Greg Siers and Gireesh Sonnad enjoy one of the Irish Football games. Student life includes supporting sports' teams, clubs and being a social butterfly. Many people enjoy the students of SHA because of their high spirits and motivation.

22

Senior Bryan Walling helps Sophomore Scott Pieratt with a Psychology question. Helping each other is something students try to take the time to do at Sacred Heart.

58

Many of our clubs and organizations have some group activity all members take part in. The annual Induction ceremony is just one of the activities the National Honor Society is involved in.

72

A few football players take a break from their strenuous practice to pose for the camera. Although their practices were hard, there was always a little time left over for some fun. For more highlights, see page 72.

104

Making frosting for a Senior class fundraiser are Leann Schafer and Brian Carson. The class spent much of their time raising money to pay for many of the Senior activities. Turn to page 104 for more highlights on Senior retreat, trip, and of course, Graduation!

CLASS OF '96

CLASS OF '97

CLASS OF '95

CLASS OF 1994

There Is a Winner Inside Each of Us

Winners take chances.

*Like everyone else, they fear failing,
but they refuse to let fear control them.*

Winners don't give up.

*When life gets rough, they hang in
until the going gets better.*

Winners are flexible.

*They realize there is more than one way
and are willing to try others.*

Winners know they are not perfect.

*They respect their weaknesses
while making the most of their strengths.*

Winners fall, but they don't stay down.

*They stubbornly refuse to let a fall
keep them from climbing.*

*Winners don't blame fate for their failures
nor luck for their successes.*

Winners accept responsibility for their lives.

*Winners are positive thinkers
who see good in all things.*

From the ordinary, they make the extraordinary.

*Winners believe in the path they have chosen
even when it's hard,*

even when others can't see where they are going.

Winners are patient.

*They know a goal is only as worthy
as the effort that's required to achieve it.*

TOPS

The teachers at Sacred Heart Academy are examples of true dedication. The advantage of a small school atmosphere is that the teachers have time and take time to care. Freshman Angie Bollman said, "The teachers at Sacred Heart Academy put a lot of trust in you."

Sr. Thaddeus commented, "There is a lot of tradition here at Sacred Heart. Families support the students' learning. I like to see Catholic values and training continue to be a part of each student. It's not just an institution; it's a home."

Ms. Forsman, the yearbook and art teacher, works on a painting to show her students.

Picture at left: Freshman Ryan Tasker gives the camera a friendly wave as he watches his classmates during Freshman Initiation. Ryan was the Freshman attendant on the 1993 Homecoming court.

Freshman Jenny Sweeney tries to breathe as fellow classmate Nick Browne shoves a strawberry into her mouth. Jenny was a nominee for the 1993 Homecoming court.

From the Bottom Up

Freshman Initiation 1993

This year's Freshmen are one of the liveliest classes that has hit Sacred Heart in a long time. The class is spirited and they showed it during the 1993 Freshman Initiation. Their initiation consisted of many activities during the week of September 7th through the 10th.

On the first day of Initiation week, the Senior Class Officers met the Freshmen and discussed the rules and behavior for the week.

The next day, the Seniors and Freshmen shared a breakfast consisting of doughnuts and orange juice. At that time, the creative signs were given to the Freshmen by their designated Seniors.

The third day of Initiation consisted of a dress-up day in which the Seniors provided unobstructive clothing for the Freshmen to wear all day.

Crazy Day was planned for the last day of Initiation week. The Seniors dressed up their Freshmen once again and planned an assembly for the afternoon. The wild events at the assembly included a strawberry eating contest, a beauty parlor, where the Seniors put make-up on their favorite Freshmen, and the famous wheelbarrow race. The Freshmen enjoyed Initiation while it lasted but were certainly glad it ended when it did.

Freshmen Nick Browne and Eryn Jezensky look on as they wait to take part in the strawberry eating contest. This event consisted of a girl and guy being tied together and the guy feeding the girl as many strawberries as she could eat.

Homecoming attendants Sophomore Julie Wood and Freshman Chrissie Bingham await the announcement of the other candidates.

Spirit Week

1993

Spirit Week is the time of the year where school spirit is at its peak. In order to get the students and teachers excited for the Homecoming events, the Student Council puts together a week full of enthusiasm and wacky competition.

On each day of the week, the students in the high school are asked to follow the theme of the day. This year's spirit days were Hippie Day, Pajama Day, Hat and Sunglasses Day, and Jersey Day.

Each grade competes against the other grades to see which group can have the greatest percentage of people taking part in this event. The grade with the most spirited students wins.

"Hippie Day was my favorite because it gave me a chance to make fun of my parents who tell me I dress weird," says Senior Kasey Hartman.

This week is one of everybody's favorites. It gives the students a chance to run wild.

Shantala Sonnad, Mandy Schafer, and Meighan Fitzpatrick show it's 'hip' to have school spirit.

Left: Junior Shantala Sonnad hugs her teddy bear as she prepares to go to class. Her furry friend accompanied her to school as a part of Pajama Day.

Jill Jackson and Mandy Schafer are sportin' their jerseys for the traditional Jersey Day. Even though most people wore Sacred Heart jerseys, other schools' jerseys could be worn also.

Senior Jeremy Ervin sports the 'flower power' jeans and tie-dyed shirt, a common feature of the Hippie era.

Jill Jackson says, "This year's Hippie Day was one of the best days the school has ever had. We looked pretty stupid but it was a lot of fun!"

Cuddling together are friends Meighan Fitzpatrick, Sarah Groves, Shantala Sonnad, Dan Osman, Jamie Carter, Akhona Goduka, and Mike Seestedt. One good thing about this day is if you wake up late, you're all set to go!

Homecoming

Freshman attendants Ryan Tasker and Chrissie Bingham accept the honor before the student body.

Sophomore attendant Julie Wood accepts the honor on behalf of Scott Pieratt and herself. Scott was at a golf match and could not attend the assembly.

Junior Teresa LaPalme gets ready to "boogie" as the Girls' Basketball Team performs a dance for the students to the song "The Boot Scoot Boogie."

The crowd and the court nominees waited in anticipation throughout the whole Freshman Initiation assembly for the announcement of the 1993 - 1994 Homecoming court. Finally the court was introduced. The students cheered as Seniors Brian Carson and Jennifer Wood stepped onto the floor to be recognized as King and Queen. The students could not have chosen two more deserving people.

