Senior Stair Picture

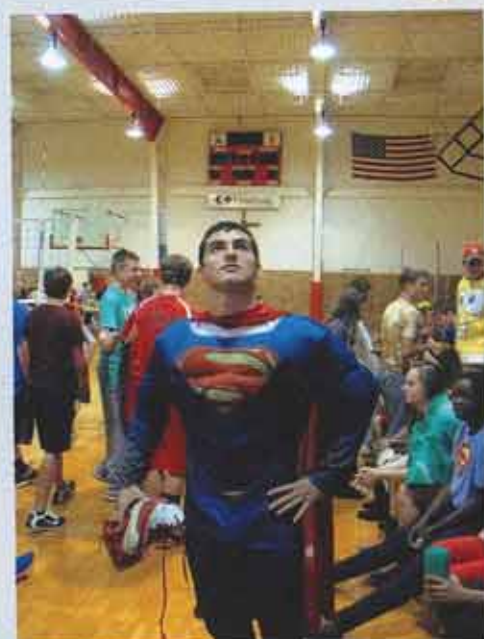

Lifer Picture

It's a bird! It's a plane! No, it's Spirit Week! Whether you were rocking your pajamas or sporting your class color, it was a blast. The freshmen looked Bat-tastic as Batman, and the Sophomores kicked it with Captain America. Juniors were super fly with Superman. Last, the seniors finished spinning the web with Spiderman.

Homecoming Week

Powderpuff Football

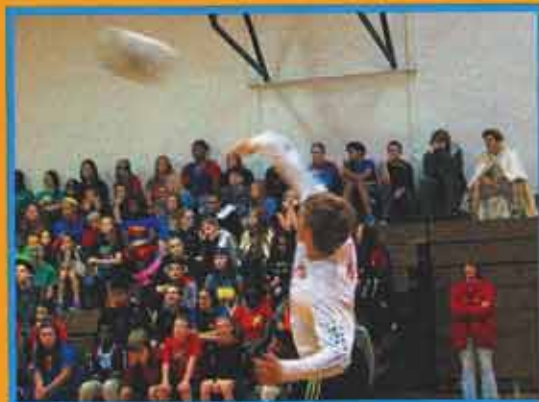

It has been a long tradition for the girls to put on a Powderpuff Game during Homecoming Week. The freshmen pair up with the Juniors to play against the sophomore/senior duo. This year the freshmen and the Juniors took the victory.

Powderpuff Volleyball

The Powderpuff Volleyball Game was the bomb this year! In the first round, the seniors played and beat the sophomores, and the juniors beat the freshman. Last but not least, the finals consisted of a junior victory against the mighty seniors.

Homecoming Assembly and Parade

This year's homecoming assembly was **EXPLOSIVE!**

Between the mock rocks, our hilarious MC's Austin and Tomas, and all the exciting announcements, nobody left the assembly un-entertained!

Homecoming Dance

Homecoming was a time to gather as a school and have a good night. It's not only about the dancing. It is also about laughing and making memories with friends and classmates. There's the line of people doing the Macarena during any song, and there are those making a statement with their outfit. Seniors experience their last homecoming, and the juniors, sophomores, and freshmen party with them. It definitely is a night to remember.

