A Senior Trip to Remember: Toronto 2005

The Class of 2005 had an outstanding senior trip in Canada. Among the places they visited were Niagara Falls, the Skydome, Mama Mia, and the African Lion Safari. Whether it was shivering on a frigid jet boat ride, strolling along the baseball diamond of the Toronto Blue Jays, dancing in their seats to an unbelievable play, or listening to the compelling dialogue of tour guide Nigel as they traveled through the stomping grounds of the most dangerous animals alive- this group of seniors will always remember the trip in which they invaded Canada.....

Above: Excited seniors look over the menu at the Hard Rock Cafe. The group was extra hungry after a speedy tour of the Sky Dome, barely visible in the background. Below: The seniors take a group pic before they start their tour.

Above(Top): The courageous group prepares for the onslaught of Niagara Falls. Above: Seniors get soaked with yet another wave in the Niagara River in mid 40 degree weather. With little sun and barely 50 degree water, it was an awesome but frigid ride on the speedy jet boat.

Above: Seniors pose for a quick picture at Niagara Falls on the way back to the hotel from the Oh Canada dinner show. Looks pretty chilly..... eh?

Left: The seniors group up in front of the CN Tower. Above: Karra and Krista snuggle up to the Canadian version of Smoky the Bear.

Regional Champions

The 2004-2005 Irish boy's basketball squad put together one of the best years in the history of Sacred Heart Academy. The team went undefeated in the regular season with twenty wins and zero losses, and tied a school record with 25 wins in one season. They also beat Beal City in the district finals on their way to a quarterfinal appearance and a regional title. The Irish were led by their two captains and lone seniors Ryan Lilly and Bubba Curtiss. Many of the Irish players won postseason awards and the rest of the Irish team is looking to come back strong in 2005-2006.
