The 2017-2018 Irish Football Team finished with a record of 6 wins and 4 losses. The motto for this team was "Final 11". As of now they will be known as the final 11 man football team at Sacred Heart Academy and will be switching to 8-man football in 2018-2019. It was a great year for the guys, as they had many athletes on both side of the ball and the lineman that knew how to get it done. The Irish were coached by Science teacher Jamie Slate who really knows the game inside and out. Congratulations to the Irish on a fantastic season!

Right: The big guys go to work in the trenches.

"This was the best team I will ever be a part of. The locker room atmosphere was unbelievable before the beasts ran wild. These men are my brothers forever. God bless America and Go Irish!"