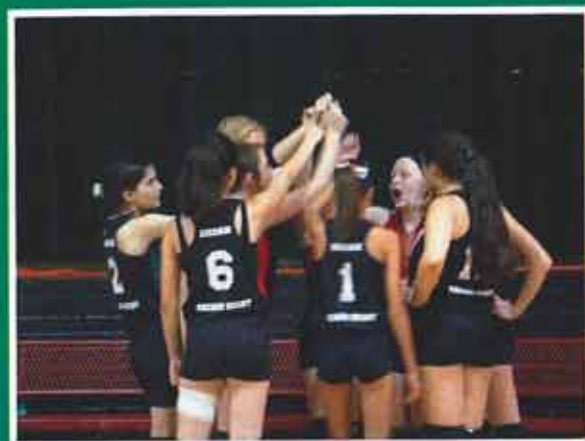

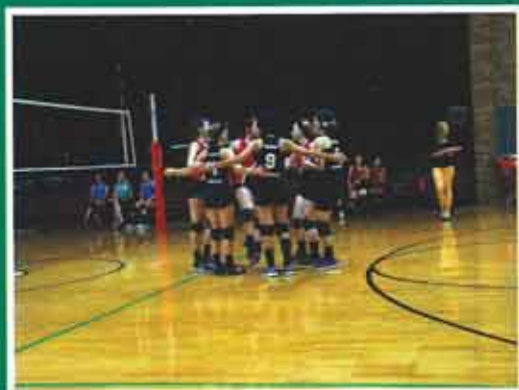

Junior/Senior

Retreat

Junior/ Senior Retreat took place at Cran-Hill Ranch this year, and we had such a great time! We participated in lots of large and small group activities throughout the day from meals, to discussion, to snowball fights, to mass at the end of the day. Juniors and seniors of Sacred Heart Academy definitely bonded over this great experience, and they created memories that will last a lifetime.

FRESHMAN VOLLEYBALL

Overall, freshman volleyball was a good learning experience for all the girls. They experienced many memories together that will help them for the rest of their volleyball career. Being on the freshman team was a great experience to help students transition to the varsity team.

JV Volleyball

Throughout the months of the 2014 volleyball season, many achievements were made. They won both the Breckenridge and Ithaca tournaments and finished the season undefeated in conference play. On top of being successful, they had tons of fun. One of the highlights of the season was team dinners at the coach's house.

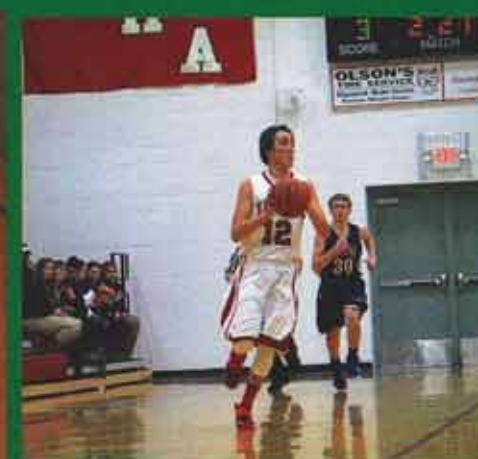

Freshman Boys Basketball

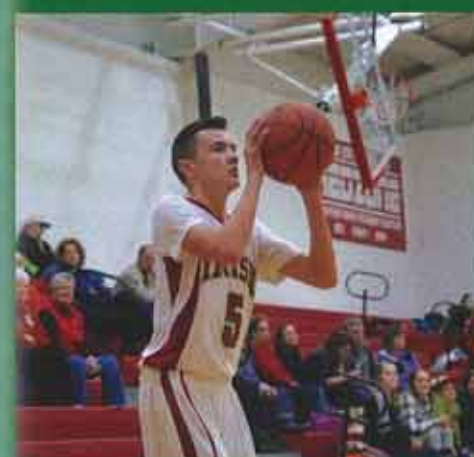

The Freshman Boys Basketball Team had a fun year. They started off strong and ended even stronger. Although they ended .500, their hard work and determination defined the character of all the players. The coaches Nick Fletcher and Sean McBrayer pushed the players to do their best in practices and games.

JV Boys Basketball

The JV Boys Basketball Team both won and lost this year. They started strong but ended up not having the season they had hoped for. Despite the losses, they still played hard in every game. The coach, Taylor Ardis, took every opportunity to make the games and practices as much fun as possible. The season ended with 8 wins and 11 losses. The conference record was 7 wins and 3 losses.

