Spirit Week Explosion!!!

There was more than a touch of spirit in the Heart this spirit week, there was an explosion! Almost everyone participated at least once during the week. Monday was Pajama Day and it was a smashing success. Peter Courtright commented, "It made sleeping in class much more exciting."

Next, on Tuesday it was Disco Day and everyone seemed to have gone back to another era completely! Humpday had a little wackiness added to it this year. Everyone went totally wild on Wacky Wednesday. On Thursday it was Jerisy / Red and White day. This year the students bid on the Varsity Football jerseys to make money. What a great idea that turned out to be. Finally, on Friday we had a dress-up day and everyone went to the Homecoming Mass. What a exceptional Spirit Week we had this year.

Across: Lindsay West is grovin' on Disco Day!

HOMECOMING 1994:

This year's Homecoming was hit by Discomania. The whole school worked to make it a success and it all paid off at the dance. Everyone had a great time, just look at all these smiling faces. King Fred and Queen Sarah led the school on the dance floor. The other Homecoming Representatives were Chad Lobsinger, Steve Horgan and Jenny Rademacher.

Junior/Senior Retreat

Building Relationships

In late November the Juniors and Seniors from SHA and some from Mt. Pleasant left for the annual Junior/Senior Retreat to Spring Hill in Evert. This year's theme was "relationships". This year's speaker was Jim Tuman.

Many of the students had heard him speak before, but still seemed interested in what he had to say about relationships with others, parents, and ourselves.

Most of this year's retreat activities were confined to indoors because it was so frigid outside. The students spent a lot of time talking to one another, playing cards, and playing ping-pong. Many if not all, the students were disappointed to learn that the pool was not going to be in use due to repairs, but were happy to learn that next year it would be ready for their use.

Overall everyone would probably say they had a pretty good time, and as for the juniors, I think they are looking forward to next year's retreat.

FRESHMAN INITIATION

Welcome Freshmen

Freshman initiation was a three day event for the ninth graders and their Senior companions. Welcoming started off with a bang! All the Freshmen got their lovely designed signs on Wednesday. Thursday, Seniors got to play Beauty School Drop Out. Ponytails, Barrettes and various hair gels? were used. They did a great job on the Froshes makeup. The last day was the assembly. This is definitely something they will remember as their "most embarrassing moment".

Awards Night

Here's to You !

Sacred Heart Academy honored its top students on Wednesday, May 17th at its annual Awards Night Assembly. The ceremony included all High School students who had an academically successful school year. Over half the students received honors.

This is also the time when Seniors receive their scholarships. Half were awarded with different scholarships for leadership, academics, and athletics.

These will certainly help with college expenses.

Principal, Mr. Roberts, commented, "We honored over sixty percent of our student body. I think that is fantastic."

Business Professional of America is a new but familiar club at Sacred Heart. For the first time in two years our club has renewed its membership. Thirty-five students from Computer and Business classes were able to compete at Regionals. Ten finalists went on to State competition. Those ten students were Carrie Theisen, Mandy Schafer, Jeanna Wizorick, Akhona Goducka, Allison Neyer, Andrea Koenig, Rick Henkes, Brian Siers, Autumn Barbour, and Andrea Cherry.

State finalist Andrea Cherry commented, "Considering that it was our first year back in the game I was very impressed with our success. Placing at States was a rush."

Business Cents

Gifts From the Heart was the first semester company. The products sold were personalized stationary and Christmas ornaments. The class worked very hard to make this a success.

The officers were: President-Andrea Cherry, Vice President of Marketing-Meighan Fitzpatrick, Vice President of Human Resources-Teresa LaPalme, Vice President of Production-Jenny Shafer, Vice President of Finance-Dallas Walton, and Corporate Secretary-Autumn Barbour.

Gifts From the Heart was very successful. They donated \$700.00 back to Sacred Heart. This company also adopted a family at Christmas. They called and asked Department of Social Services for a family in need and they sent the students the name of a single mother and her three daughters ranging in the ages two to twelve years old. The mother asked for only necessities such as clothes and boots for her children and nothing for herself. The students went to Meijers and bought each of the girls a new outfit and boots. They also bought the mother an outfit and perfume and other household items. The class also knew how much kids love to get toys for Christmas so for coiuise they bought each of the girls a toy.