The Freshman attendants

were the first to be announced. Everyone grew silent as Mr. Roberts read the names of Chrissie Bingham and Ryan Tasker. Following them were Sophomores Julie Wood and Scott Pieratt, Juniors Shantala Sonnad and Ben Moeggenberg and then the Senior attendants, Jamie Stalter and Cy Tope were the second runners-up and the first runners-up were Julie Heintz and Ben Hackett. These students represented our school well and deserved this honor.

Seniors Cy Tope and Jamie Stalter stand out on the floor after being announced second runners-up. They eagerly await the decision of King and Queen.

Senior Jennifer Wood smiles as the students applaud her as the 1993 Homecoming Queen.

Sophomore James Siefker and Senior Matt Mingle look at their fellow football players to get the steps down for the dance they are to perform.

Jennifer Wood and Julie Heintz eagerly wait to hear who the court attendants will be.

UNDER THE BIG TOP

Homecoming Parade 1993

The Circus was back in town, but this time at Sacred Heart Academy. We are all children at heart when it comes to the circus. The music filled the air as we waited in anticipation for the Homecoming events.

Principal Mr. Rick Roberts made this comment on his first Sacred Heart Homecoming parade. "This year's Homecoming parade was the best parade I have ever been involved with. The day was beautiful and the number of people gathered for the parade was just amazing."

Mrs. Maddocks was chosen as the Grand Marshal for 1993. This honor could not have gone to a more deserving person.

"This year's Homecoming parade was one of the best ever. The organization and hard work really paid off and the parade was a success," said Senior Julie Heintz.

Sophomore Class President Tara Koester thought, "The parade was great. Many people put a lot of time and effort into making the parade one of the best. I was proud to represent Sacred Heart Academy in such a wonderful event."

Freshmen Eryn Wezensky and Jamie Flachs lead the parade with the traditional Sacred Heart Academy banner.

Freshmen Jenny Sweeney and Ryan Tasker take time out to pose with the Freshman float. The float took third place in this Homecoming event.

Sophomores show their class spirit down the parade route. The Sophomore class received 2nd place in the float competition. It took a lot of time and hard work, but it definitely "paid" off as a prize of \$25 was given to the class.

Juniors Mike Brocovich, Mike Gottschalk, and Eric Potter hold down the float after it starts to blow away. Despite this unexpected complication, the Juniors ended up with a 1st place finish in the competition, taking the grand prize of \$50. Congratulations, Juniors!

The enthusiastic Seniors get the crowd cheering during the colorful and TOP-notch parade. Despite the cold weather, the Seniors managed to make this day a memorable one.

Senior attendants Cy Tope and Jamie Stalter wave to the camera as they make their way down Main Street.

Far Left: Three of our finest Varsity Cheerleaders- Mandy Schafer, Tara Koester, and Jill Bowers.

Dancing to the traditional Homecoming Court dance are King and Queen Brian Carson and Jennifer Wood.

THE CIRCUS

Comes to SHA

On October 2, 1993 the Circus came to town as students from Sacred Heart Academy celebrated Homecoming 1993. The day began with the annual Homecoming parade downtown. After the parade, the Irish suited up for the big game against Morrice. Irish fans supported their team even with the weather being as cold as it was.

During halftime of the game, the crowning of Queen Jennifer Wood and King Brian Carson took place. Although the team gave it their best shot, the game ended in a tough 12-0 loss to Morrice.

Later that evening, the couples attended the semi-formal dance held at the Mount Pleasant Country Club. The room was decorated with festive balloons of all colors. Each student received complimentary goody bags filled with candy.

Jenny Rademacher commented on the dance. "I liked it better than last year's dance because people actually had fun. That made it more fun for me!" Many memories of that night are still in the minds and hearts of all.

Top Left: Posing for a group picture are Freshmen Chrissie Bingham, Kristina McCann, John Hunter, Angie Long, Nick McConnell, Jessica Rau, Nick Browne, Eryn Wezensky and Kirt Hartman.

Seniors Stay on Top

Throughout the 1993-1994 school year, the Senior class came to the realization that this was their last year of high school, may be the last time they would see many of their classmates ever again. It was time for the class to come together, and they did through Jr./Sr. Retreat, Homecoming, fund-raising activities, Senior Trip, and most of all Graduation.

The Seniors have been known for their ability to make dreams become realities. They accomplished their goals and worked together to make things fun and successful.

According to Senior Leann Schafer, "Our Senior spirit is really high. We know we're on top so we show it." The class displayed tremendous school spirit at all school events- boys or girls,

big or small, through rain or shine- it didn't matter what the event was or where it was located, the Seniors were there as participants or loyal fans.

Vice-President Greg Siers comments on some of the trials the class officers had. "With all of the important decisions that faced us this year, through it all we stuck together and came out on top!"

"It was hard to have everyone in the class agree on one thing, but somehow we managed to make good, smart decisions that made the majority of the people happy," adds President Jill Jackson.

The year was over before they knew it, and the Seniors were both relieved to finally be finished and sad to see it all end. The memories they made will be remembered for the rest of their lives.

Senior Memories

Describe Your Most Embarrassing Moment In High School.

"During Freshman Initiation. I had to where a woman's wig and a dress and flex my arm muscles in front of the entire school."

-Nick Thering

"When I ran into 3 fences and a house with my car. I was driving down the road and passed out at the wheel. When I woke up, I was in somebody's yard."

-Leann Schafer

"Being handcuffed to the urinal by an upperclassman during my Freshman year."

-Greg Siers

"During Freshman Initiation I was blindfolded and had to bob for 'apples' (tomatoes and onions). I couldn't reach the bucket so Rob Ervin had to pick me up. I had my cheerleading skirt on and flashed everybody plus my whole head got wet!"

-Jamie Stalter

Where Do You See Yourself In Ten Years?

"Making money, maybe in the FBI, and being happily married to Kathy Ireland!"

-Bryan Walling

"Retiring."

-Matt Mingle

"I will be a high school teacher, hopefully!"

-Jeremy Ervin

"On the beach in the Bahamas."

-Nick Thering

"I'll be running an independent business out West."

-Cy Tope

"Managing some type of business where I make more money than my husband! I will be married to the most beautiful man on this earth."

-Angie Phillips

-Jill Jackson

Who Is Your Favorite Teacher and Why?

"Ms. Konwinski- she's cool and there's no rules!"

-Bryan Walling

"Mr. Durocher because he appreciates the value of good doughnuts!!!"

-Matt Mingle

"Mrs. Curry- she is understanding and caring. She is easy to relate to and talk to."

-Leann Schafer

"Mr. Clark because he is the kindest and most down to earth."

