less serious turn as they started living for the moment.

The graduating class of 1993 is diverse in personality but close at heart. Senior year has made all of their smiles, laughs and tears a lot more important while choices and changes have become more of a reality. They had noticed a difference in one another over the last four years...maturity.

As the end of their high school career got closer, and the long awaited dream of graduating became visible destination, the seniors charished the memories, but looked to the future. Great things await the class of 1993, but all of them know that their high school years at Sacred Heart Academy will always be a time to remember.

JUNIORS: *Save the best for last*

The Juniors are a successful class whose members try hard at everything they do. According to Jill Jackson, "The class works hard together and we succeed in everything we do, especially in making money!"

The Juniors show a lot of spirit and pride toward their class. When it comes to sporting events, there are always fans from the Junior class supporting their classmates.

Although some people in the class are closer than others, everyone in the class shares a special friendship with one another. "Whenever people have problems, someone in the class is there to help," says Angie Phillips.

Each person in the Junior class is unique and when everyone contributes their different talents, the class reaches its fullest potential. Good luck to the Juniors! Only one more year to go!

Sophomores Show Their Smiles...

As the creative sophomore class begins their move from underclassmen to upper-classmen, they have a lot to plan for. Instead of just attending prom, they will soon be planning it, and instead of just walking somewhere to lunch, they will soon be getting their license to drive. Going from Sophomore to Junior is a big transition because one goes from being the youngest in the school to being the knowledgeable people that the freshmen look up to. The sophomore class will get to start planning for their future and will soon be

on their way up. Good luck to all of the sophomores!

Class of '96 - Starting Fresh

"I didn't thik [high schoool] would be this busy," declared freshman Julie Wood, "I have a lot of things to do."

At the beginning of the year, many freshmen were overwhelmed with the new world of high school. There are so many clubs to join, classes to take, new faces, and sports to play. But the Freshmen are still surviving. "I thought it was going to be harder than this," noted Harvey Schafer.

The Class of '96 is a likeable group. They get along well with each other and the rest of the school. "We're responsible," describes Joe Gostola. And although they have just started out, there are great things in store for the freshmen. "My class is very smart," says Danny Osman. With that thought in mind, we hope that the class of 1996 will continue to represent the Academy well.

Junior High

The junior high, numbering 87 in all, is one of the biggest and most enthusiastic classes at Sacred Heart Academy. It seems like they always have something to say and an excuse for everything.

The student council did a great job for their fellow students, organizing dances, ski trips and a class trip to a Tigers' game. Mr. Marc VanHala, the junior high advisor, planned the trip and thought the

turnout was a success. "We had great participation from students and a lot of help from parents, but the kids said the mall was best of all!" The Tigers beat Boston 4-2.

The junior high really enjoyed this trip, and, if they keep up the tradition at Sacred Heart, they can have many more fun trips. Good luck, eighth graders, as you enter into your high school years.

Sports

The Irish Gain Strength

The Sacred Heart Varsity Football team, coached by John McCann, fell short of their goals, but made a great effort this year. "Some of the goals this season were to have a 500 record," said senior Jeremy MacDonald. "We didn't accomplish our goals because we had a young team," said senior captain Tim Audretsch. When asked about the high points of the season, Dave Seifker recalls the "win at Morrice, because we showed Spanky how to play football!" The Irish offense was quarterbacked by Mike Seestedt and the three leading rushers were seniors Tim

Audretsch, Jeff Browne, and Chris Brocovich. The line included seniors Scott Recker and Tom O'Malley, junior Brian Carson, and sophomores Mike Brocovich and Mike Gottschalk.

The end positions were filled by senior Jeremy MacDonald and junior Bryan Walling. Leading the defense with tackles was Tim Audretsch, Scott Recker, Jeff Browne, and Brian Carson. Chris Brocovich also had an excellent performance defensively. Even though they didn't have the most successful season, the Irish players had a lot of fun.