President Andrea Cherry said, "It was a great experience and we had a lot of fun."

Carpe Diem!

Latin may be a dead language but this club is alive and kickin'. It is very active in the school as well as at a state and national level. This year eighteen members choose to be a part of Junior Classical League.

In the fall is the annual candy bar sale. The money made through this is used for dues and conventions. Also at this time is the induction for new members. During the winter all Latin I and II students take a national exam.

At the end of the year was the ceremony for new officers. This takes place over breakfast at Filmores. Seize the Day!

Doing It Our Way

Student Council is the backbone for student life at Sacred Heart Academy. They plan many activities for the students and faculty such as the Christmas party and pep assemblies. Lots of time goes into the planning of these events.

Homecoming is the most important thing that Student Council plans. From the parade to the dance all members have their hands full making sure it will be a success and memorable experience.

Student Council Representative Julie Wood commented, "I think that it was a lot of fun pulling it together for everyone. Although it takes a lot of time it was well worth it."

One Wild Year

This year's yearbook class was very young. Having seventeen students, none being Seniors and six being Freshman was quite an experience.

The yearbook class has added many new things to improve the book. First is an index so people can be found easily. Also there is a new insert about the world around us. New pages with fresh ideas was one goal of this class.

This years yearbook, A Touch of Class, is better than ever. We owe a lot of thanks to Andrea Koenig, Editor-in-Chief, who quoted, "It was rough in the beginning and a lot of problems came up but we worked through them to make this the best book ever. Everyone deserves credit for this book."

Students Against Driving Drunk

Friends Don't Let Friends Drive Drunk

Students Against Driving Drunk offers a lot at Sacred Heart. Twenty-five members are involved in this club. This year a speaker in a wheelchair came and talked to the students grades 9-12 about how his life changed after he got into an accident while he was under the influence of alcohol.

The officers for the 1994-95 school year were Kerri Wilcox, President; Marie Sweeney, Secretary; Michelle Rudoni, Treasurer; and Eyrn Wezensky, Vice President.

Ryan Thompson, who has been in the club for two years commented, "I enjoy being in it because I feel like I'm doing something helpful."

There is a Winner Inside Each of Us

Winners take chances,
Like everyone else, they fear failing,
Winners don't give up.
When life gets rough,
They hang in until the going gets better.
Winners are flexible,
They realize there is more
than one way and are willing to try others.
Winners know they are not perfect,
They respect their weaknesses
while making the most of their strengths.
Winners fall, but they don't stay down.
They stubbornly refuse to let a fall
keep them from climbing.
Winners don't blame fate for their failures
nor luck for their successes.
Winners accept responsibility for their lives.
Winners are positive thinkers
who see good in all things.
From the ordinary, they make the extraordinary.
Winners believe in the path
they have chosen even when it is hard,
Even when others can't see where they are going.
Winners are patient,
They know a goal is only as
worthy as the effort that's required to achieve it.

Playoff Bound!

Mahlon Fredrickson summed it all up when he said "It was fantastic."

When the Irish Varsity Football team started 0-3 it looked pretty bad, but after six consecutive wins it was nothing but fantastic. Everyone felt that teamwork was a big part of it. This was evident at Webberville when the Irish rallied back in the last seven minutes, ninety-two yards, to win.

This brought the team the first MSAC championship. The Irish went into the playoffs with this excellent record but unfortunately bowed out to North Muskegon. This was a big accomplishment and it turned the program around. Ryan Tasker looking ahead said, "It was a great learning experience, we have a lot going for us. I can't wait 'til next year."

1994 VARSITY GIRL'S BASKETBALL

This year the team underwent a few changes. The first change was a new coach, Kevin McQuaid. With a new coach also comes new plays, defenses, and rules. The team was taught new offensive plays, and a man to man defense that was a little different from before.

The girls had no trouble adjusting to the new changes that were made. The team had ten returning varsity players and one sophomore who was brought up during the summer.

There were seven seniors on the team; Jamie Carter, Amy Gray, Teresa LaPalme, Jolee Wright, Diana Wood, Katie Murphy, and Amanda McConnell. The two Juniors were Julie Wood and Jenny Shafer.

