### I Will Remember You

Sarah McLachlan

*I will remember you, will you remember me?  
Don't let life pass you by, weep not for the memories.*

*Remember the good times that we had?  
I let them slip away from us when things got bad.  
How clearly I first saw you smilin' in the sun.  
Wanna feel your warmth upon me, I wanna be the one.*

*I will remember you, will you remember me?  
Don't let your life pass you by, weep not for the memories.*

*I'm so tired but I can't sleep standing,  
on the edge of something much too deep.  
It's funny how we feel so much but can not say a word.  
We are screaming inside, but we can't be heard.*

*But I will remember you, will you remember me?  
Don't let your life pass you by, weep not for the memories.*

*I am so afraid to love you, but more afraid to lose.  
Clinging to a past that doesn't let me choose.  
Once there was a darkness, deep and endless night.  
You gave me everything you had, oh you gave me light.*

*And I will remember you, will you remember me?  
Don't let your life pass you by, weep not for the memories...  
Weep not for the memories.*

For the third straight year, the Class of 2003 won Spirit Week. They may wait till the last minute to make up a dance or finish up their floats, but this class sure does have the spirit. They even won the Spirit Can—which is something new at Sacred Heart.

# Senior Trip Chicago

Nothing but fellow classmates mattered once we were in the "Windy City." The "wind" didn't blow us apart, if anything it brought us closer together. Tina n' Tony's Wedding allowed us to kick back and be crazy (Tim will never forget it). Despite the windy/rainy weather at Navy Pier, we managed to make some of the best memories (Kyle on the Seadog). And although our green knight didn't win the last battle, the five course meal will never be completely digested (garlic bread). Along with all the fun and games on trip, we learned a few things as well. Never assume that just b/c it's baseball season the weather will be warm, oh yeah, and when the L-Train starts to move, hold on (Gepford). We also learned that we're not to go anywhere without a buddy (Jamie). Like they say, all good things must come to an end. Some of us were more eager than others to be back in our own beds (not all of us got suites). Overall, the amount of memories we have made are countless, and even more the closeness of our class is priceless.

# Varsity Track & Field

## A word from Coach Z

Track records were broken all season by the Irish. Laurel Bennett set a new school record in the 400 at 1:00.5 and in the 300 hurdles at 51.2. The 1600m relay team of Katie Olivieri, Jackie Newman, Whitney Kidd & Laurel Bennett broke a school record dating back to 1988 with a time of 4:22.2. The 3200m relay team of Emily Sias, Jackie Newman, Heather Courtright, & Laurel Bennett broke the record set in 1984 by over 7 seconds with a time of 10:07.5.

A total of nine Irish tracksters qualified for the state finals. Troy Zitzlesberger, Whitney, Laurel, Katie, Kaitlin Schneider, Heather, Jill Thering, Jackie and Emily all went to the big show. Laurel brought home the 5th place medal in the 400 M and the 3200 relay team brought home the 5th place medal breaking their own school record. It was a very good year!