Cheering for a Football Victory

When it comes to cheerleading, the Sacred Heart cheerleaders are #1. With eight cheerleaders to keep the crowd going and support the Irish football team, they did a great job. Even though the scoreboard did not always show a victory, the cheerleaders supported the players through everything. When the Irish won a game it was very thrilling. According to sophomore Mandy Schafer, "It was so exciting when we scored a touchdown. When we won it was

awesome!" Everyone on the squad worked very hard. They spent 10 to 12 hours a week practicing and showed their support on the field. Even if the weather was not the best the cheerleaders still had to keep their spirits high for the Irish men.

A word that freshman Jill Bowers used to describe football cheerleading was, "Fun!"

Cross Country

Individuals Setting Personal Goals

"I thought the season went well, we worked hard on our strong points to achieve our goals", stated Jeremy Ervin about the 1992-93 cross country team.

Many of the runners accomplished the personal goals they set at the beginning of their season. Some of their goals were improving their times or coming in a certain place in the

event. The team was every man for himself...

The team surprised many by coming out on top because they were from such a small school.

Next year the cross country team is hoping for more people to join their team so they can improve for their next season.

Next year's team will be better than ever.

Season's Rough Start Fails to Stop the Irish

The Girl's Basketball team at Sacred Heart this year learned one thing about the game of basketball-how to maintain a positive attitude. The team started with a 0-7 record, but battled back to have a fairly average season. "We had a really rough start this year. It was really disappointing to lose by only a few points to our biggest rival Beal City, especially when I knew we could win." says junior Jill Jackson. Senior Laura Hovey comments, "It was a frustrating season because we knew what we were capable of, but

there were always things, such as injuries, holding us back."

The Irish overcame the injuries and the disappointing beginning, and had a good season overall.

"Our attitudes changed drastically after we won our first game," put in senior Teresa Hackett, "after that I think we believed we could beat anyone, but our 0-7 start really hurt us. With all of our problems I think we had a pretty good season."

Varsity Volleyball

The Sacred Heart varsity volleyball team for the 1992-1993 season was full of enthusiasm. With only two seniors and four returning players the team of nine proved to be very successful. Coach Barb Pierce taught them a lot about the game and together they reached the goals they had set for themselves at the beginning of the season. Senior Rachel Sheppard says,

"we worked hard to achieve the goals we set for ourselves by working together. But we still managed to have a fun season." The record showed that they had improved from the previous year. Sophomore Jamie Carter sums it up when she exclaims that this years varsity volleyball was "GREAT!"

'BIG V'S IN THE HOUSE'

The 1992-93 Sacred Heart Varsity Basketball team was a team filled with potential. The 20-3 record was posted the previous year, so high expectations were set for this club. However, the team did not meet all of its goals for the year. The team finished with a 7-14 record.

The team consisted of twelve players.

There were four seniors: Jeff Tyler who led the Irish in scoring at twenty points a game, Jeremy MacDonald, Chris Brocovich, and Jeff Browne.

The Irish started the season off losing their first two games and then beating the Baptist Academy and Vestaburg. The biggest victory of the year was on January 26th when

SHA beat unbeaten Shepherd 62 to 48. The win moved the Irish's record to 4-6, the record moved to 7-8 after defeating Vestaburg. However, the Irish couldn't build a winning streak and finished up the season losing to Fowler in districts. "I'd hoped for a better season, but our inexperience hurt us in the long run", said Tyler.

It takes a little more... **To Be A Champion**

The 1992-93 varsity basketball cheerleaders began the season in mid-October to practice for their first competition, "Holiday Cheers to You," cheer for charity at Union High School in Grand Rapids. In this competition, they performed a cheer and a dance and ended up taking 2nd place in the C-D division, and 1st in D, beating out Lake Michigan Catholic, the '92 State Champions. "I was jumping up and down and screaming because we beat them," explains senior co-captain Laura Hovey, "I was so happy that we overcame such a strong team."

After this competition, the games began. Keeping the crowd going was sometimes a hard job for the Irish ladies, but they kept positive attitudes and tried to pass that feeling on to the players.

The next competition was the Red Wing Classic at St. John's High School. At this event, the cheer team pulled through with a strong first place.

The two "big" competitions followed. At Regionals, the girls totally blew away their competition, almost eliminating any other Class D team from entering State. Junior Julie Hientz described her feelings. "I was so nervous [at first] that I couldn't even talk to anybody without snapping at them. After regionals was over, I was convinced we were #1."