Allison Neyer and Lisa Curtiss were the two Sophomores.

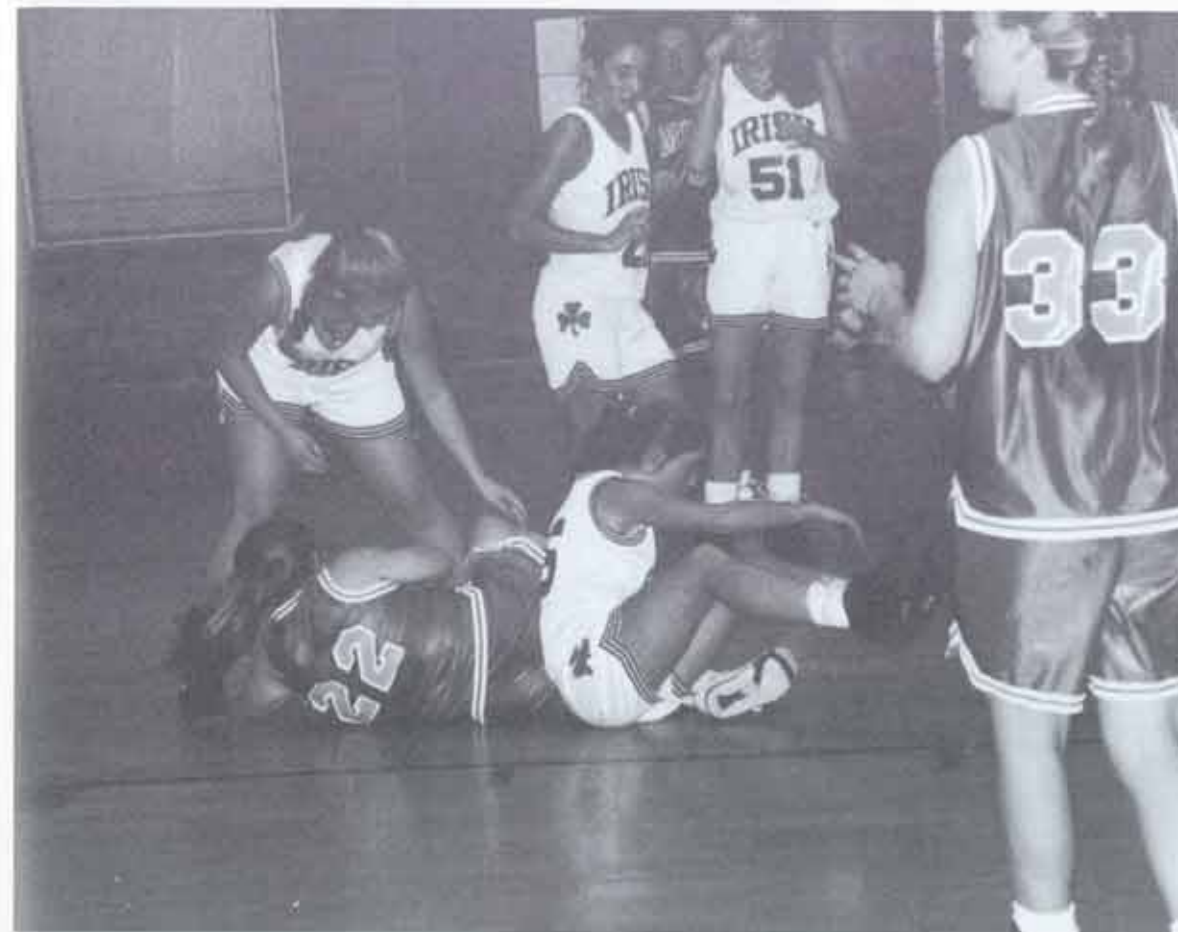

The overall record was 11-11. Junior guard Julie Wood commented, "This year we had a new coach and it was hard at first, but we had a lot of talent and fun."

This season the team made it to the District Finals at Fowler but lost at the hand of the Ashley Bears. Everyone had a lot of fun this year and the four returning players are looking forward to next season.

Coach McQuaid, early in the season, noted, "One of the things we try to stress is to be mentally confident athletes, and we are." By the end of the season the team was very confident as individuals as well as a part of a team. We look forward to next year.