JV GIRLS BASKETBALL

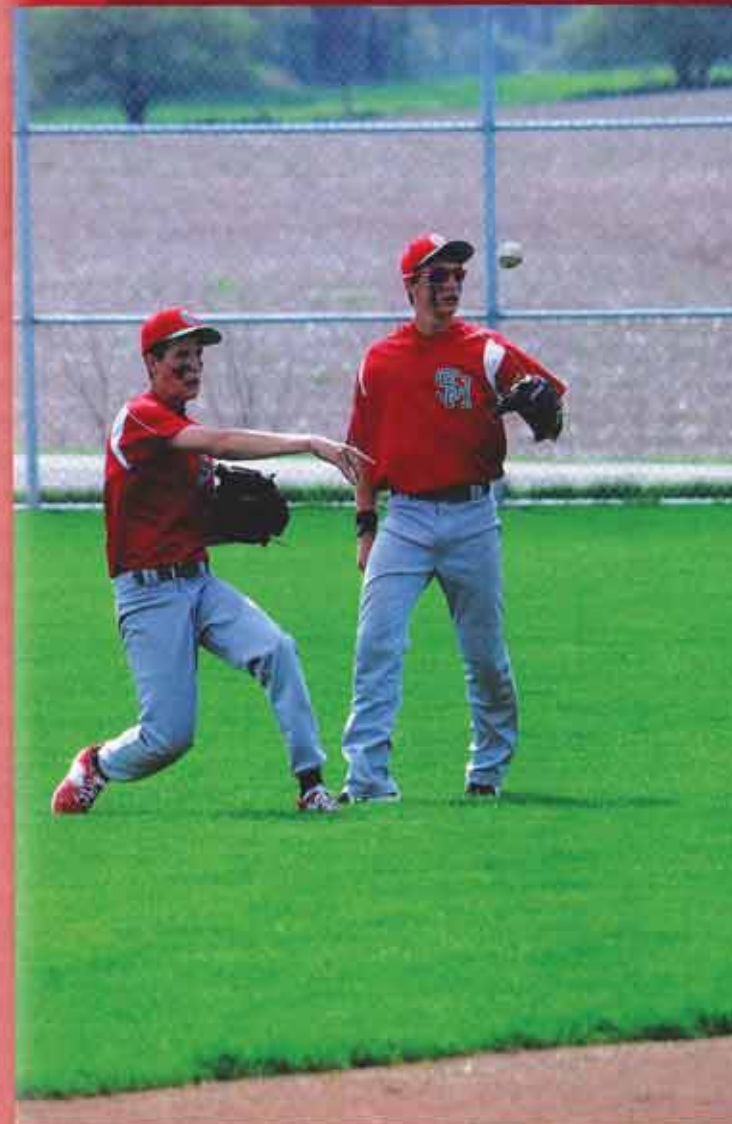

The JV Girls Basketball Team was on fire this year! The girls gave their all and became closer not only as a team but as friends. Everyone really grew as players. It was a blast!