The cheerleaders soon had the chance to prove themselves at State as one of their members became injured the Monday before the biggest competition. Changing all the stunts and formations was difficult, but the girls still managed to earn 3rd place honors in the State. Congratulations and good job!

Shooting For The Future

The Sacred Heart Junior Varsity basketball team had an outstanding season. The Irish JV showed some great talent and a promising future for the SHA basketball program. Mike Brocovich, Mike Seestedt, Mike Gottschalk, Dallas Walton, and Ben Moeggenberg had excellent performances. There were also great contributions made by freshmen Mike Hackett and Scott Pierett. The 14-4 team was coached by Bill Chillman.

Cheering Their Way Up

The JV Basketball Cheerleaders consisted of 4 freshmen and one sophomore this year. Amy Verwey, one of the freshmen, said that most of the season was spent learning and becoming experienced at fundamentals such as jumping and formations. "We also tried to develop loud voices," Amy commented.

The JV girls did a great job this season cheering on their team. "The guys had a really good season," explains Anita Audretsch, the lone sophomore. "So it was fun to cheer because we kept on winning." Anita also said that the year was hard because people kept quitting the team. Overall these cheerleaders got the job done and learned a lot.

Girls' Softball Delivers 3-peat!

The 1993 Sacred Heart softball team has conquered many obstacles this year. This young team has pulled together and had a successful season. The season started out strong with the Irish winning their first six games. Along the way, the team won the Sacred Heart Invitational by defeating Breckenridge, Gaylord, and Vestaburg. The Irish won this tournament during the 1992 season and are now going for a 3-peat next year.

Speaking of 3-peat, one of the big highlights of the season was winning the St. Phillips Tourna-

ment for the third time in a row. "It meant a lot to me, Teresa, Leann, and Jennifer because we have been there from the start. It gave our team confidence and us a great feeling of pride," said Jill Jackson.

Another huge accomplishment of the team was winning districts. The Irish did this by playing two excellent games against Fowler and then Ashley. In this district action, the Irish were given the Sportsmanship Award for the conference, which Sacred Heart is very proud of.

Junior Varsity Baseball

Freshman James Siefker keeps his eyes on the ball as he catches a pop fly.

The Junior Varsity baseball team had a much improved season this year compared to past years. The boys really came together and Coach Jim Goenner was pleased with their season.

This young group of athletes had improved a lot this year coming off a 1 win season from last year. They turned this around and ended up with a 12-3 record overall. These athletes have shown a promising future for Sacred Heart baseball and will contribute their talent to the varsity in the next couple of years. Baseball is definitely looking to be exciting in the future due to these fine young JV boys. If you think they are good now, just wait until they play on the big varsity where their talent and abilities will really shine through.

First baseman Amy Gray catches a ball being thrown by one of her teammates.

The JV Softball team had a fun season. Many of the earlier games were cancelled because of weather, but the ones they did play were exciting. Though they lost more games than they won, they definitely improved on last year's record (only one win)!

Coach Ms. Burlington worked with the players and the team improved greatly from start to finish. The whole team learned a lot from her and also coach Andrea Campbell. Andrea especially helped pitchers, Jenny Rademacher, Katie Murphy, and Andrea Koenig.

The most memorable game was probably the one against Shepherd. Katie Murphy was on the mound and things were going great until - Smack! Katie got nailed in the face with a linedrive. People said they've never seen Ms. B run as fast as she did to drive Murphy's car right on to the field. Later in the game Mandy Schafer went airborne over the 1st baseman on her way to first. No one ever knew gymnastics was a part of softball! "What? Are they trying to kill us?" Angie Moss screamed in the dugout. It must have been the only way to stop the awesome Irish JV's.

Golf 1992

The SHA golf team had an overall good season but the players tend to look to the future years for improvement in their record.

Michael Hackett, the team MVP said, "We didn't win very many meets but the team consisted mostly of freshmen. In a few more years we should have an exceptionally good team."

Jeffery Tyler who had played for the Irish for 3 seasons said, "It was a good season for how young and inexpe-

rienced we were."