Sacred Heart Volleyball!

This year Sacred Heart Volleyball stepped it up and took its place in history. It was one of the best seasons in Sacred Heart memory. They finished with a 9-4 record and fourth in the conference. The team did a great job and excelled to greater heights than anyone expected. They had a lot of confidence because of the solid fundamentals they had learned. This year's team was honored with several prestigious awards. As a team they recieved a sportsmanship award.

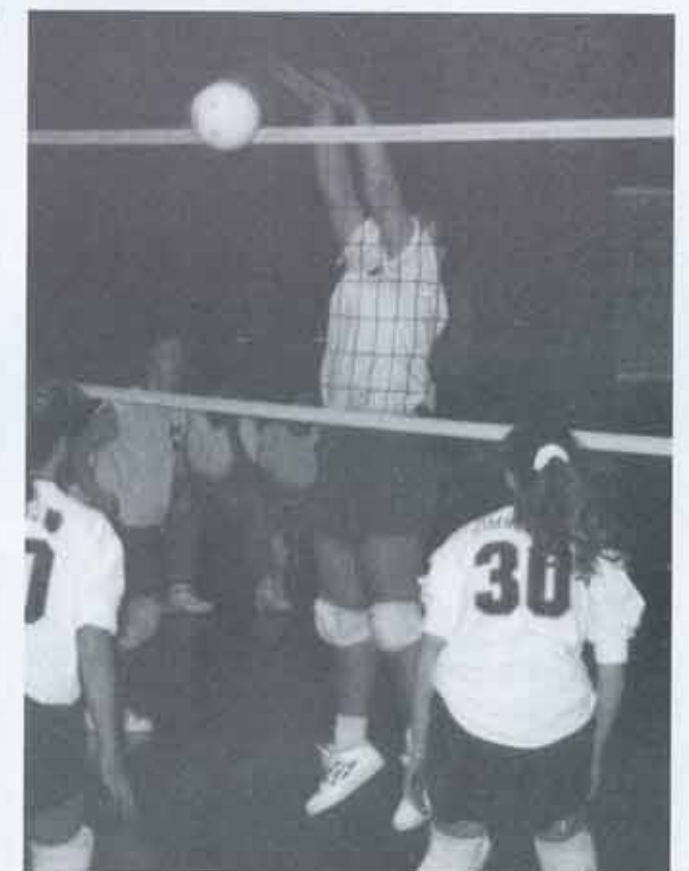

As individuals Teresa LaPalme received 1st Team All conference. Amy Gray and Angie Moss both had 3rd Team. Angie Moss also was voted Most Valuable Player by her teammates. Sarah Groves was Most Improved Player and Diana Wood received the coaches award.

The team showed a lot of heart this year and made Sacred Heart Volleyball a sport to be taken seriously. Watch for these girls next year.

Varsity Boy's Basketball

The Varsity Boy's Basketball team played a season of ups and downs. The team had high expectations for the year. The team had a lot of talent and experience, but their record of 8-13 didn't do them justice.

The guy's played their hearts out and lost a lot of close games. The captains really stepped up this year, and they helped emphasize the team effort. A new addition to the team Joe Albaugh disappointedly added, "The team won the sportmanship award and that award said that good losers are still losers."

Team captain Dallas Walton had a more positive outlook on the year. He commented, "After having such a bad season, it was so great to see the support we had for our last home game. The fans were behind us the whole way."

In our eyes they will always be winners. Good luck next year.

PIRIT, OH YEAH!!!

The Sacred Heart Varsity Football Cheer Team had a remarkable year. In comparison to former football cheer teams, they were very successful. The young squad was made up of one senior, three juniors, six sophomores, and one freshman. Lindsay West, the lone freshman commented, "I think this is the most fun I have ever had in cheerleading. It was fun being the only freshman and we became just like one big family."

Mandy Schafer and Tara Koester served as the squad's co-captains. The team worked hard all season and accomplished three chairs for the first time in Sacred Heart's history. The ladies also performed a 4-star dance, which included a perfectly executed basket toss, for the Homecoming crowd.

