Q: What did you think of Jr./Sr. Retreat? What was your favorite part?

Mrs. Most (faculty): "I really liked it. My favorite part was the evening with the group meeting."

Patty Fyke (senior): "I enjoyed it. The candle prayer service was great, even though it was late and everyone wanted to go to bed."

Bryan Ballman (junior): "I thought retreat was really deep and it went great. I enjoyed spending time with my friends and getting to know the seniors better."

Nikki Zeien (junior): "Retreat was a great experience and helped all of us to get to know each other better. My favorite part was sharing our thoughts."

Blaye Bott (senior): "Retreat was fun. The part I liked most about retreat was the way our school (juniors and seniors) bonded. I think that this was a wonderful experience that happened in my life. I hope that this school keeps this program running because it's a great learning experience!"

Relationships: On November 25, 1996 we loaded up Fr. Don's classic motorhome, with all of our belongings, and climbed into buses as we headed for Spring Hill Camp in Evart, MI. Following tradition, the Junior and Senior classes spent two days on retreat to get away from the pressures of school, teachers, and parents so we could get to know each other and ourselves a little better. Retreat included small and large group activities and discussions, as well as swimming, games, a talent show, and many other fun events for the students. The accommodations at Spring Hill made everyone comfortable. The boys stayed in the rustic cabooses and the girls in Freedom Hall. Everyone learned a lot and had tons of fun.

FRESHMEN

FRESHMEN
FRESHMEN, FRESHMEN '00

It was a busy year for the freshmen. They got through homecoming without really bonding with the seniors, but were model students in the classroom. Several freshmen participated in varsity sports, which helped keep SHA sports on the map. Numerous 9th graders actively pursued the challenges put forth by the many clubs and organizations. Some went on to state and national competitions.

BEHIND THE SCENES

Like mothers clean up after their children, Chris and Randy had their waste baskets full this year, picking up after every mother’s child. The personalities of our custodial and maintenance staff are effervescent and high spirited. Always fun to be around, even when they were scrubbing the filthy messes. Ray, Randy and Chris were regularly seen at sporting events, and always concerned with the education of SHA’s students. As teenagers we tend to be a bit messy, and thank our men behind the scenes. We wish success to all; Randy in his writing, Chris in attainment of his teaching certificate, and Ray in health recovery. Thanks guys, you are the epitome of spirit.

It was thought that the golf team was doomed this year, with Dan Campbell as the only returning senior. But the golf spirit at Sacred Heart was not to be crushed. Dan lead a team of Juniors, Sophomores and Freshmen right to the state finals. Matt Tyler placed 9th, individually, to assist Dave Garrett, Joey Heintz, Tony McDonald and Dan with their 3rd place finish. Quite a feat for such a young team. Good Luck Dan, and thanks for the tutelage. Come watch us play in the finals next year.