Freshman Scott Pieratt and Steve Horgan agreed that the team had a lot of potential as young players. The coach was Mr. Fitzpatrick who established a good team. He said that it was a fun learning experience for his first year coaching and hopes he is able to coach again.

Greg Seirs said, "We had a great team, with great potential, but we were not quite developed yet. Give us another year!"

Waiting for the match to begin are members of the golf team, Jason Shirley, Greg Seirs, Jeff Tyler, Mike Hackett, and Scott Pieratt.

Track 1993

The 1993 track season was a very successful one for SHA. The team was not big enough to go out and win a meet, but placed very well individually.

First year coach Edan Hosking did a very well job organizing and inspiring the team to do their best.

Juniors Nick Thering and Dave Seifker ran the 100m dash, 200m dash, 800m relay, 400m relay and the long jump. They both placed very well at invitational and regular meets. Ben Hackett and Jeremy Ervin helped these two out during the relays to earn some medals.

Freshman Mike Schafer threw discus and shot-put, while Simon Molina ran the 1600m run. Angie Sweeney ran the 400m dash, the 400m relay, the 800m relay and the 1600m relay. Marie Sweeney ran

the 800m dash along with Jill Bowers and Jenny Schafer, who also threw discus and shot-put.

Sophomore Amanda Wickert ran the 100m dash, the 400m relay, and the 800m relay. Anita Audretsch ran the 400m relay and the 800m relay. Jamie Carter ran the 400m dash, the 400m relay, and the 800m relay. Junior Julie Hientz ran the 200m dash, the 400m relay, and the 800m relay. The girls 800m relay placed well at invitational and brought home some medals.

At the conference meet, the guys 400 and 800m relays took first and the girls 400 and 800m relays did as well. The girls 1600m relay took third. Hackett took second in the high jump, while Thering and Seifker placed in the top 3 for the 100 and 200m dashes.

Boy's Junior High Sports

Sacred Heart's Junior High seventh and eighth grade basketball teams both ended their seasons winning the Ashley Invitational Tournament.

The eighth grade played Vestaburg in the finals after defeating Morrice, 29-22, the previous Thursday. In the title game, John "Juice" Hunter sent the game into overtime by sinking a free throw with no time left on the clock. Then Hunter's three pointer and Nick "Cheetah" Browne's free throw with seven seconds left gave the Irish the victory. Hunter finished the game with 14 points in the contest while Browne added six points and 12 rebounds. Blayne Bott also aided the Irish with eight points and eight rebounds while Kurt Hartman grabbed 11 rebounds.

The eighth grade finished the season with an 11-11 overall record. Mahlon Frederickson led the team with 8.7 points per game and averaging 9 rebounds. Other team leaders were Hunter with a 7.3 point average, Ryan Thomson averaging 6.6 points and 8 rebounds,

Bott averaging 6.2 points and 5 rebounds, Hartman with 5.6 points and 6 rebounds, Browne with 4.6 points and Eric Stalter with a 5.4 point average.

The Irish seventh grade basketball team also took the trophy at the Ashley tournament. Sacred Heart played Ashley in the finals after defeating Morrice 34-27. The Irish game with Ashley for first place was won with the combined effort of Tim Groves with 10 points and Ben Wright with eight.

The seventh grade ended their season with an outstanding 19-2 record. Leading scorer was Tim Groves with an 18.2 per game average. Other high scorers were Nick Goinzinger with 8 points and Pat Trainor with 6.1. Leading the team with rebounds were Tim Groves, Curt Gottschalk, Keith Hutching, Chris Gepford and Pat Trainor.

The Sacred Heart eighth grade was coached by Andrea Campbell and Dan Thering. The seventh grade coaching job was held by Marc Sroufe and Dave Grinzinger.

Jr. High Girls Sports

What exactly is a cheerleader?

Well, take a look at the junior high cheerleaders—a perfect example. A cheerleader is someone with true school spirit, someone who knows how to rile a crowd and boost team spirit.

The junior high cheerleaders did all that and more. By keeping their smiles, they worked their way into a field of success. Both the seventh and eighth grade teams entered two competitions, each time coming out on top.