The 1994 Varsity Golf Team was a very successful and talented group of young men. Michael Hackett led the team with an average of 39. A new addition to the team was Matt Tyler, an upcoming Freshman. He gave the Irish an outstanding performance at the number four position. Joe Gostola came on strong at the end of the year to help the team. The biggest edition was the new coach John Pakledinaz. He led them to seventh place finish at State. Team Captain Michael Hackett commented, "I don't think we have shown anybody what we can really do."

The golf program has been progressing steadily in the past years at Sacred Heart Academy. Next year's team will have the experience necessary for a state championship.

Basketball Cheerleading

The 1994-1995 Varsity Basketball Cheerleaders were definitely something to be proud of. This Varsity team, made up of two Seniors, three Juniors, and six Sophomores, worked together as a team and succeeded as a team. They went to more competitions and placed against class A, B, and C schools.

This season they took a close second at the State Finals. They also were invited to the Detroit Piston's Invitational. All team members spent a lot of time practicing and cheering at games. This took dedication for these eleven young women.

Eryn and Chrissie were the high flyers. Amanda, Tara, and Reilly covered the back while Mandy, Sarah, Amy, Angie, Amanda, and Autumn were the power women bases. Coaches for this year were Cheryl Hunter and Krista Snyder.

At the Winter Sport's Banquet many individuals were awarded for their talents and contributions to the team. Captain Mandy Schafer, was awarded the Team Leadership Award. Junior Tara Koester was given the Team Spirit Award. The Most Improved Cheerleader was Given to Amanda Frick. The Coaches Award was awarded to Amy Verwey, the other team captain.

JV Irish Goes Undeclared

The Junior Varsity Football Team had a spectacular 1994 season. The 9-0 Irish played with the confidence needed to win. Ben Wright commented, "It was a great experience and I hope that this season will start a winning tradition for Irish Football!"

In the words of Coach John Sieman, "This year was a big accomplishment...a great thing for these group of kids."

The 9-0 season will be a great memory for this group of sophomores and freshmen. "It was a real fun time that I will never forget!" Ken Fussman adds.

Junior Varsity Cheer Team, Go Red!

The Junior Varsity Cheerleaders consisted of three Freshman and five Sophomores. The team became very independant during the middle of the season due to a change in coaching and members quitting. This team learned to be responceible and pull together to achieve the best they could. Captain Marsha MacKellar admitted, "I was very pleased the way everyone pulled together. I felt we were really a team and we would succeed as one."

They attended two competitions, though out of season. They did not place at either of these compitions but performed well under the circumstances. The team was truely an example of dedication.

Varsity Softball

Three Up! Three Down!

Give it a little Heart!

After returning from Battle Creek last year this team had a taste for victory. This softball team had experience and drive. They proved this many times over.

It was a successful season with a record of 27-10. However, their conference record was even better, 11-0. The girls cruised on through District and Regionals. Quarterfinals proved to be a bit more of a challenge and a heartbreaker for this team. In the last inning Morrice won by one.

This team had strong leadership from its captains, Jolee Wright and Diana Wood. Diana Wood was chosen as Most Valuable Player. She is a veteran pitcher for the Irish. Jolee was an unsung hero for the year. She did a lot that was taken granted for.

Irish Baseball #1

It was predicted last year that the Irish would make it to Battle Creek and this baseball team took it to Heart. Fifteen very talented and dedicated players made sure of it. The end of the season at the semifinals isn't the only thing they have to be proud of. Sacred Heart baseball was ranked number one in the state for most of the season. Also they won their conference (11-0) for the third year in a row.

After losing only two players last year this team picked up some new and talented ball players. Joe Albaugh and Jason Johnson transfered to Sacred Heart and gave the team an extra boost. Kirt Hartman, a sophomore, was moved up and became a starter for the Irish.

This was a year to remember in Sacred Heart baseball. It's the year before the State Championship. See you in Battle Creek!

Track and Field

WE DID IT!!!

This year's track team was very large in the beginning of the season. As the time went on the size decreased. Those who finished the season had a lot of dedication and inner strength.

The track team won three medals at Regionals. Thirty-six medals were won in MSCA Conference. Alison Neyer, the only girls on the team, went the farthest. She got fifth place at the State Finals.

This team will be going places in the future. It was a great year for everyone.