-Cy Tope

"Clarence!"

-Nick Thering

"Ms. K. because she gets mad at the littlest things and makes me laugh!"

-Jamie Stalter

How Do You Feel About Graduation?

"Anxious and worried about what the future brings."

-Greg Siers

"Happy, sad, and excited all the same time!"

-Angie Phillips

"I really want to get out of here but I know I'll miss high school. I am both scared and excited for Graduation to come. I just don't want to give a speech!"

-Jill Jackson

"I am glad I'll be getting out of school, but I'm unsure of what is going to happen in the future."

Jr./Sr. Retreat

In late November, the enthusiastic "upperclassmen" journeyed to the Spring Hill Camp in Evart for the annual Junior/Senior Retreat. This year's theme was "Values." SHA students as well as some from the area took part in the annual event. The fine camp staff, made up of teachers, coaches, and friends of SHA, treated the young adults to two full days of spiritual and emo-

tional guidance. This retreat was what it was because of the unbeatable spirit of those who participated. Whether it was the competitive water polo tournaments, Freddie Szlag's from-the-heart piano playing, the candlelight vigil, the countless ping-pong matches, or even the girls' canoe trips...WE ALL MADE THIS TRIP VERY SPECIAL.

Junior Freddie Szlag wooed the crowd with some of his amazing piano playing.

The Senior guys pose for their final picture at Spring Hill. The men enjoyed a few days of friendship, laughs, aggressive water polo, and most of all the ruthless late-night paper-tossing wars!

Senior Bryan Walling said he "had a great time, but after a while it felt good to head home."

Juniors- One Step to Go

This year's Junior class has one common goal—the goal to succeed. They are all very hard workers and enthusiastic in everything they do. Class President Diana Wood agrees with this and says, "The class of 1995 has a lot of potential. Being a Junior Class officer, I like acting upon my class' interests and goals."

Traditionally, the Junior class has been in charge of planning Jr./Sr. Banquet and Prom. This year's banquet was a huge success. The Juniors enjoyed performing skits and singing songs for the Seniors, whom also had a great time. The MC's for the 1994 banquet were Katie Murphy and Andrea Cherry.

Prom was also a huge success. The Junior Class officers spent a lot of time planning this huge event, and it definitely paid off. Almost everyone had a great time and they made it a memorable last dance for the Senior Class.

The Class of 1995 has proven what they are capable of through the organization of banquet and Prom. This group of students is very responsible and knows how to get things accomplished quickly. They are now prepared for the biggest year of their high school careers and will be able to organize Senior Trip, retreat, fundraisers, and Graduation with no problem at all.

Reaching For the Top

Starting from the bottom is not an easy thing to do, but the Sophomore class is slowly but surely making their way to the **top**. The class managed to make it through Freshman year, so the future is looking very promising for the Sophomores. "I think we have a lot of hard workers in our class," says Jenny Rademacher. "Yeah, and we have a lot of fun years ahead of us," adds Sophomore class President Tara Koester.

Most of the Sophomores are involved in some form of school activity. The majority of them play on at least one athletic team, as well as many others who are involved in an academic organization. "Being involved is great because it allows you to interact with so many other people," replies Koester.

Since many of the Sophomores are receiving their driver's licenses this year, they are learning more about responsibility. Jenny Shafer tells why she likes having her driver's license. "I don't have to wait for my parents to get home to go places and I don't have to depend on friends to take me places."

There are lots of things to like about Sophomore year-hey, at least you aren't a Freshman anymore. There are other things that some Sophomores aren't very fond of. Peter Courtright comments on his year as a Sophomore. "Sophomore classes are pretty fun except computer class. It's pretty boring. Other than that it has been a fun year."

Well, the Sophomores are well on their way to the **top**. It is a rough climb, but it is definitely worth it when you reach the end.

Top of the Line Freshmen

School has just started and now the group that once ruled the junior high finds themselves being ruled over by all other high school students. The Freshmen have taken a big step up (or is it down?) to the high school. This dramatic change has had a big impact on the students in many ways. "You can't rule over everybody like you did in junior high. You feel a lot more mature now that you're in high school," says Starla Cadin.

Even though being a lowly little Freshman sounds like the end of the world, it isn't as bad as some people think.

"It was bad being a Freshman at the beginning of the year because you felt out of place and didn't know anybody in the high school. Initiation was pretty

embarrassing," says Amanda Garrett, "but now I feel like I fit in better because I know more people." Trying to adapt to the new ways of high school life and more demanding teachers is a hard thing to do, but this class has managed rather well. Despite their large size and short time in senior high, they have proven to be a very spirited, close knit group of students.

The Class of 1997 has taken the first step towards the end of their high school career. The climb so far has been a successful one, full of memories, hard work, and loads of fun.

"This year has been the best. I loved it! It will probably be one of my favorite years in high school. Even initiation was fun! It has been a great experience," says Angie Long.

SEARCHING FOR THE TOP

THIS YEAR'S EIGHTH GRADE TRIES TO SEARCH FOR THE TOP

The Class of 1998 is one of the most unique classes the Junior High has ever had. Having 44 enthusiastic individuals gives Sacred Heart tremendous school spirit. Entering the High School next year is one big step for the eighth grade. They will be ready with all the enthusiasm needed to make it as Freshmen.

A wide variety of people make up the Class of 1998. There are athletes, singers, dancers, scholars, and volunteers galore. They are full of school spirit and that shows when they support our many athletic teams at pep assemblies and games.

This group has the skills and abilities necessary to become a successful class at Sacred Heart Academy. They are hard workers who have the ability to achieve anything they want to.

Being the head of the Junior High, the eighth graders are looking forward to their search for the top next year. They will definitely be looking from the bottom up but they don't mind the challenge. It is what the class of 1998 strives to do!

Mike Stahl and the eighth grade ladies perform to "New York, New York" for Catholic Schools Week. This demonstrates the wide range of talents and abilities of the Class of 1998.

Many eighth graders show their school spirit by dressing up in colorful costumes for Halloween. The Class of 1998 is notorious for school spirit.

TO TOP IT OFF!

THIS YEAR'S SEVENTH GRADE MAKES THE MOST OF THEIR NEW YEAR

The class of 1999 is the biggest class in Sacred Heart history with 60 students entering the 1993-94 school year. Their large number makes it impossible to ignore them. Sacred Heart's future looks bright both academically and athletically. They add to Sacred Heart's spirit by attending almost all athletic events.