The seventh grade took a third place while the eighth grade took a second place in the Redwing Cheer Classic. Two weeks later, at the Christian Cheer Classic, the seventh grad-

ers came out the winners. They came back with a first-place trophy, the eighth graders with a second.

Both teams learned dances, halftime cheers and many sideline cheers. Making a commitment to cheerleading helped all these girls become winners.

Many of the girls felt that cheerleading played a major role in their life at school. Eighth grader Eryn Wezensky said, "Cheerleading has helped me learn the concept of teamwork. I have learned a lot from it and it's skills that I can pass on to the future cheerleaders."

Clubs and Organizations

Student Council

This year's Student Council was made up of 16 students, 3 from each class, plus 4 student council officers. These were President Laura Hovey, Vice President Cesre Kimbrel, Secretary Rachel Sheppard, and Treasurer Clay Henry. The group sponsored many events this year including the Christmas Hall Decorating Contest, and the Valentine's Day Compatability Matching Sale.

Their biggest project this year was Homecoming, in which they organized the dance, parade, and football half-time ceremonies.

Laura Hovey commented, "It was kind of hard to operate the Student Council this year because we did not have a principal for most of the year. So no one knew what was going on." But overall the Student Council still had a good and productive year.

Students Against Driving Drunk

1992-93 SADD members

SADD officers from left to right is co-president Julie Heintz, Treasurer Kasey Hartman, Committee Chair Person Jamie Stalter, Secretary Diana Wood, and Co-President Jeremy Ervin.

Students Against Driving Drunk had a very successful 1992-93 year with a lot of work and effort. There were many students that involved themselves in SADD. The group worked with the community and the student body. To raise money during the year they sold carnations and jewelry. There was also money donated to organizations within the community. The money that was donated was used to make students aware of drinking and driving in our society.

The month of April was a very busy month for

SADD, it is known as SADD Awareness Month. During this time many projects take place, from announcing statistics daily about the growing numbers of teenage deaths from alcohol, to ending the month with a speaker speaking about drug and alcohol awareness.

Jeremy Ervin, co-president said, "I really enjoyed working with a large group of students, and I am happy to know that so many students wanted to be involved in SADD." He also believes that the message of not needing alcohol to have fun is spreading.

SADD speaker Michael Clayton helps motivate the students to not drink by getting the teachers involved with his presentation.

National Honors Society

This year Sacred Heart's Chapter of the National Honors Society celebrated its 30th year at the Academy. This year, 13 new members were inducted into the society based on their scholarship, service, leadership, and character.

This year's officers were, President Laura Hovey, Vice President Jeff Tyler, Secretary Mary Fyke, Treasurer, Lokman Sung, and Public Relations Cesre Kimbrel. Next year's officers were also elected in early March. They are President Jill Jackson, Vice President Jeremy Ervin, Secretary Kasey Hartman, Treasurer Joe LaPalme, and Public Relations Julie Hientz.

The sponsor for NHS is our hardworking counselor, Sister Helen Miller. She personally interviews all the inductees and makes sure all the members are living up to their fullest potential.

Junior Gireesh Sonnad says that NHS is "a good way for students to help the community."

Senior Cesre Kimbrel added, "I think NHS is an honor and I am proud to be a member and an officer."

New officers Jill Jackson, Jeremy Ervin, Kasey Hartman, Joe LaPalme, and Julie Hientz wait to be inducted while present officers Jeff Tyler and Laura Hovey light candles in the background.

This years JCL has been very busy. To start off the year there is initiation. People are wrapped in toilet paper, plungers are thrown, and there is a tug of war.

In the fall there is a Fall Convention. This year it took place at Aquinas College. At the convention they take tests over Latin. They also participate in Certamen (quizbowl). In the spring there is also a convention and this took place in Lansing at Michigan State University. These conventions are basically for fun and learning experience.