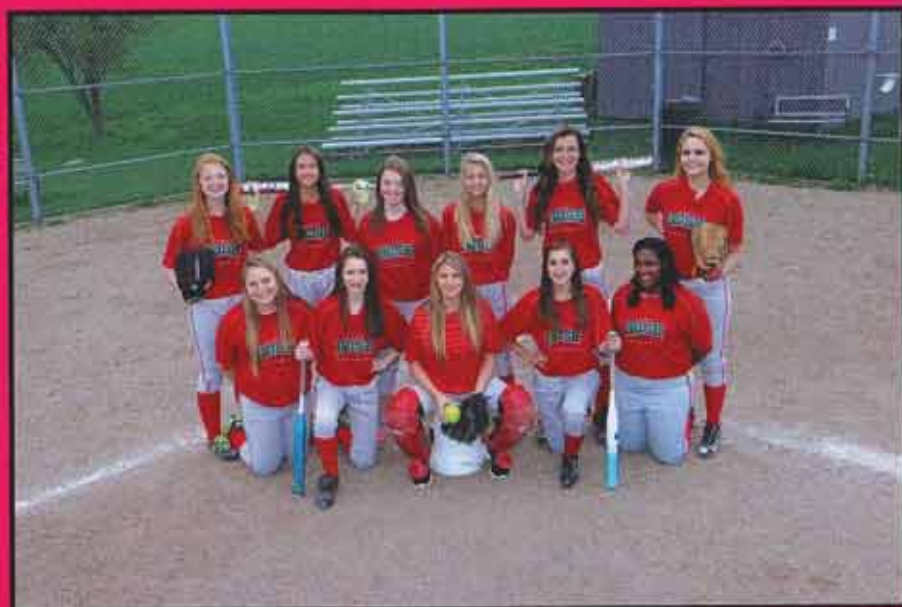

JV Baseball

The JV Baseball Team finished the season with a 15-7 record! With two new coaches, the players learned a lot and had fun! The season really showed how they played and represented the school. Overall, they had a great season and are looking forward to next year!

JV Girls Softball

This year's JV Softball Team was one to remember! With the help of a new coach, they learned a lot and are looking forward for next year!

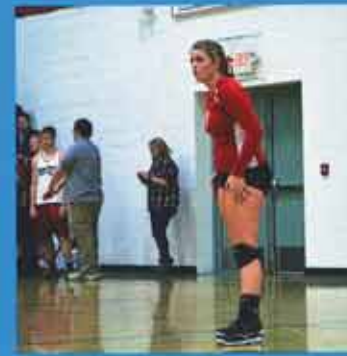

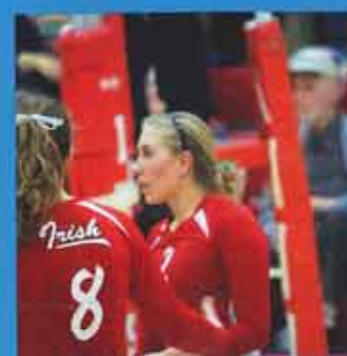

VARSITY VOLLEYBALL

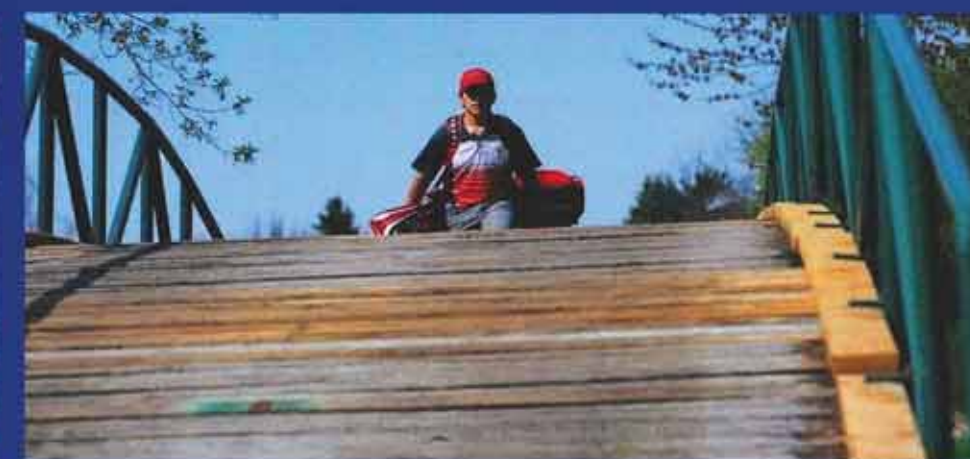

The 2014 Sacred Heart Varsity Team had a tremendous year. The team consisting of four seniors, seven juniors, and a new head coach, captured a district and regional title. They made history by reaching the quarterfinals for the second straight year, eventually falling to a very good Leland team.

BOYS GOLF

VARSITY FOOTBALL

The 2014 Irish Football Team was a tough bunch! They were battle tested every week with one of the toughest schedules in school history. They went on a roll and reclaimed the MSAC title in the last game of the season in an emotional blowout against higher-ranked Coleman. They kept the tradition of Irish football going.