The new experiences of Junior High life hasn't hurt them a bit. They have adjusted well to the changing of classes every hour and the larger atmosphere. Being the bottom of the barrel is tops for them since they enjoy the challenges of working and stepping up the pace.

The seventh graders are one of the most enthusiastic classes the Sacred Heart Junior High has had in some time. They know how to work together which will help them tremendously later on in High School and with the rest of their lives.

Some seventh grade decorators try to make Deana West look her best in Christmas lights. They were designing Mrs. Marti's door for the 1st annual Door Decorating Contest.

What is the funniest joke a student has ever played on you?

"When a student put a 'heavy metal' tape in the sound film-strip projector. I wasn't expecting it."

-Father Don

"When two students sang 'Happy Birthday' to me over the loud-speaker right in the middle of class!"

-Mrs. Murray

"I usually don't understand their jokes. You know, they go over my head."

-Ms. Delemeester

"A student brought in a hand grenade and threw it on the floor. I didn't know it was disarmed. I think the student thought it was a lot funnier than I did!"

-Mr. Durocher

What would we do without Clarence? He is pictured here taking a break from all his tasks to say "Hi."

Who is this man? Mr. Stevens, our new Guidance Counselor, is a Mr. Rooney look-alike. (Ferris Bueller's Day Off)

During a class competition, Senior Ryan Moeggenberg pushes a basketball with his head towards the finish line.

The gym is a standing room only at most of the basketball games.

A 'Spirit'ual Gathering

School spirit has always shown through at Sacred Heart Academy. Being one of the loudest crowds around, the fans always cheer for their school and stay involved in school events, not just athletic events.

During pep assemblies, the tremendous pride and confidence the students have in their school really shows through in the many compe-

titions and fun contests the classes have.

A new incentive for showing your spirit at pep assemblies is the spirit jug. At each pep assembly, the class that is the loudest and has the most spirit receives the jug until the next assembly, where other classes have the opportunity to take it away from them. This will hopefully increase school spirit.

Senior Leann Schafer shows her spirit by participating in a volleyball competition during Christmas. It looks as though Leann has taken time out to strike a pose for the camera.

After all of their hard work and time spent watching over the snacks, Ben Hackett and Joe LaPalme make sure there's enough candy left over for them. Gentlemen, enjoy!

Awards Night

Sacred Heart Academy honored its **top** students on Thursday, May 19th at its annual Awards Night Assembly. The ceremony included all Junior and Senior High School students who had an academically successful school year. Over 60 percent of the student body were asked to attend.

This year there were more scholarships awarded than ever before. This year's Seniors spent countless hours filling out many applications and it paid off. Other classes had students commended for leadership, service, and most

of all, scholarship!

First year counselor Mr. Stevens and principal Mr. Roberts did a fine job of arranging the event. In the future, there could possibly be two Awards Assemblies in the school year because Mr. Roberts feels "students should be honored more than once a year."

All of our fine academic achievers have brought great pride to our school and worked hard to do so. For all who attended, it was definitely an assembly worth going to and something to be proud of.

Top: Father Tom and Mr. Roberts honor the Senior members of the National Honor Society with NHS stoles. Of the students in the Senior Class, 9 were members of NHS.

Joe was awarded the Litton Scholarship (worth anywhere from \$5,000 to \$10,000) and Jill received the Central Michigan's Board of Trustees Scholarship (worth approximately \$6,000 and free credit hours.)

Right: Bryan Walling and Gireesh Sonnad have a great time at the Awards Night Assembly. One of the main awards Bryan was given was the Pacholka Memorial Scholarship. Gireesh was awarded the Academy Award, as well as the Principal's Leadership Award. They both have just realized that the final step before the end of their Senior year, Graduation, is right around the corner.

1994 Spelling Bee

The 17th Annual Spelling Bee was one with a humorous ending. When all of the contestants dropped from the race to the finish, it all came down to brother and sister Gireesh and Shantala Sonnad. The audience watched the siblings battle it out word for word until the very end, when finally someone had to give. Older brother prevailed over little sister in the contest, but no hard feelings between the two. The other top winners from each class were:

Freshmen: Nick Hackett, Amanda Frick, Amy Zarembo, Eric Stalter. **Alternates:** Mahlon Frederickson, Eryn Wezensky.

Sophomores: Angie Sweeney, Autumn Schafer, Jill Bowers, Tara Koester. **Alternates:** Rick Henkes, Steve Horgan.

Juniors: Shantala Sonnad, Teresa LaPalme, Dallas Walton, Andrea Cherry. **Alternates:** Jamie Carter, Mandy Schafer.

Seniors: Leann Schafer, Gireesh Sonnad, Angie Phillips, Joe LaPalme. **Alternates:** Julie Heintz, Greg Siers.

Right: Sister and brother Shantala and Gireesh Sonnad were the top two finalists in the 17th Annual Spelling Bee. It must run in the family!

The four top winners of each of the classes were Freshman Eric Stalter, Sophomore Autumn Schafer, Junior Shantala Sonnad, and Senior Gireesh Sonnad.

Student Council Advisor Mrs. Fitzpatrick gives ideas for the board to think about.

Having one group of students working together to get things done isn't always easy to do. But with changes being made in the governing procedure of Student Council, accomplishments certainly have been made. In past years, meetings of the Student Council have not been as organized or structured. This year, however, parliamentary procedure has been used at all meetings. This is a more formal way of governing which makes meetings run a lot smoother and has proved to be quite successful.

"The Student Council has taken a more active role in developing the responsibilities of leadership positions this year. We will continue to expand in this area for the next year," says Student Council Advisor Nancy Fitzpatrick.

Some of the successes were the Christmas activities, Homecoming, various dances, post-game parties, and pep assemblies, which the Student Council has recently taken the responsibility of organizing. These activities are just the beginning of a long list of accomplishments to be made by the Council.

Council President Gireesh Sonnad comments on the successes of this year: "I am really happy with the things Student Council has done this year. I like the fact that we are evolving into a liaison between the students and the faculty; we are a group that both sides can talk to. I hope that in the future the Student Council can continue this unity and cooperation throughout the school."

Above: Mike Seestedt, Mike Brocovich, and Bryan Walling find that being tourists isn't all that it's cracked up to be.

Left: Mandy Schafer and Amanda McConnell prepare for an evening on the town.

A week before Spring Break, many of the Juniors and a few Seniors took an extra week's vacation to see our nation's Capitol. Throughout the entire school year, the organization held many fundraisers to earn money to cut down the cost of the trip, which was about \$1,000 a person. Even though this sounds like a lot of money, the students had the opportunity to raise enough money to pay for the trip without it being really expensive.