Our Last Day

Our very last day is drawing near,
the final day of our senior year.
A time to laugh, a time to cry,
but never time to say good-by.
It seems like only yesterday
when we went on our first date.
Do you remember what our par-
ents
Said when we were late?
The very next day our friends
were all curious,
to see if our parents were furious.
Our friends were always there
to get us through the day,
and somehow they always knew
the right things to do or say.
Now the day has come.
The day is finally here.
We always thought we couldn't
wait
but now were all in tears,
because we want just one more
day
to tell our friends good-by.
It could be awhile before
we see them again
and we can't help but cry.
We're not completely sure of
what to do or say,
but if we had a wish,
We'd wish for another day.

Junior/Senior Banquet

Seniors Live!

This year's Junior/Senior Banquet was an overall wonderful success. Everyone seemed to have an excellent time and thoroughly enjoyed themselves. The night started off with greeting and the prayer from Father Patrick. Then came the food and entertainment. All the Seniors had a lot of fun laughing at themselves as portrayed through the eyes of the Juniors. After the skits the Seniors began the wills which everyone took lightheartedly. Finally came the Senior Awards. Everyone had to agree Amanda McConnell and Chad Lobsinger definitely had the best chicken legs.

Kristina McCann commented, "I enjoyed watching the skits and I didn't even mind serving the upperclassmen. I can't wait until next year."

Several Seniors expressed their hope that this tradition will continue for years to come.

PROM 1995

A Dream Worth Keeping

Prom was held at Riverwood on May 12. It was a memorable experience for all who attended. Prom King and Queen for the Senior class were Mandy Schafer and Mike Seestedt.

Junior Carrie Theisen made this comment about her first Prom, "I had a lot of fun. Everyone looked really nice and the whole night was exciting."

The after Prom Party was held at Chippewa Lanes Bowling Alley. There were refreshments provided and all the parents put a lot of time and effort into the party.

Graduation

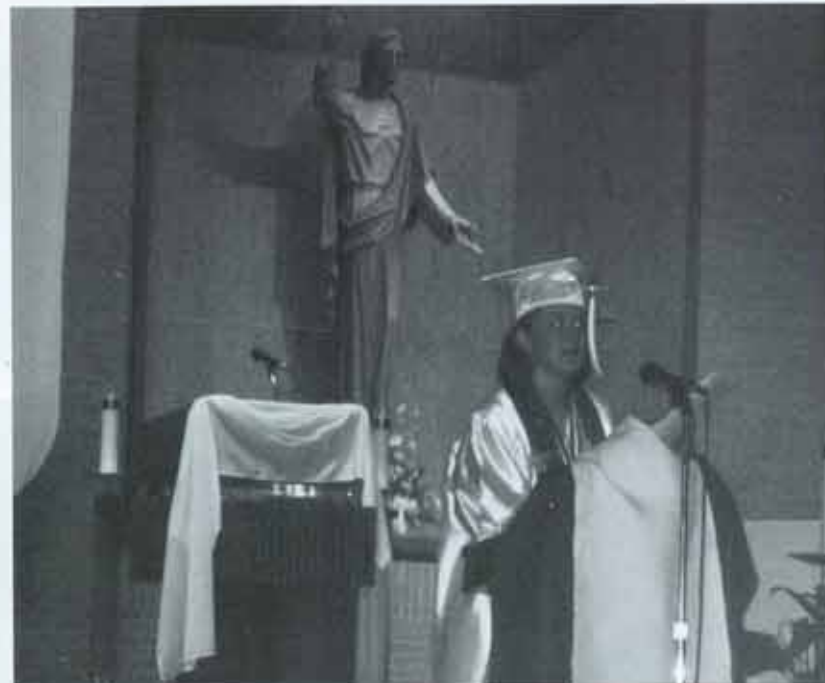

Goodbye Friends

Graduation was held at 7:30, June 2, at Sacred Heart Church. Family and friends came to wish the leaving Seniors good luck. It was a great night that all will remember.

Valedictorian, Amanda Schafer, and Salutatorian, Teresa LaPalme, gave excellent and entertaining speeches. The whole class sang their song, The River by Garth Brooks.

Graduation is one thing people remember all their life. Hopefully the Class of '95 will too.