CROSS COUNTRY

Cross Country was a blast! Not only did we get in shape, but we made friends, and the team felt like family. This year the girls team competed at States. Sam Kindermann and Logan Moyle represented the boys team. Five team members made All-State. It was another great year!

Girls Varsity Basketball

The 2014- 2015 Girls Varsity Basketball Team was one to remember. The girls ended up 16-4 for the regular season and headed into the post season ready to defend their state title. They won their third straight District Title by defeating Crossroads for the second straight year. Following Districts, they won their third Regional Title defeating Fruitport for the second straight year. In their third straight quarterfinal appearance, the Irish fell to Frankfort. The Lady Irish's final record was 20-5, which carries on the winning tradition of the program.

Boys Varsity Basketball

The Irish were an exciting bunch to watch this season. Whether it was a no-look pass from Tomas Krepostman, or a three-point basket by Ben Goenner, they had the crowd on the edge of their seats. They were District Champs but sadly fell in overtime in the Regional Final game. Congratulations on a great year.

Varsity Baseball

This year was a comeback year for the team. They finished the regular season and headed into districts with a 20-13 record, which was a huge turn-a-round from last year's season. They lost one player, but with a year of experience under their belts, they took back the conference title after losing it last year. They also took first in the Battle Creek St. Philip Invitational. The season didn't end the way they had hoped. They fell to Breckenridge in the District Semi-Final. After ten innings of play they lost 1-0. Their record was 20-14. Go Irish!

Varsity Softball

The Varsity Softball Team had a great season! With a new coach and the leadership of three seniors, three juniors, one sophomore, and three freshmen, the Lady Irish finished with a 20-17 winning record!

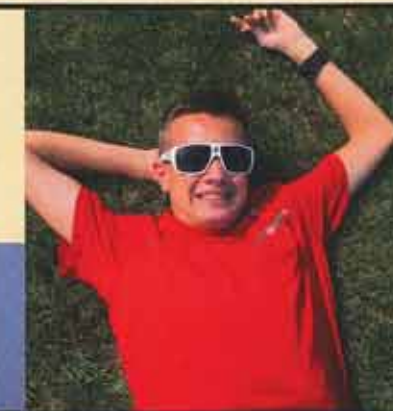

Varsity Track

Track this year flew by! The team started this year with ambitions of a huge state turn out and possibly shattering a few records. However, two stress fractures and four diagnosed cases of mono derailed a few of those dreams. Despite the health problems, many of the runners had a great season.

Dance

The Sacred Heart Emerald Dancers killed it this year. With great choreography and amazing dancers, everything fell into place perfectly. Through the laughs and the fun, the team put on awesome performances and left the crowd with smiles on their faces.

Girls Golf

Swara Sanlepalli

Kylie McGinnis

Lauren Hackett

Jessica MacDonald

Girls Golf was a really good time that allowed the team to bond. Playing together was really instrumental for their growth in high school. Whether it was raining or sunny they always did their best!

GO
TEAM!

RED ZONE

#1

The Red Zone consisted of several different themes throughout the sports seasons. Beach, Christmas, Neon, and Tank Outs were just a few of the themes. The Red Zone was always full no matter where the game was being played. Students traveled across the state of Michigan to watch and cheer their team on to victory. The Red Zone displayed school spirit and enthusiasm for the game.

Students for Students

Whether it is playing a game of volleyball, kickball, or even raking leaves, there will always be the fun memories that the students of Sacred Heart have made. We all had fun on those days, getting to know each other and creating good times. These are things to look back on when we're no longer here. However, this doesn't stop the relationships that were made those days and the enjoyment that we all had.

Performing Arts

The Performing Arts class this year was a blast! Mrs. Bennett and her crew put on Shakespeare's, "A Comedy of Errors" with a 1920's twist! By the end of the performance, both the actors and the audience were in stitches watching this hilarious production!!

Prom 2015

March For Life

The March For Life gives students the opportunity to learn about an important, national issue. It also gives students the experience of being in a big city and standing up for something important.