Mr. Durocher and Eileen Rush helped organize the trip and fundraisers. When the long hours and hard work were over, the students could relax and enjoy themselves on their trip to Washington, D.C. From the feedback of those who attended, it was well worth the sacrifices and was a great opportunity. The trip was not only a fun vacation and a chance to tour the country, but also a great learning experience that everyone should have, especially if given the chance.

Spring Drama Club

The Sacred Heart Spring Drama Club was in "top" form for their Spring play. Their hard work paid off with an outstanding performance of "In the Middle of Grand Central Station". Julie Heintz played the lead role as a runaway fifteen year-old girl who is living in the tunnels of Grand Central Station. Jeremy Ervin, Melissa Bailey, and Jill Bowers were the co-stars of this production.

To get a release from the normal everyday life, it's fun to be someone else, and to know that you worked hard to get that spot," said Jill Bowers. The kids in the Drama Club voted on this play, which took 3 months to prepare. The students spent many extra hours in the evenings and during lunch hours memorizing lines, working on props, and rehearsing for the big production. This group of young actors and actresses has a lot of talent and dedication to make it big.

"Totally Totes", the 1994 Junior Achievement company from Sacred Heart, had a surprising year. The decision on a good product to market was a tough one, but eventually the decision was made to produce all sorts of bags! They were offered in 6 different styles and multiple colors. The officers took a lot of

time and preparation in making sure that the company was a success. Many man hours went into ensuring that the class came out on TOP! Senior and JA President Greg Siers said, "We were lucky to have 7 fine, very hard workers for officers who really helped in making ours a company to hold pride in!"

Front Row: President Greg Siers, Co-VP's of Marketing Cassandra Hartman and Gireesh Sonnad, Secretary Leann Schafer. Back Row: VP of Finance Jane Vogel, assistant Ryan Moeggenberg, Co-VP's of Production Ben Hackett and Julie Heintz, VP of Human Resources Brynnae Green.

Junior Classical League

The Junior Classical League, or Latin Club, is a motivated organization that has had a very productive year. The Latin II class held an induction ceremony for Latin I in October. Also in the early fall they have the traditional "Latin Candy Bar" sale which helps pay for National and State JCL dues and conventions.

The Fall convention was held at Kalamazoo College. Nine members attended from our Latin Club. One of the highlights was the three legged race, which Andrea Koenig and Reilly Wilson took a third place finish in. Carrie Theisen made this comment: "The convention is a lot of fun because you meet people from other areas that you wouldn't have otherwise met."

In March, both classes competed in the National Latin Exam. Hopefully some awards will be won. April 17-22 was National Latin Week.

JCL President Michael Hackett said this about the club: "The Latin Club is a great experience for students because it gives you the opportunity to learn the history of the language you are learning. I'm certain being in the Latin Club will prove to be quite beneficial in future classes and exams."

National Honor Society

This year's Cor Jesu chapter of the National Honor Society celebrated its 31st year of hard work and success. In 1994, 11 students were inducted at a special candle-lighting ceremony, which is a tradition for the National Honor Society at Sacred Heart Academy. The students were inducted based on their scholarship, service, leadership, and character.

This year's officers are:
President-Jill Jackson
Vice President-Jeremy Ervin
Secretary-Kasey Hartman
Treasurer-Joe LaPalme
Public Relations-Julie Heintz

The National Honor Society adviser is Mr. Rick Stevens. He works hard to coordinate service hours with the busy schedules of the society members.

The incoming officers are:
President-Sarah Groves
Vice President-Teresa LaPalme
Secretary-Autumn Barbour
Treasurer-Mandy Schafer
Public Relations-Shantala Sonnad

The students in the National Honor Society have proven to be hardworking and successful in the community. They have helped set up luminaries downtown during the Christmas season, answered phones for CMU public television, and worked to help the environment by taking part in the Adopt-a-Highway program, which designates a certain area of land for the NHS members to clean up. Taking part in these programs ensures the National Honor Society success for the future.

Students Against Driving Drunk

Students Against Driving Drunk offers a lot to students at Sacred Heart Academy. Consisting of thirty-seven members, this organization is one of the largest groups active in the school. During Homecoming time, SADD traditionally provides dimes for rides home, hoping people will not drink and drive. The organization also promoted safe driving by having a poster contest within the school. Winners from the school were eighth grader Nicole Zeien, seventh grader Matt Holt, and Sophomore Tara Koester.

April was SADD Awareness month. Public service announcements were given throughout the month to inform people of some outrageous drinking and driving statistics. A speaker also came to our school to let everybody know that the way to be is alcohol and drug free!! The students were fortunate to see a slide show that showed the dangers of drinking and driving. Our SADD group helps the students deal with real life situations.

Mrs. Murray, the Spanish Club Advisor, helps Patty Pyke, a Spanish I student, with her homework assignment. Mrs. Murray was a big contributor to the Spanish Club by arranging meetings and ordering pizza for lunch meetings.

Spanish Club

The Spanish Club has resumed here at Sacred Heart Academy after not being in session for a few years. Now the Spanish "Gatatumba" Club is off and running once again. The club has had many meetings and a bakesale fundraiser that included foods from all over the world. The Spanish Club is also planning a Junior High dance and a dinner at the local La Senorita.

Somemembers of the Gatatumba Club also competed in Cental Michigan University's annual Foreign Language Day. Spanish II and III both got second place awards in the Song and Dance category.

The Spanish Club has come a long way since the beginning of the year. Let's hope that next year they can carry out this newfound tradition.

The Spanish Club: Julie Wood, Tara Koester, Dan Osman, Steve Horgan, Sarah Groves, Mike Seestedt, Jeremy Bahr, Meighan Fitzpatrick, Amanda McConnell, Jeanna Wiczorek, Jill Bowers, Jamie Carter, Amy Verwey, Jamie Flachs, Akhona Goduka, Jenny Rademacher, Alan Albrecht, Shantala Sonnad, Eryn Wezensky, Ben Moeggenberg, Michelle Rudoni.

Having a small yearbook staff does not necessarily mean a small amount of talent. In fact, sometimes it leads to bigger and better things. With only six people working hard to pull the whole book together, the staff surprised even themselves with the outcome.

"With a small staff it is much easier to communicate with each other!" said Jenny Rademacher, Sophomore staff member. "The fact that only a few of us were in yearbook made us all work that much harder," added Senior Greg Siers.

