## SHA VS. ASHLEY

This years homecoming  
matchup against the Ashley  
Bears was a pivotal point in the  
2000 season.

Recovering from a loss to a  
physical Morenci, the Irish  
sought to gain back their  
credibility as one of the top  
area teams.

Also riding on this game, was  
the revenge of last year's loss  
to Ashley.

Most importantly, was the  
Conference Championship that  
was at stake on this blustery  
night.

In the end, of course, the  
Irish emerged as the victors of  
the game, champions of the  
conference, and as a team  
ready to carry on through to  
the end of the season.

Possibly the most spirited class in the school, and definitely one of the largest, the Junior class embodies what it is to be Sacred Heart Academy. Although they are large in number and possess many friendships among them, the Juniors are the "unifiers of the people." In other words, they bridge the gap between the upper-classmen and the under-classmen, thus creating a friendly and exciting school environment. Needless to say, the school couldn't do without this great class. As seniors next year, they should make another year a Sacred Heart Academy the best one ever.

The 2000 Sacred Heart Academy golf team swung into the season (yes, that pun was intended) very enthusiastically. Led by Bill Benear, Andy MacDonald, and Lucas Verwey, the team definitely didn't lack the senior leadership it needed. Combined with the talents of some returning juniors, the season looked promising.

# National Honor Society

The Sacred Heart Academy 2000-2001 National Honor Society kept busy this year. Between working at the soup kitchen and volunteering for the Special Olympics, the members had an abundance of opportunities to both learn more about themselves while giving back to their community.

# Yearbook

This year the staff of the Cor Jesu worked hard to bring you this fine publication (we may be biased, however, because we are members of the staff). At the beginning of the year we worked hard to sell ads to fund the yearbook, while in the later portions of the year we worked on the book itself. We would like to thank 7-11 for providing us with refreshing beverages and tasty treats to nourish us during our ad-selling expeditions. And most of all, we would like to thank you, the people, for giving us exciting events to report and cover on the 2000-2001 Cor Jesu.

## You Drive Me Crazy!

A great deal of gratitude and appreciation goes to all of our advertisers and patrons. It takes time and effort to pull off a successful yearbook year after year. It also takes a lot of money, and without our advertisers and patrons, our efforts would be in vain. Because of the generosity and kindness of our advertisers and patrons, we hope that you will spend some extra time paging through this section.

We hope that the next time that you are in the market for one of our advertisers or patrons' products, you will consider supporting a business that has supported your yearbook. It is one way that you can show your appreciation for the role they play in making your yearbook possible year after year.
