# Faith

Weekly Mass is a staple of religious life here at Sacred Heart Academy. The pictures on this page are of a special Mass the student body participated in with Bishop Joseph Cistone. Right: Deacon Larry Fussman, Bishop Cistone, Fr. Don and Fr. Loren pray at the altar during the consecration of the Eucharist. Photo credit: Diocese of Saginaw

Our school is dedicated to serving the Sacred Heart Community and those we come in contact with. This year our student body showed love and compassion by supporting the Terwilliger family when Mrs. Terwilliger, school board member and SHA mother, battled cancer. Bake sales and various fundraiser events including the "Pink Out" basketball games were some of the ways our school supported their family. We helped to clean the town with our leaf raking project and helped parishioners who were not be able to rake their own leaves. Mr. Durocher's class also showed compassion and respect to those who sacrificed for their country by placing flags at the cemetery for Memorial Day.

## A "Lifer" Teacher

Mr. Phil Durocher has been making a difference in the lives of students at SHA longer than any other high school teacher. He loves his morning McCafé, a good workout and helping students understand our country. Affectionately known as "The Boss" to some, his presence at the Academy has made a lasting difference in the lives of so many. He is also an experienced Drivers' Ed teacher and has helped make our roads more safe. Thank you for your service, Mr. Durocher!

Our school continued the tradition of helping to fight cancer by raising over \$10,000. We heard inspirational speakers, expressed our faith through song, played crazy games, cut or hair and walked or ran a 5k as we worked to raise awareness and eliminate this disease. This year, we walked in memory of Denise Terwilliger, whose battle with cancer led her into eternity in March. Our inspirational verse for this fight was Philippians 4:13.

*I can do all things  
through Christ who  
strengthens me.

# Faith

Weekly Mass is a staple of religious life here at Sacred Heart Academy. The pictures on this page are of a special Mass the student body participated in with Bishop Joseph Cistone. # Service

Our school is dedicated to serving the Sacred Heart Community and those we come in contact with. This year our student body showed love and compassion by supporting the Terwilliger family when Mrs. Terwilliger, school board member and SHA mother, battled cancer. Bake sales and various fundraiser events including the "Pink Out" basketball games were some of the ways our school supported their family. We helped to clean the town with our leaf raking project and helped parishioners who were not be able to rake their own leaves. Mr. Durocher's class also showed compassion and respect to those who sacrificed for their country by placing flags at the cemetery for Memorial Day.

## A "Lifer" Teacher

Mr. Phil Durocher has been making a difference in the lives of students at SHA longer than any other high school teacher. He loves his morning McCafé, a good workout and helping students understand our country. Affectionately known as "The Boss" to some, his presence at the Academy has made a lasting difference in the lives of so many. He is also an experienced Drivers' Ed teacher and has helped make our roads more safe. Thank you for your service, Mr. Durocher!

Our school continued the tradition of helping to fight cancer by raising over \$10,000. We heard inspirational speakers, expressed our faith through song, played crazy games, cut or hair and walked or ran a 5k as we worked to raise awareness and eliminate this disease. This year, we walked in memory of Denise Terwilliger, whose battle with cancer led her into eternity in March. Our inspirational verse for this fight was Philippians 4:13.

*I can do all things  
through Christ who  
strengthens me.

# Faith

Weekly Mass is a staple of religious life here at Sacred Heart Academy. The pictures on this page are of a special Mass the student body participated in with Bishop Joseph Cistone. # Service

Our school is dedicated to serving the Sacred Heart Community and those we come in contact with. This year our student body showed love and compassion by supporting the Terwilliger family when Mrs. Terwilliger, school board member and SHA mother, battled cancer. Bake sales and various fundraiser events including the "Pink Out" basketball games were some of the ways our school supported their family. We helped to clean the town with our leaf raking project and helped parishioners who were not be able to rake their own leaves. Mr. Durocher's class also showed compassion and respect to those who sacrificed for their country by placing flags at the cemetery for Memorial Day.

*Requiem en pace*

The team was undefeated in conference. They won district and regional championships before eventually losing in the quarter finals.

## A "Lifer" Teacher

Mr. Phil Durocher has been making a difference in the lives of students at SHA longer than any other high school teacher. He loves his morning McCafé, a good workout and helping students understand our country. Affectionately known as "The Boss" to some, his presence at the Academy has made a lasting difference in the lives of so many. He is also an experienced Drivers' Ed teacher and has helped make our roads more safe. Thank you for your service, Mr. Durocher!

Our school continued the tradition of helping to fight cancer by raising over \$10,000. We heard inspirational speakers, expressed our faith through song, played crazy games, cut or hair and walked or ran a 5k as we worked to raise awareness and eliminate this disease. This year, we walked in memory of Denise Terwilliger, whose battle with cancer led her into eternity in March. Our inspirational verse for this fight was Philippians 4:13.

*I can do all things  
through Christ who  
strengthens me.