To earn money, JCL sells candy bars to cover convention expenses and at the end of the year they donate \$100 dollars to a

charity of their choice. JCL members include: Ryan Bellinger, Peter Courtwright, Jeremy Deja, Mike Hackett, Rick Henkes, Andrea Koenig, Tara Koester, Chad Lobsinger, Scott Pieratt, Eric Potter, Autumn Schafer, Angie Sweeney, Marie Sweeney, Carrie Theisen, Julie Wood, Anita Audretsch, Andrea Cherry, Joel Denslow, Julie Heintz, Teresa LaPalme, Jessica Maddocks, Dave Seifker, Kerri Wilcox, Diana Wood, Jennifer Wood, Jolee Wright, Patty Archie, Christi Buchalski, Richard Riddle, and alumni, Chris Brocovich, Joe LaPalme, Rene Pankhurst, Suzi Petosky, and Gireesh Sonnad.

Drama and Performing Arts

The Sacred Heart Drama Club has been very busy this year. They have put on such great shows such as Fruit Cakes, King of the Ice Cream Mountain, and Robin Hood. One aspiring actress said, "the Drama Club is trying to continue their commitment to excellence by performing a large, well known play, Robin Hood." This follows their previous years success Phantom of the Opera.

This years Drama Club is being run by Ms. Delemeester and has such young talent as Mike Stahl, Jill Bowers, Julie Hientz, Greg Siers, Ben Hackett, Jane Vogel, and Gireesh Sonnad.

Yearbook. This is the class that made this book possible. The class worked hard to meet all of their deadlines, trying to bring you the best possible yearbook. Even though the job of putting this yearbook together seemed impossible at times, the students enjoyed the class. After talking to several of the students, the words "stressfull" and "frustrating" often came up, due to constantly trying to beat all of the deadlines. The class was very inexperienced and had a great desire to learn. Rachel Sheppard put it best when she said, "a lot of people brought forward great effort to help finish the yearbook."

Faculty: Teaching With Smiling Spirits

The faculty of Sacred Heart Academy are very dedicated hard working teachers. Thier service to the student body is incredible. The staff is always urging the students to go one step further to enhance thier learning abilities. Kathy Stuart likes teaching at SHA because "it has a nice atmo-

sphere, and you know everyone." It takes someone who really loves to teach and work with young people to work at SHA. The time and energy spent in and out of the classroom is much appreciated.

Spring Break

Spring Break

March 26- April 5

Junior/Senior Banquet

Junior Bryan Walling "Heals the World" as Senior Yoshito Sekine.

"The world is round so what you think is the end may actually be the beginning."

With this apt senior motto, the class of 1993 gathered for one of their last activities as a class: the junior-senior banquet. The juniors hosted the banquet on May 14 at the Parish Hall.

The evening, with the theme "A Night Under the Stars," began with a formal dinner prepared by the junior parents. The faculty and many parents also attended.

Masters of Ceremonies

Gireesh Sonnad and Angie Phillips began the evening's entertainment as juniors presented several skits in which they imitated seniors.

After the skits Kate Mobey and Brigid Hughes read the senior wills to the juniors.

To finish the program, LokMan Sung and Mary Fyke presented the seniors with mock election certificates.

One of the evenings' highlights included the juniors singing the seniors' class song, "This is a Time to Remember."

Junior-Senior Prom

This year's junior-senior prom took place in the lower level of the Ember's on Saturday, May 22. With the theme "A Night Under the Stars," the decorations included lots of balloons with stars, dominated by the colors black and white.

The buffet, catered by the Ember's, was followed by dancing and fun.

Following prom most students went to Chippewa Lanes bowling alley. There they were served food which included pizza, snack foods, desserts and beverages.

After-prom activities

included bowling, with humorous awards given, pool, karaoke and video games. Students were given tokens for all the games so the activities were free. Door prizes of items like gift certificates and sweatshirts were drawn during the evening.

The after-prom activities were sponsored by SADD and the parents. They held bake sales throughout the year to pay for the evening.

King Lokman Sung and Queen Mary Fyke take their dance as the king and queen of the 1993 Junior-Senior Prom. Dancing followed the dinner catered by the Ember's.

Honors Night

Honors night took place Wednesday, May 12, 1993 at Sacred Heart Church. The night honored all junior and senior high school students who had an academically successful school year.

During the ceremony seniors were awarded

scholarships and awards for their years in high school.

Honored that night were co-valedictorians, Laura Hovey and Tom O'Malley, and salutarian, LokMan Sung.