The staff is amazed at the improvements that have been made over the last couple of years, but they didn't come easy. "It took a lot of extra hours after school and on the weekends, but I am very happy with the results. We realized that there was so much more we could do to make the yearbook better, and we did it," stated editor Jill Jackson. The staff hopes you enjoy it too!

Student Helpers Are a Big Help for the Staff

Student tutors and teacher/office aides are a big help for the faculty at Sacred Heart. The teachers appreciate those students who take the time to do the little things the teachers often find themselves not having time for. Most of the students enjoy helping Mrs. Most or the teachers. It gives them a free hour to deliver messages, collect attendance slips, file papers, or do whatever needs to be done.

Having student tutors is a great way to help out those who need it, mostly the Junior High students. For the most part, the High School students spend time after school helping the younger kids learn more about the subjects they find most difficult. The younger students like the opportunity to learn from the older students instead of teachers all of the time.

Varsity Football

Are you ready for some FOOTBALL?! This year's Varsity Football team definitely was. They came out onto the field hitting hard and running fast. After a summer full of grueling training sessions and a whole lotta' practice, the Irish were ready to give it their all.

This year's overall record doesn't do them justice. Their's was a team spirit you could feel even while sitting in the bleachers. They enforced the fact that it isn't whether you win or lose, but HOW you play the game!

"It is really deceiving when you look at our record, but when you came to a game you realized that we played as a team and had a lot of pride," said Ben Hackett.

Bryan Walling added, "Adjustment periods are always tough. This was an adjustment season and I think this year's team started a tradition of excellence for Sacred Heart football, even though our record may not have shown it."

Under first year coach Mr. Roberts, the team brought pride back to the Sacred Heart Academy football program. The team was led by Seniors Brian Carson, Bryan Walling, Cy Tope, Nick Thering, Dave Siefker, Ryan Moeggenberg, Matt Mingle, and "All-Stater" Ben Hackett.

"We worked hard and towards the end of the season we came together as a team," stated Nick Thering.

"As my Senior year of football passed by quickly, I noticed that we all stuck together through the worst of it. For everyone playing next year, especially the Seniors, you better play your hardest every minute of the season because it goes by too fast," said Brian Carson.

It will be a tough act to follow for next year's Varsity football team. No where in the near future will the fans of the Sacred Heart Fighting Irish be able to forget the winning team from the 1993-94 season.

The Varsity football team had a tough conference loss to Morrice. Here Nick Thering takes the hand-off from Bryan Walling.

It has been years since we have had a Junior Varsity football program and now that we do, you can tell the school has a different attitude towards winning. Since Mr. Rick Roberts took over the head coaching job of the Varsity team, he has implemented a new playing style and image of Sacred Heart football. He hired Junior Varsity head coach Mr. Chad Jones, who the kids got along and had fun with.

The reason for Junior Varsity football is to get the kids interested in playing Varsity football. This is exactly what happened this year and the Varsity program better look out for these young and outstanding athletes. These kids want to learn, play hard and win, and that's what it takes to move on to the next level.

The Junior Varsity girls' basketball program was very successful this season and it was partly due to the coaching style of Mr. Rick Domingo. Coach Domingo had a disciplined style that put the girls through harsh physical training. This style prepared the team greatly for battle against tough competition. With the combination of talent and coaching the girls had an unbelievable season that they should all be proud of.

Everybody on the team contributed and gave it their all while they were on the court, which is needed to win ballgames. All in all it was a great season for the girls and each one of them is prepared for another fun filled basketball season next year.

Sometimes the only way to be successful is by traveling the long, tough road. The 1993 Varsity Girls' Basketball Team did just that, beginning with their first game of the season, a crushing loss to rival Beal City. The rough start to a great year didn't hold them back, though the team had only two returning seniors and two returning juniors, as well as new coach Mike Gray.

This inexperienced team made changes in their playing style, switching from zone defense to man-to-man. It took a while for the girls to get used to it, but it helped them become a better ball team in the end. As if getting used to the new style of ball wasn't hard enough, the team was struck by injuries only a few games into the season. Con-

cussions, broken fingers, sickness, knee injuries, sprained ankles...and the list goes on and on.

"Although we spent a lot of time in the emergency room, the season was fun and successful," said Junior captain Amy Gray. "By the end of the season, the Emergency Room crew could probably talk to us on a first name basis, we were in there so much," added Jill Jackson.

The team learned many things about the game of basketball, both on and off the court. "You've got to have the right 'attitude' to play your best," said Jamie "Attitude" Carter. Sophomore Jenny Shafer learned that "being successful doesn't always mean winning." If the team learned one thing this year, it was to never give up when the chips were down, because with hard work and a great attitude, you can achieve your most outrageous goals.

Cheering for the football team gave the Varsity Football Cheerleaders lots of reasons to make some noise. The young squad was made up of three Freshmen, two Sophomores, one Junior, and one Senior.

Coach Andrea Orth had a lot of fun with these hardworking girls, teaching them new cheers, stunts, and the basic fundamentals of cheerleading. The squad learned to stick together, especially through the cold weather. But no matter how warm, cold, rainy or windy the weather was, the Varsity Football Cheerleaders were out there supporting the guys.

"Even though the guys didn't have the best record, they had the best support we could give them," said Amanda Frick.

Senior Jamie Stalter said, "Cheering for football can be challenging, yet exciting. I have made friends with a lot of the girls on the team and have had some very valuable memories."

Junior Mandy Schafer shows off one of the many signs she made for the athletes during football season. As a cheerleader, one way to show support for the school's athletes is to make locker designs and paint signs to hang around the school.

Michael led the team to a 12-4 record, 2-0 in the conference. The golf team was 3rd at the Breckenridge Invitational and 4th at Regionals.

The coach this year was Mr. Mike Hackett, Sr. In his first year coaching, he taught the team the basics and they learned a lot from him. Scott Pieratt, Harvey Schafer, Steve Horgan, Dan Campbell, and Michael Hackett were the five athletes that went to Regionals.

Dan Campbell commented on this year's season: "Being on the golf team was a very happy, happy, fun time."

Everyone on the team said that they have the potential for a State Championship in the years to come. It will be interesting to see them live up to their potential.

First year coach Ted Hackett was excited when he found out he got the job as head coach of the 1993-1994 Varsity Girls' Volleyball Team. This was his time to turn around the volleyball program at Sacred Heart Academy and up the playing style to new heights. He did just that as the team ended the season 10-22 overall, 8-5 in the conference. This was a dramatic turn around from the last couple of years, where the team won very few contests.

