Sacred Heart Academy & Parish, along with St. Henry in Rosebush and St. Charles in Leaton joined efforts in collecting over \$23,000 to purchase a brand new vehicle for Fr. Don Henkes.

The gift of a vehicle will have a huge impact on Fr. Don's life as he travels to serve his family, our students, members of our faith community and those to whom he reaches out to beyond our knowledge. This helps us to say thank you in a big way.

Many people included a note with their contribution. One SHA alumni wrote, "Fr. Don is indeed a great man of God. His influence continues to shape my life. I can think of no one more deserving." Another wrote, "Fr. Don was one of my favorite teachers in school and I am sure many of my former classmates would agree." One parishioner summed it, "He gives everything to all of us."

State Runner-Up

The Irish basketball team had another great season. They finished with a 19-1 record in the regular season and a trip to the State Championship. Even though they lost in the finals they truly had one of the best, if not THE greatest teams in school history. They were the first Sacred Heart team in 31 years to get back to the State Championship. This team played with a ton of heart and determination all season long. They truly showed what team basketball is all about.

Above: The Irish basketball team poses for a picture after the State Championship game at the Breslin Center in East Lansing. Even though they look very disappointed, they had an amazing team and a great season that they should be extremely proud of.