Attending Honors Night were school faculty and scholarship presenters.

THE END OF THE ROAD

Graduation ceremonies were conducted June 4, 1993 at Sacred Heart Church, beginning at 7:30 p.m. Dozens of friends, family, and teachers of the Class of '93 gathered for the much anticipated event, which featured vocal performances by the junior class, senior girls, kindergarten teacher, Mrs. Maddocks, and former music teacher, Mrs. Walling. Co-valedictorians, Tom O'Malley and Laura Hovey gave tear-jerking speeches that caused the graduation class to look back at the past, hope for

the future, and be thankful for the time they spent together. Salutatorian LokMan Sung followed by giving a hilarious speech that compared the high school years to eating a meal. At the end he related the class to the beans the senior guys ate at Senior Retreat by saying, "and just like has, we've passed," causing the whole church to roar with laughter.

The commencement speaker was Tim McGuire, a 1967 graduate of SHA and executive editor of the Minneapolis Star Tribune. He delivered a

speech about the importance of working together as a community instead of worring only for our own self interests.

The graduation as a whole went over very well. "The program was very interesting and unique," teacher, Marc VanHala told us, "It kept my attention and was not at all boring."

So with smiles and tears the Class of 1993 left Sacred Heart Academy, but the memories of thier years here will always remain.

Suzi Petoskey, Carrie Rachow, Jenny Bingham, Jamie Powell, Laura Hovey, Teresa Hackett, and Mary Fyke give a special presentation of the song, "Friends."

Best friends Cesre Kimbrel and Stephany Straight show their happiness at graduation being over.

Graduation 1993

*"Saying goodbye, going away,
seems like
goodbye's such a hard thing to say.
Touching a hand, wondering way,
it's time
for saying goodbye.
Saying goodbye, why is it sad? Makes us
remember the good times we've had.
Much more to say, foolish to try; it's
time for saying goodbye.
Don't want to leave; but we all know,
sometimes it's part of God's plan.
Somehow we know we'll meet again; not
sure quite where and we don't know
just when.
You're in our hearts, so until then, it's time for
saying goodbye."*

Through The Eyes Of A Senior . . .

Tim Audretsch	In ten years I see myself graduated from college and starting my career with my new job.
Teresa Hackett	Don't try to grow up too fast, if you do you'll regret it. Life is short - play hard.
Clay Henry	Work hard, and never forget your goals and aspirations.
Laura Hovey	You'll want to look back on your high school years and laugh, so make sure you laugh and have fun now.
Jeff Tyler	The only person you can trully trust is yourself.
Rachel Sheppard	Do something in High School with your friends that you will always remember. The memories will last forever.
LokMan Sung	In ten years I would have graduated with a master's degree in Chemical Engineering. Will be married with one kid.
Yoshito Sekine	In ten years I will own a company and hopefully be a billionaire.
Suzi Petosky	I will have graduated from college, engaged and will have 3 cats living in an N. Carolina apartment.
Rene Pankhurst	In ten years I will be living in Hawii and partying every night.
Jeremy MacDonald	Working for the FBI.
Marie West	Have fun in high school - It goes by way too fast!

Mary Fyke	I hope to be settled in my career, but concentrate on the important things in life: friends, family, and sailing!
Chris Brocovich	I see myself in ten years with more money than I have now.
Brigid Hughes	In ten years I'll be married to a red head, living in Chicago, drive a blue Volvo, and holding onto the memories.
Scott Recker	I see myself in ten years playing for the NFL.
Stephany Straight	Have fun and enjoy high school.
Carrie Rachow	Always try your best at everything you do and make it count.
Jamie Powell	Never underestimate yourself, don't be afraid to believe in what you think is right.
Tom O'Malley	Live life to the fullest because high school seems to go by so fast.
Kate Mobey	Nothing is nothing.
Cesre Kimbrel	Study and get along with each other. The time goes quick, appreciate it.
Joe Burley	Keep the memories close to your heart, and Have Fun!
Bridget Conde	Believe in yourself and strive for your goals.
Jeff Browne	It's always fun until somebody loses an eye.
Jennifer Bingham	Make the best of your high school years because they go fast.