The Varsity team worked really hard this year to produce such an improved record. The girls were very disciplined and learned the basics of volleyball. The new aggressive style of play the team developed made them do things they never thought they would ever do, such as dive for balls, block hits, or slam balls down at

the floor.

One of the highlights of the season was the MSAC tournament held at Vestaburg. Sacred Heart had a rough start, losing the first match to Webberville in this double elimination contest. The team bounced back to beat the next five teams one after the other and soon found themselves in the Championship finals after beating conference champs Vestaburg. The Irish ended up losing to Vestaburg, but it was something the team could be proud of.

There was a lot of hard work and dedication put into the team by both players and coaches and that is what it takes to be successful—a team effort. The new uniforms and increased crowd support made the Varsity Volleyball Team feel confident and develop new attitudes on the court.

Bump, Set, Spike!

Sacred Heart Volleyball is on the way up, and this year's Junior Varsity team proved just that. Although their 1-21 record didn't show it, the team earned all the fundamentals needed to make an exceptional volleyball team.

Hitting was a definite strong point for the Junior Varsity. Leading the way were middle hitters Carrie Theisen and Jeanna Wiczorek, outside hitters Jenny Rademacher and Andrea Koenig, and swing hitters Angie Bollman and Michelle Rudoni. Another fine contributor to the JV was setter Tia Hackett. Her setting improved the team incredibly. Even though it is a difficult task, Tia handled it with the ease of a pro.

Junior Varsity Cheerleading

The Junior Varsity Cheer Team climbed over many obstacles during the 1993-94 season. Despite not coming away with any medals, the JV team entered a competition for the first time in Sacred Heart history. This was a big step in the right direction for the future of Sacred Heart cheerleading.

These seven girls worked hard to pull things together. They gave it their all to cheer on the JV Boys' Basketball Team to victory after victory. They even cheered at some Freshman games, which required a lot of time and extra effort. By the end of the season, you could tell this team definitely got as much out of cheering as they put into it. The improvements that were made will start them in the right direction for the Varsity squad.

The 1993-94 Winter Cheer Team season was definitely something to cheer about! This Varsity team made up of three Freshmen, one Sophomore, two Juniors, and three Seniors really pulled together for numerous victories. Teamwork is the ability to work together toward a common goal. This is something the Varsity Cheer Team possessed. Mandy Schafer said, "There was no MVP on our team. We practiced and won as a team, not as individual players. Cheerleading is different," she said, "in the way that one person injured or sick can make the difference." In cheerleading, there is no bench to look to in case of sickness or injury. This year, the team stayed clear of these and disciplined themselves toward winning and having

fun. Both of which they accomplished.

The Cheer Team's practice and lifting season began in October and extended into March. In their first competition of the season, Holiday Cheers! To You, they took a strong second place. Through December and January, they concentrated on their second competition, Redwing, at which they took first place. Then it was off to Regionals in East Jordan on March 5th. There they grabbed a first place qualifying finish for the fourth year in a row. The State Championship was held at Saginaw Valley State University on March 13th. A big S.H.A. crowd showed up to support their team. Though they hoped for more, the team took third place against strong competition.

This year your Varsity Cheer Team strived to maintain the highest standards, magnified the smallest of details, and went the extra mile for Sacred Heart Academy.

Sacred Heart's Freshman Boy's Basketball team gives the future program something to cheer about. The talent that this team showed was impressive. These fourteen basketball players will provide a solid foundation for next year's Junior Varsity team.

The extra year between Junior High and the Junior Varsity level of basketball provides time for improvement and skill building. Also as Freshmen they see more playing time. Having a Freshman team not only benefits the players but also the future of basketball at Sacred Heart Academy.

The Junior Varsity boys' basketball team was very young this year including four fabulous Freshman and the two Sophomore captains Scott Pieratt and James Siefker, which led the squad of athletes. "The team had some problems during the year and couldn't seem to get together until the end of the season," says Scott Pieratt, "but when we worked together as a team we were unstoppable."

Next year the Sophomores will be missed and the Freshman will step up to do the job and carry on the tradition of excellence.

The Varsity Boys' Basketball Team learned the true definition of teamwork, but they had to learn it the hard way this year. Many times during the season, the team found themselves in some tough situations, but they managed to find ways to pull through them and come out as a successful ball team.

At the beginning of the season, starting point guard Michael Hackett was out with a broken wrist. Shortly into the season, Makhonza Goduka injured his knee. Having two guards on the bench, the Irish needed to make some quick changes. Coach Dan Simons shuffled things around and asked his players to work with him to overcome this challenging obstacle.

Just when things were looking as though they could not get any worse, they got better. The team began winning the close

contests, due to the leadership of the four Seniors.

"The captains really stepped up this year, and they helped emphasize the team effort," said Senior captain Ben Hackett. Also a Senior captain, Bryan Walling added, "I was kind of disappointed with the way the season ended, but I had a lot of fun and everyone should look forward to SHA basketball in the future."

One of the highlights of the season was reaching the century mark against conference rival Morrice. This rare event was a thriller for all who attended and will never be forgotten, especially by those members of the 1993-94 Varsity Boys' Basketball team.

Congratulations on a winning season, and good luck to the Varsity players next year.

The Sacred Heart Junior Varsity Softball Team had a very successful season. They were a young team, but the record showed they also had a lot of talent. First year softball coaches Lori Jackson and Andrea Campbell helped the team develop the skills needed to come off the field with victories.

The JV team kept a positive attitude throughout the season. They represented Sacred Heart well with good sportsmanship, whether they were winning or losing.

Sophomore Andrea Koenig commented: "I was really proud of our team. We played schools twice the size of ours and usually came out with a victory."

When you say JV Baseball, you think about preparing for the Varsity and developing the same concepts, playing style, and techniques used at the Varsity level. You must learn from the mistakes you make because when you take that big step up to the next level, the mistakes will be costly.

Coaches Mick Natzel, Chad Jones, and Jeremy MacDonald dealt with the frustrations that all coaches encounter, but the players were hard workers and quickly learned the fundamentals needed to have a solid team. They ended the season on a good note with a nine game winning streak and have something to build on for the future of Sacred Heart baseball.

The 1994 Varsity Softball team made many accomplishments this year including a Regional Championship and a trip to Battle Creek as one of the final four teams in the state. In the history of Sacred Heart girls' athletics, this has never been done before and it is something everyone can be proud of.

Part of the reason the Irish were so successful was because of the tough competition the team faced all season long. They were faced with the challenge of competing with class B and C schools, among them being Coleman, Ithaca, and Bay City All Saints.

The team really pulled together this year like a family which needs to be done to have

a successful season. The willingness to want to learn and work hard combined with the talent on this team made this year a great one.

One of the highlights of the 1994 softball team was the Quarterfinal win over number two ranked Frankfort and their star pitcher Mandy Kittleson, Ms. Michigan softball player of the year. The Irish cruised through Districts and won Regionals which allowed them to travel to Battle Creek for the Semifinals where they took on the number one ranked team in the state. Here the Fighting Irish fought for all it was worth but came up short.

The girls had a spectacular year and it is one the school and they will never forget.

Once again the Varsity Boys' Baseball team had an impressive season but it came to a much sooner finish than all would have liked. The team lost the first game of Districts just like they did the year before to the same team with the identical score. It was a disappointing end to a great season but I have a feeling it won't happen next year. The team is only losing two Seniors from this year's squad so the Irish will have many returning players in the upcoming season. This year the team included one Freshman, seven Sophomores, three Juniors and the two Seniors. Everyone had to contribute to this year's team for them to be successful and that is exactly what happened. They were the Mid-State Athletic Conference Champs for the second year in a row, spotting a 12-0 record in the confer-

ence. The team is looking to win a third straight championship next year and is likely to do this with the bulk of the team returning.

The disappointing loss in Districts devastated the players and the circumstances made it even worse for the team, since they lost to the same team by the same exact score as in the previous year. The Varsity Baseball team is determined to stop this from happening again, and the players know if they can just overcome that first obstacle, they have a great chance at a trip to Battle Creek and a run for the State Title. The team is young, talented, and stacked with players that are confident that next year's season won't end so quickly. Look out Battle Creek, because the Fighting Irish are going to make their presence known.

Varsity Track 1994

The Sacred Heart track program is something that the participants should have a lot of pride in being part of. As coach Edan Hosking said, "This is the most successful track team that SHA has seen in the last ten years."

It has been a long time since anyone from Sacred Heart has made it to State for track. This year four qualified. At Regionals six out of the seven runners received medals.

At the Spring Sports Banquet, Coach Edan Hosking gave special honors to his top five runners. Allison Neyer, who received the Most Valuable Runner and Most Improved honors, qualified for the State meet in the mile.

Senior Dave Siefker, who missed most of the season due to illness, contributed a lot to the team while he was there.

Jeremy Ervin, who ran four years with the Varsity Track program, placed fourth at Regionals in the 300m hurdles, which qualified him for the State meet.

Senior Ben Hackett, the High Jumper for Sacred Heart, placed us over the top with an eighth place finish at State.

Captain and Most Valuable Runner Nick Thering took sixth place and then fourth at the CMU Invitational in the 100m dash.

Let's hope that the Varsity Track program continues its success in the years to come.

The annual Junior/Senior Banquet was held on April 29th at the Parish Center. The Junior class put on a beautiful banquet for the Seniors that included spectacular decorations done in the Junior class colors, funny skits that everyone could laugh about, and wonderful food. In return, the Seniors came up with wills for the Juniors and were given Senior awards voted on by the class.

The Juniors did a good job of including all members of the Senior class in the skits and role played the Seniors very well. Some people to remember were Mike Seestedt role playing Bryan Walling and Dallas Walton, who played Ben Hackett perfectly. Jessica Maddocks sang a song for the Seniors and Mandy Schafer, who played Julie Heintz, recited a poem to entertain the audience in between skits.

This year's DJ's were Andrea Cherry and Katie Murphy, who did a good job keeping things moving. The Seniors really enjoyed this memorable night, as well as everyone else who attended, and will remember it for the rest of their lives.

Senior Retreat

The 1994 Senior Retreat was held on Monday, May 16th at Neithercut Woodland. This year's theme was Journeys. The Seniors spent many weeks preparing for this day, organizing activities, memory books, and transportation. It was a huge success and a day to remember.

The day started off with an ice breaker activity that got everyone in good spirits. Then there were some more serious activities where the Seniors reflected on old times and told of their morals. Towards the end of the day, the class came together and realized they had grown into a family, and now had to go their separate ways and see what the future would hold for them.

One of the activities dealt with forgiveness. Everyone was given a piece of ribbon and had to "tie up" loose ends with people they had or were having problems with. The two people talked things out and when things were better, both people tied a knot in their ribbon. Here Angie Phillips and Sara Rush are doing just that.

Senior Trip

The Senior Class of 1994 chose to go to Toronto for their Senior trip, and their choice was a great one. The class took the train Thursday, May 5th and returned Sunday night, May 8th. While on this trip, the Seniors saw "The Phantom of the Opera", a Toronto Blue Jays game in the SkyDome, went to the CN Tower, shopped at the Eaton's Centre, attended a murder mystery dinner, went to the Ontario

Science Centre, and ate at a fun restaurant where making lots of noise and banging on the tables was upon their request.

The Seniors had a great time swimming in the pool at the hotel and singing karaoke in the hotel lounge. Sara Rush even caught a foul ball at the Bluejays game, where the Seniors were lucky enough to see the dome close right before their eyes. This is a trip they will never forget.

P r o m

The 1994 Junior/Senior Prom was definitely an event that will not be soon forgotten. The dinner/dance was held at the Holiday Inn in Mt. Pleasant on Friday, May 13. This year's Prom King and Queen were Gireesh Sonnad and Sara Rush, who were voted on by the Seniors only.

Prom is one of the final high school events for the Seniors and they enjoyed every bit of it. It was a beautiful evening for all who attended and will always be cherished.

Graduation

The Class of 1994 was graduated from Sacred Heart Academy on Friday, May 27th at the Sacred Heart Church. This year's special guest speaker was Mr. Pat Heintz, who himself is a graduate from Sacred Heart.

The ceremony included speeches given by this year's Valedictorian Joe LaPalme and Salutatorian Jill Jackson, a duet sung by Jeremy Ervin and Jennifer Wood, "It's Time To Go", played and sung by Mrs. Eddie Kay Walling, and

the singing of "That's What Friends Are For" by the Senior girls.

The graduation ceremony moved along smoothly, but for the Seniors, it seemed to take forever as they eagerly awaited the big moment they had been looking forward to for the last year. The Seniors could hardly wait to get their diplomas and march out of the church to throw their caps, symbolizing the end of high school and the beginning of life in the real world.
